## **Meriwether Lewis:**

*Meriwether Lewis* Kira Gale, 2015-06-01 This new full length biography of Meriwether Lewis is presented within the context of the turbulent times of the early American Republic The author discusses intrigues to seize the Floridas and Louisiana from Spain with the help of France or Britain and makes the case for General James Wilkinson assassinating General Anthony Wayne to become the commanding general of the U S Army She proposes that the deadlock in the presidential election of 1800 between Aaron Burr and Thomas Jefferson was caused by a British faction of Federalists who planned to invade Louisiana and Mexico if Burr were elected president She identifies three parts of the conspiracy a secret military base on the Ohio Cantonment Wilkinsonville where 700 U S army troops were stationed the Philip Nolan filibuster into Texas and British naval support After Jefferson s election Lewis lived in the White House as his confidential aide In 1803 he left the White House as the leader of an elite army unit to reinforce America s claim to the Pacific Northwest When he returned Jefferson appointed him governor of Louisiana Territory based in St Louis with orders to remove followers of Aaron Burr from positions of power and influence Within two years Meriwether Lewis was dead at the age of 35 killed by an assassin s bullets in 1809 Gale presents the case that General Wilkinson and John Smith T a wealthy lead mine operator were the organizers of his assassination Their motive was to prevent Lewis from stopping another filibuster expedition into Mexico in 1810 Kira Gale s biography of Lewis offers a very different interpretation of his character and achievements supporting the idea that if he had lived Lewis was in line to become president of the United States She presents a detailed account of his activities as a loyal Jefferson supporter presidential aide leader of a continental expedition and governor of Louisiana Territory

*Uncovering the Truth About Meriwether Lewis* Thomas C. Danisi, 2012-02-07 The critically acclaimed biography Meriwether Lewis coauthored by Thomas C Danisi was praised for its meticulous research and for shedding new light on the adventurous life and controversial death of the great explorer who became famous through the Lewis and Clark Expedition Now the author with some help from contributors extends his groundbreaking studies of Meriwether Lewis with this compilation of historical essays that offers new findings based on recently discovered documents tackling such intriguing subjects as The court martial of Meriwether Lewis Danisi s discovery of the astonishing never before published transcript of the entire court martial proceedings affords him the distinction of being the first historian to mine the document for the many insights it offers into the then untested twenty one year old officer who eloquently defended himself and won his case Documentation straight from the medical ledgers of Dr Antoine Saugrain the physician who treated Governor Lewis which helps to confirm that Lewis suffered from malaria prior to his celebrated trek to the Pacific Ocean with the Corps of Discovery and continuing through his service as governor of the Louisiana Territory Was Lewis s death as reported the result of suicide or was he merely a victim of this episodic and incurable disease Documentation that proves the true nature of the much discussed Gilbert Russell Statement given at the court martial of General James Wilkinson Some historians have

