Merriam-Webster's Concise Dictionary of English Usage ,2002-01-01 *Merriam-Webster's Concise Dictionary* Merriam-Webster, Inc,2002-10 Based on Merriam Webster s Dictionary of English Usage this book cites the classic English language specialists generously but finds its true course by observing actual contemporary usage **Garner's Modern English Usage** Bryan A. Garner,2016 The authority on grammar usage and style **Merriam-Webster Dictionary** Merriam-Webster, Inc. Staff,2004-07 For use in schools and libraries only A completely revised edition This best selling language reference covers the core vocabulary of everyday life More than 75 000 definitions Includes pronunciations word origins synonym lists and more than 7 000 usage examples Special sections and tables Fowler's Dictionary of Modern English Usage Henry Watson Fowler,2015 A comprehensive guide to the English language provides detailed and expert information on grammar style spelling vocabulary and punctuation with clear explanations and example sentences Word by Word Kory Stamper,2018-03-06 We think of English as a fortress to be defended but a better analogy is to think of English as a child We love and nurture it into being and once it gains gross motor skills it starts going exactly where we don t want it to go it heads right for the goddamned electrical sockets With wit and irreverence lexicographer Kory Stamper cracks open the obsessive world of dictionary writing from the agonizing decisions about what to define and how to do it to the knotty questions of ever changing word usage Filled with fun facts for example the first documented usage of OMG was in a letter to Winston Churchill and Stamper s own stories from the linguistic front lines including how she became America s foremost irregardless apologist despite loathing the word Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language *A Dictionary of Modern Legal Usage* Bryan A. Garner,2001 A comprehensive guide to legal style and usage with practical advice on how to write clear jargon free legal prose Includes style tips as well as definitions **Garner's Modern American Usage** Bryan Garner,2009-07-28 Since first appearing in 1998 Garner s Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change index The judgments are based both on Garner s own original research in linguistic corpora and on

his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none

The Chicago Guide to Grammar, Usage, and Punctuation Bryan A. Garner, 2020-03-04 The authoritative guide to using the English language effectively from the greatest writer on grammar and usage that this country has ever produced David Yerkes Columbia University The author of The Chicago Manual of Style s popular Grammar and Usage chapter Bryan A Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity With The Chicago Guide to Grammar Usage and Punctuation he has written the definitive guide for writers who want their prose to be both memorable and correct Garner describes standard literary English the forms that mark writers and speakers as educated users of the language He also offers historical context for understanding the development of these forms The section on grammar explains how the canonical parts of speech came to be identified while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature Garner also treats punctuation and word formation and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references The Chicago Guide to Grammar Usage and Punctuation is a magisterial work the culmination of Garner s lifelong study of the English language The result is a landmark resource that will offer clear guidelines to students writers and editors alike A manual for those of us laboring to produce expository prose nonfiction books journalistic articles memorandums business letters The conservatism of his advice pushes you to consider audience and occasion so that you will understand when to follow convention and when you can safely break it John E McIntyre Baltimore Sun

Glocal English Farooq A. Kperogi, 2015-06-22 Glocal English compares the usage patterns and stylistic conventions of the world s two dominant native varieties of English British and American English with Nigerian English which ranks as the English world s fastest growing non native variety courtesy of the unrelenting ubiquity of the Nigerian English language movie industry in Africa and the Black Atlantic Diaspora Using contemporary examples from the mass media and the author s rich experiential data the book isolates the peculiar structural grammatical and stylistic characteristics of Nigerian English and shows its similarities as well as its often humorous differences with British and American English Although Nigerian English forms the backdrop of the book it will benefit teachers of English as a second or foreign language across the world Similarly because it presents complex grammatical concepts in a lucid personal narrative style it is useful both to a general and a specialist audience including people who study anthropology and globalization The true life experiential encounters that the book uses to instantiate the differences and similarities between Nigerian English and native varieties of English will make it valuable as an empirical data mine for disciplines that investigate the movement and diffusion of linguistic codes across the bounds of nations and states in the age
