Merchant Of Venice:

The Merchant of Venice William Shakespeare, 2021-01-01 The Merchant of Venice is one of Shakespeare's most popular comedies but it remains deeply controversial The text may seem anti-Semitic yet repeatedly in performance it has revealed a contrasting nature Shylock though vanquished in the law court often triumphs in the theatre In his intensity he can dominate the play challenging abrasively its romantic and lyrical affirmations What results is a bitter sweet drama Though The Merchant of Venice offers some of the traditional pleasures of romantic comedy it also exposes the operations of prejudice Thus Shakespeare remains our contemporary

The Merchant of Venice William Shakespeare, 1998 Applause Books If there ever has been a groundbreaking edition that likewise returns the reader to the original Shakespeare text it will be the Applause Folio Texts If there has ever been an accessible version of the Folio it is this edition set for the first time in modern fonts The Folio is the source of all other editions The Folio text forces us to re-examine the assumptions and prejudices which have encumbered over four hundred years of scholarship and performance Notes refer the reader to subsequent editorial interventions and offer the reader a multiplicity of interpretations Notes also advise the reader on variations between Folios and Quartos The heavy mascara of four centuries of Shakespearean glossing has by now glossed over the original countenance of Shakespeare's work Never has there been a Folio available in modern reading fonts While other complete Folio editions continue to trade simply on the facsimile appearance of the Elizabethan look none of them is easily and practically utilized in general Shakespeare studies or performances

Shakespeare,2016-12-12 The Merchant of Venice is a play by William Shakespeare believed to have been written between 1596 and 1598 Although classified as a comedy in the First Folio and while it shares certain aspects with Shakespeare's other romantic comedies the play is perhaps more remembered for its dramatic scenes and is best known for the character of Shylock The title character is the merchant Antonio not the Jewish moneylender Shylock who is the play's most prominent and more famous villain Though Shylock is a tormented character he is also a tormentor so whether he is to be viewed with disdain or sympathy is up to the audience as influenced by the interpretation of the play's director and lead actors As a result The Merchant of Venice is often classified as one of Shakespeare's problem plays **The Merchant of Venice** William

Shakespeare's Merchant of Venice (Classic Reprint) William Shakespeare,2017-02-02 Excerpt from Shakespeare s Merchant of Venice Night had fallen as they drew near to Belmont The moon light lay spread among the statues and cypresses in Portia s garden where on a grassy bank the two lovers Lorenzo and Jessica talked together in low antiphons

such as lovers use and in the pauses of their talk gazed and drank in the beauty of the heavens Word had come that the mistress of the house would return home before daybreak and close upon this came a messenger with the news that Bassanio too might be expected Lorenzo called for music no gentler or more gracious welcome could there be for the home comers should they be arriving and if not still he and Jessica could sit till the moonlight faded and let the sweet sounds creep in their ears while the stillness of the garden the embracing silent night made harmony with the hidden lutes as the listening heart might hear its own beating harmonies whispered back from the stars paving the oor of heaven About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
