Merle Evans Maestro Of The Circus:

Merle Evans: Maestro of the Circus Gene Plowden, 1971 **The Routledge Circus Studies Reader** Peta Tait, Katie Lavers, 2020-09-10 The Routledge Circus Studies Reader offers an absorbing critical introduction to this diverse and emerging field. It brings together the work of over 30 scholars in this discipline including Janet Davis, Helen Stoddart, and Peta Tait to highlight and address the field's key historical, critical, and theoretical issues. It is organised into three accessible sections: Perspectives, Precedents, and Presents, which approach historical aspects, current issues, and the future of circus performance. The chapters, grouped together into 13 theme-based sub-sections, provide a clear entry point into the field and emphasise the diversity of approaches available to students and scholars of circus studies. Classic accounts of performance, including pieces by Philippe Petit and Friedrich Nietzsche, are included alongside more recent scholarship in the field. Edited by two scholars whose work is strongly connected to the dynamic world of performance, *The Routledge Circus Studies Reader* is an essential teaching and study resource for the emerging discipline of circus studies. It also provides a stimulating introduction to the field for lovers of circus.

The Circus Age Janet M. Davis, 2003-10-15 A century ago, daily life ground to a halt when the circus rolled into town. Across America, banks closed, schools canceled classes, farmers left their fields, and factories shut down so that everyone could go to the show. In this entertaining and provocative book, Janet Davis links the flowering of the early twentieth-century American railroad circus to such broader historical developments as the rise of big business, the breakdown of separate spheres for men and women, and the genesis of the United States overseas empire. In the process, she casts the circus as a powerful force in consolidating the nation's identity as a modern industrial society and world power. Davis explores the multiple shows that took place under the big top, from scripted performances to exhibitions of laborers assembling and tearing down tents, to impromptu spectacles of audiences brawling, acrobats falling, and animals rampaging. Turning Victorian notions of gender, race, and nationhood topsy-turvy, the circus brought its vision of a rapidly changing world to spectators rural as well as urban across the nation. Even today, Davis contends, the influence of the circus continues to resonate in popular representations of gender, race, and the wider world.

Opera at the Bandstand George W. Martin, 2013-12-05 In *Opera at the Bandstand: Then and Now*, George W. Martin surveys the role of concert bands during the nineteenth and early twentieth centuries in making contemporary opera popular. He also chronicles how, in part, they lost their audience in the second half of the twentieth century by abandoning operatic repertory. Martin begins with the Dodworth bands in New York City from the 1850s and moves to the American tour of French conductor and composer Louis Antoine Jullien, bandmaster Patrick S. Gilmore's jubilee festivals, the era of John Philip Sousa from 1892 to 1932, performances of the Goldman Band of New York City from 1920 to 2005, and finally the wind ensembles sparked by Frederick Fennell. He illustrates the degree to which operatic material comprised these bands' overall repertory and provides detailed programs in the appendixes. *Opera at the Bandstand* describes how the technological advancements sweeping the country, such as radio

automobiles recordings television and air conditioning along with changes in demographics affected the country's musical life. It will appeal to bandmasters and their players as well as those with an interest in American history, music, popular culture, and opera.

Sourcebook for Wind Band and Instrumental Music Russ Girsberger, Frank L. Battisti, William Berz, 2014-11-01 Meredith Music Resource. This sourcebook was created to aid directors and teachers in finding the information they need and expand their general knowledge. The resources were selected from hundreds of published and online sources found in journals, magazines, music company catalogs and publications, numerous websites, doctoral dissertations, graduate theses, encyclopedias, various databases, and a great many books. Information was also solicited from outstanding college, university, school, wind band directors, and instrumental teachers. The information is arranged in four sections: Section 1 General Resources About Music, Section 2 Specific Resources, Section 3 Use of Literature, Section 4 Library Staffing and Management.

The Book Lover's Guide to Florida Kevin M. McCarthy, 1992. Here is the book lover's literary tour of Florida, an exhaustive survey of writers, books, and literary sites in every part of the state. The state is divided into ten areas, and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place, which books describe the place, what important movies were made there, even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new way to see the state, as an armchair guide to a better understanding of our literary heritage, or as a guide to what to read next time you head to a bookstore or library. The Brass Band Bibliography Gavin Holman, 2019-08-05 9th edition 2019. A comprehensive list of books, articles, theses, and other material covering the brass band movement, its history, instruments, and musicology, together with other related topics originally issued in book form in January 2009.

Clicko Neil Parsons, 2010-12-15. During the 1920s and 30s, Franz Taibosh, whose stage name was Clicko, performed in front of millions as one of the stars of the Ringling Brothers and Barnum Bailey Circus. Prior to his fame in the United States, Taibosh toured the world as the Wild Dancing Bushman, showing off his frenzied dance moves in freak shows, sideshows, and music halls from Australia to Cuba. When he died in 1940, the New York Times called him the only African bushman ever exhibited in this country. In *Clicko*, Neil Parsons unearths the untold story of Taibosh's journey from boyhood on a small farm in South Africa to top billing as one of the travelling World's Fair Freaks. Through Taibosh's tale, Parsons brings to life the bizarre golden age of entertainment, as well as the role that the dubious new science of race played in it. Beginning with Taibosh's early life, *Clicko* untangles the real story of his ancestry from the web of myths spun around him, on his rise to international stardom. Parsons then chronicles the unhappy middle period of Taibosh's career when he suffered under the heel of a vicious manager, left to freeze and nearly starve in an unheated apartment. Taibosh was rescued by Frank Cook, Barnum Bailey's lawyer. The Cooks adopted Taibosh as a member of their family of circus managers and performers, and his happy, if far from average, years with them make up the final chapter of this remarkable story. Equal parts entertaining and disturbing, *Clicko* vividly evokes a forgotten era when vaudeville drew massive crowds and

circus freaks were featured in Billboard and Variety Parsons introduces us to colorful characters such as George Auger the giant and the original Zip the Pinhead but above all he gives us an unforgettable portrait of Franz Taibosh rescued at last from the racists and the romantics and revealed here as an ordinary man with an extraordinary life **Brass Bands of the British Isles 1800-2018 - a historical directory** Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county **Ringling** David C.
