

The Quality Of Mercy

The quality of mercy is not strain'd.
It droppeth as the gentle rain from heaven
Upon the place beneath. It is twice blest:
It blesseth him that gives, and him that takes.
'Tis mightiest in the mightiest; it becomes
The throned monarch better than his crown.
His scepter shows the force of temporal power,
The attribute to awe and majesty,
Wherein doth sit the dread and fear of kings;

But mercy is above this sceptered sway;
It is enthroned in the heart of kings;
It is an attribute to God himself;
And earthly power doth then show likest God's
When mercy seasons justice.

The Mercy Philip Levine, 2000-10-24 Philip Levine's new collection of poems his first since *The Simple Truth* was awarded the Pulitzer Prize is a book of journeys the necessary ones that each of us takes from innocence to experience from youth to age from confusion to clarity from sanity to madness and back again from life to death and occasionally from defeat to triumph The book's mood is best captured in the closing lines of the title poem which takes its name from the ship that brought the poet's mother to America A nine year old girl travels all night by train with one suitcase and an orange She learns that mercy is something you can eat again and again while the juice spills over your chin you can wipe it away with the back of your hands and you can never get enough

Mercy Judith H. Montgomery, 2019-03 Poetry In *MERCY* Judith Montgomery chronicles the story of caring for her a husband as he endures cancer treatment Though brutal in its technology the medical world Montgomery describes is merciful in its human form peopled by chemotherapy nurses whose expertise is matched by mercy as they lift the plumped sac poisons mixed to pour fire into flesh Anyone who has had even the least brush with cancer will find here an honest and hopeful world where suffering is lightened by the sight of butterflies mutable flames that glide as we refugees from the cancer center and stunned by treatment glide in luxurious light afloat in paradise

Earth, Mercy Mary Rose O'Reilley, 2013-03-04 In her new collection *Earth Mercy* Mary Rose O'Reilley sifts through the debris of human habitation pink thong sandals curlers broken televisions looking for a kind of junkyard grace Holiness enters again turquoise fins and the Cessna's carapace lifts on its wind The first poem *Genesis* locates the reader in Edenic time in that humid and green arrival while the last *Watching the End of the World* from Hovland Minnesota gives nature a final word Morels on goat prairie gloat in their blue light Spruce speaking of green on green Between these points any poem offers a threshold over which something unexpected may pass a ghost an angel or the yap of an insouciant dog alerting us to apocalypse Against all that threatens our survival *Earth Mercy* asserts the beauty of our poignantly sensual life

Little Mercy Robin Walter, 2025-04-01 In award winning poet Robin Walter's debut collection *Little Mercy* writing and looking seeing feelingly become a practice in radical care These poems pursue moments of shared recognition when looking up to see a deer across a stream or when sunlight passes through wingtip onto palm the self found in other the river in vein of wrist Attuned to the transparent beauty in the natural world Walter's poems are often glancing observations unspooling