argued that Wilkinson orchestrated Lewis's murder but Danisi's research sets the record straight. The role of Major James Neely in Lewis's last days. This subject has gained much prominence through the History Channel according to which Neely supposedly lied to President Thomas Jefferson about his presence at Meriwether Lewis's burial but Danisi has evidence to the contrary. The author presents an abundance of additional material to fill in previous historical gaps regarding the mysteries and controversies surrounding Lewis's life and death. In doing so he paints a vivid picture of the brilliant rise of an ambitious young man by virtue of courage, talent, and political connections, and the tragic fall of a conscientious public servant under the weight of chronic illness, bureaucratic pettiness, and the political intrigue that was rampant throughout America's Wild West. This superb contribution to Meriwether Lewis research is a must read for students and scholars of American history and anyone with an interest in one of our nation's most important explorers and public servants. Meriwether Lewis Richard H. Dillon, 1965. A portrait of one of the major figures in American history. **By His Own Hand?** John D. W. Guice, James J. Holmberg, Jay H. Buckley, 2014-10-30. For two centuries the question has persisted: Was Meriwether Lewis's death a suicide, an accident, or a homicide? *By His Own Hand* is the first book to carefully analyze the evidence and consider the murder versus suicide debate within its full historical context. The historian contributors to this volume follow the format of a postmortem court trial, dissecting the case from different perspectives. A documents section permits readers to examine the key written evidence for themselves and reach their own conclusions. Meriwether David Nevin, 2004-05. Lewis and Clark's world famous expedition is chronicled with an emphasis on the young man whose dreams of conquering a continent are temporarily sidelined by his commitment to President Jefferson. The Character of Meriwether Lewis Clay Jenkinson, 2011. The human aspects of the famed explorer in a revised and expanded biography. Meriwether Lewis commanded the most important exploration mission in the early history of the United States. Clay S. Jenkinson takes a fresh look at Lewis, not to offer a paper cutout hero, but to describe and explain a hyperserious young man of great complexity who found the wilderness of Upper Louisiana as exacting as it was exhilarating. Jenkinson sees Lewis as a troubled soul before he left St. Charles, Missouri, in May 1804. His experiences in lands upon which the foot of civilized man had never trodden further fractured his sense of himself. His hiring William Clark as his partner in discovery was, Jenkinson shows, the most intelligent decision he ever made. When Clark was nearby, Lewis's leadership was stable and productive. When Clark was absent and thus unable to provide a calming influence on his mercurial friend, Lewis tended to get into trouble. Jenkinson argues that if Clark had been with Lewis on the Natchez Trace, the governor of Upper Louisiana would not have killed himself. Jenkinson sees Lewis's 1809 suicide not as an inexplicable mystery, but the culmination of a series of pressures that extend back to the expedition and perhaps even earlier. The Character of Meriwether Lewis: Explorer in the Wilderness is a revision of an earlier book, greatly expanded with new scholarship and insights gained through Jenkinson's extensive participation in the Lewis and Clark Expedition Bicentennial. Jenkinson discusses Lewis's sense of humor, his oft-stated fear that the expedition he was

leading might collapse his self-conscious learnedness and his inability to re-enter polite society after his return. The book attempts to reconstruct from Lewis's journal entries and letters his rich, troubled personality and his aspirations to heroism. When the American mythology surrounding him is removed and Lewis is allowed to reveal himself, he emerges as a fuller, more human and endlessly fascinating explorer. *The Journals of Captain Meriwether Lewis and Sergeant John Ordway*, Meriwether Lewis, John Ordway, 1916. [Who Was Meriwether Lewis? | Lewis and Clark Book for Kids Grade 5 | Children's Historical Biographies](#) Dissected Lives, 2021-11-01. This book is a continuation of an earlier Baby Professor title tackling the story of William Clark. This time, however, spotlight will be given to Meriwether Lewis. Lewis was not just an explorer; he was also a soldier, politician, and public administrator. Read on to find out his contributions, especially in the US expansion. Grab a copy today. *Bitterroot*, Patricia Tyson Stroud, 2018-04-20. Through a retelling of Lewis's life from his resourceful youth to the brilliance of his leadership and accomplishments as a man, Patricia Tyson Stroud shows that Jefferson's unsubstantiated claim of his protégé's suicide is the long-held bitter root at the heart of the Meriwether Lewis story. **Suicide or Murder?** Vardis Fisher, 2017-07-11. Meriwether Lewis (1774-1809) was an American explorer, soldier, politician, and public administrator, best known for his role as the leader of the Lewis and Clark Expedition, also known as the Corps of Discovery, with William Clark. Their mission was to explore the territory of the Louisiana Purchase, establish trade with and sovereignty over the natives near the Missouri River, and claim the Pacific Northwest and Oregon Country for the United States before European nations. They also collected scientific data and information on indigenous nations. President Thomas Jefferson appointed Lewis Governor of Upper Louisiana in 1806. He died of gunshot wounds in what was either a murder or suicide in 1809. The death of Meriwether Lewis is one of the great mysteries of American history: Was he murdered at Grinder's Stand, or did he commit suicide? Vardis Fisher meticulously reconstructs the events and presents his own version of the case with the precision and persuasiveness of a fine trial lawyer. But Fisher was also a great novelist, and it is his sense of character that serves him best here. We know Lewis's complex sensibility as well as we know that of any man of his time; his Journals are so self-revealing, so exacting in the record they make of his musings, doubts, and relations. Fisher offers us this complex Lewis, and with equal perceptiveness, sets the rough frontier scene at Grinder's Stand. The result is a fine mystery, well-solved, that leans toward tragedy. *Meriwether*, David Nevin, 2008-10. Meriwether, a young man of genius and drive, is determined to make one of the great marches in the history of the world: to chart the 2,000 miles of wilderness from the Mississippi to the Pacific. But President Jefferson has other plans for young Meriwether Lewis. In 1800, Jefferson calls upon Lewis to be his secretary. Freed at last in 1804, Lewis calls upon his friend William Clark to set out on the cross-continental trek that will give them towering stature among explorers and assure that the young nation will have its shores washed by opposite oceans. It is a dangerous expedition, but at last they reach Oregon. But the man who made the impossible possible has touched the heights of his life and now steps toward his darkling future. *Meriwether Lewis, Pittsburgh, to William Clark*, stating that he is gratified by

