Collections & Recollections George William Erskine Russell,1904      **THE LIFE OF SAMUEL JOHNSON - All 6 Volumes in One Edition** James Boswell,Grosvenor Osgood,2023-12-22 The compelling anthology THE LIFE OF SAMUEL JOHNSON All 6 Volumes in One Edition presents a comprehensive journey into the intricate life of one of the greatest literary figures of the 18th century Through a profound exploration of the overarching theme of intellectual discourse and human experience this collection imbibes the essence of enlightenment capturing both the grandeur and the struggles of Samuel Johnson s era The texts offer a range of literary styles from meticulous essays to explorative dialogues creating a tapestry that is by turns philosophical anecdotal and deeply personal This edition stands out for its inclusion of illustrative narratives that unveil not only Johnson s prodigious achievements but also the intimate aspects of his personality and beliefs The collaboration of authors James Boswell and Grosvenor Osgood lends the anthology an authoritative yet versatile perspective blending insightful observations with rigorous historical and cultural context Boswell s keen ability to capture Johnson s voice and Osgood s expansive editorial framework collectively enrich this biographical masterpiece It aligns with the literary movements of the period providing a multi faceted exploration of the enlightenment ideals and the burgeoning realm of lexicography This convergence of distinct authorial voices offers readers a panoramic view of the intellectual climate that shaped Johnson s life This anthology is an invaluable resource for readers and scholars alike offering a unique opportunity to delve into the multiplicity of perspectives styles and themes within a single volume Whether for its educational value or the profound insights into 18th century intellectual thought it fosters an essential dialogue that resonates with modern readers Each piece contributes to a dynamic and layered understanding of Samuel Johnson making it an indispensable asset for those seeking to explore the intricacies of a pivotal literary epoch      *Dr Johnson's Friend and Robert Adam's Client Topham Beauclerk* David Noy,2016-05-11 Dr Johnson said that he would walk to the ends of the earth to save Beauclerk Other people who claimed to be his friends rejoiced at his early death How did the beautiful youth of Francis Coates 1756 portrait become a man whose greatest claim to fame was causing an infestation of lice at Blenheim Palace through lack of personal hygiene A great grandson of Charles II and Nell Gwyn he lived a privileged life thanks to fortuitously inherited wealth He employed Robert Adam to build him a house at Muswell Hill which has almost completely disappeared from the records of Adam s work due to a dispute about the bill He was one of the leading book collectors of the time with a library of 30 000 volumes whose sale after his death was a major literary event He also used his wealth to indulge interests in science and astronomy and a passion for gambling As a result he ran through his inheritance as quickly as he could sell it falling into ever increasing debt

as his lawyer grew richer Beauclerk knew all the leading figures of the British and French Enlightenments He was a friend of Johnson Adam Smith David Hume Horace Walpole Sir Joshua Reynolds John Wilkes and David Garrick He met Rousseau and Voltaire and immersed himself in French salon culture He could charm people when he chose to but did not always try Recently he has been overshadowed by his wife Lady Diana Spencer whose life by Carola Hicks *Improper Pursuits* 2001 has made her artistic talent and unconventional life well known The story of their adultery and marriage has not previously been told from Beauclerk's point of view and many other inaccuracies have crept into authoritative works such as the ODNB he is regularly and unfairly dismissed as a bad husband This biography shows that he was much more than the close associate of Johnson known from the pages of Boswell a man of widely varied interests from the Grand Tour to the contemporary theatre who lived Enlightenment life to the full in a way which would not have been possible a generation earlier or later Based on research in unpublished letters legal documents and financial records including some concerning the Adam house as well as published diaries letters and memoirs it shows that he may have left no enduring legacy of his many talents as even his friends admitted but he made the most of all the opportunities available and lived a fascinating life which illuminates every aspect of Georgian elite society from auctions to zoology from care of one's wig to building an observatory and from mishaps in Venice to sea therapy in Brighton