*Clark's decision; has received articles for outfitting the expedition. Writes of John Conner, who will meet him at Kaskaskia, and Jefferson's receipt of the treaty [for Louisiana] from Paris on July 14, 1803* Meriwether Lewis Thomas C. Danisi, John C. Jackson, 2024-04-23 The definitive biography on Meriwether Lewis by Thomas C. Danisi and John C. Jackson now in paperback for the first time October 11, 2009 marks the bicentennial of Meriwether Lewis's death. As the leader of the Lewis and Clark expedition, an epic exploration of uncharted territory west of the Mississippi, Lewis has been the subject of several biographies, yet much of the published information is unreliable. A number of myths surrounding his life and death persist. Now independent scholars Thomas C. Danisi and John C. Jackson have written this definitive biography based on twelve years of meticulous research. They have re-examined the original Lewis and Clark documents and searched through obscure and overlooked sources to reveal a wealth of fascinating new information on the enigmatic character and life of Meriwether Lewis. Instead of focusing on the Lewis and Clark expedition, the authors concentrate on what Lewis was doing immediately before and after the journey through Western territory. They assess his role as a natural scientist and as governor of the Louisiana Territory. His lifelong mentor, Thomas Jefferson, thrust the latter role upon Lewis during a time of crisis. As Danisi and Jackson reveal, he would much rather have devoted this time to compiling his notes and scientific findings into a vivid narrative of the expedition's adventures. Finally, using medical documentation, the book reveals the actual cause of Lewis's untimely death. The authors address both the conspiracy theories regarding murder as the cause of Lewis's death and the longstanding belief that he committed suicide. The Meriwether Lewis that emerges from this thoroughly researched biography is a man of honorable intentions who met severe challenges and handled difficult confrontations with patience and diplomacy. Both professional historians and armchair devotees of American history will want to add this important new work to their libraries.

**Meriwether Lewis and William Clarke** Meriwether Lewis, Paul William Allen, 1910 *Meriwether Lewis and William Clark* Meriwether Lewis, 1954 *The Story of Captain Meriwether-Lewis and Captain William Clark, for Young Readers* Nellie F. Kingsley, 1900 **Undaunted Courage** Stephen E. Ambrose, 2013-04-23 From the New York Times bestselling author of *Band of Brothers* and *Day After Tomorrow*, the definitive book on Lewis and Clark's exploration of the Louisiana Purchase, the most momentous expedition in American history and one of the great adventure stories of all time. In 1803, President Thomas Jefferson selected his personal secretary, Captain Meriwether Lewis, to lead a voyage up the Missouri River to the Rockies, over the mountains, down the Columbia River to the Pacific Ocean, and back. Lewis and his partner, Captain William Clark, made the first map of the trans-Mississippi West, provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory, and established the American claim to Oregon, Washington, and Idaho. Ambrose has pieced together previously unknown information about weather, terrain, and medical knowledge at the time to provide a vivid backdrop for the expedition. Lewis is supported by a rich variety of colorful characters, first of all, Jefferson himself, whose interest in exploring and acquiring the American West went back thirty years. Next comes Clark, a rugged frontiersman whose love for Lewis

matched Jefferson's There are numerous Indian chiefs and Sacagawea the Indian girl who accompanied the expedition along with the French Indian hunter Drouillard the great naturalists of Philadelphia the French and Spanish fur traders of St Louis John Quincy Adams and many more leading political scientific and military figures of the turn of the century High adventure high politics suspense drama and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel *Meriwether Lewis and William Clarke [i.e. Clark]* Meriwether Lewis, Paul Allen, 1910
