*Dirty Windows* Merry Alpern, 1995 I used to have a recurring dream it went like this I'm spying on some activity in the window when suddenly the subject becomes aware of my presence and looks up We lock eyes Merry Alpern *Shopping* Merry Alpern, 1999 For Merry Alpern whose previous book *Dirty Windows* Scala 1995 received international recognition her new project was a natural outgrowth of her own daily life spending time in stores mostly women's clothing stores She noticed other women in these stores in the middle of the day all day everyday In particular the group dressing rooms seemed to offer a combination of camaraderie and anonymity Trying on clothes is an opportunity for self examination fantasy and opinions from others sometimes solicited sometimes not Alpern says We stand there in our underwear all trying to achieve some private version of a look With a video camera concealed in her purse Alpern took endless hours of footage without ever looking through a viewfinder but putting the bag in a general direction of activity Sometimes the bag was an extension of her body as she carried it with her other times it was placed in a stationary position separate from her body Later Alpern started to examine the footage to isolate moments and make stills Viewing surprises on the video tape was one of the most entertaining parts of the project With this new photographic essay Alpern dives into the realm of the objects that cover our social body Her colorful images constitute a visual ethnography of American shopping indeed one of the most important activities of everyday life in the West Shopping is a sometimes shocking and often funny expedition into a world we all know only too well *Reframing Photography* Rebekah Modrak, Bill Anthes, 2011 In an accessible yet complex way Rebekah Modrak and Bill Anthes explore photographic theory history and technique to bring photographic education up to date with contemporary photographic practice *Carnal Pleasures*, 1998 *Train Your Gaze* Roswell Angier, 2020-09-03 Focusing on the presence of the photographer's gaze as an integral part of constructing meaningful images Roswell Angier combines theory and practice to provide you with the technical advice and inspiration you need to develop your skills in portrait photography Fully updated to take into account advances in creative work and photographic technology this second edition also includes stunning new visuals and a discussion on the role of social media in the practice of portraiture Each chapter includes a practical assignment designed to help you explore various kinds of portrait photography and produce a range of different styles for your creative portfolio *The Engagement* Georges Simenon, 2007 Publisher description *The Ongoing Moment* Geoff Dyer, 2009-11-11 Great photographs change the way we see the world *The Ongoing Moment* changes the way we look at both Focusing on the ways in which canonical figures like Alfred Stieglitz Paul Strand Walker Evans and Kertsz Edward Weston Dorothea Lange Diane Arbus and William Eggleston have photographed the same things barber shops benches hands roads signs award winning writer Geoff Dyer seeks to identify their signature styles In doing so he constructs a narrative in which these photographers many of whom never met constantly encounter one another The result is a kaleidoscopic work of extraordinary originality and insight *Sensational Pleasures in Cinema, Literature and Visual*

L'infinito istante Geoff Dyer, 2022-09-17 Per Geoff Dyer la fotografia non altro che un mezzo attraverso cui avviene il racconto delle piccole e grandi storie dell'umanità Come la scrittura e il jazz anche la fotografia sa andare oltre il significato del soggetto dell'opera ma necessario affinare la propria sensibilità Nell'Infinito istante una sorta di ordine entropico a guidare il viaggio nelle sterminate possibilità del mezzo fotografico Dyer prova a distinguere quei fili che come in un romanzo legano generazioni di fotografia che pur non essendosi mai incontrati entrano in contatto incuranti del tempo e dello spazio grazie alla ripetizione dell'identico Raccoglie quindi gli scatti di Alfred Stieglitz Paul Strand Walker Evans Andrzej Kertész Dorothea Lange Diane Arbus e William Eggleston e scopre come il fotografare le stesse scene e gli stessi oggetti panchine cappelli mani strade finestre negozi di barbieri fisarmonicisti crei tra di loro un dialogo costante una conversazione a più voci Il suo lo sguardo di uno scrittore che non possiede una macchina fotografica per sua stessa ammissione e che può quindi abbandonarsi all'esperienza intima e personale dell'immagine La fotografia cambia il modo in cui vediamo il mondo Geoff Dyer cambia il modo in cui guardiamo entrambi

*Veiled Histories* Anna Novakov, 1997 As public space becomes saturated by corporate culture a new generation of artists is emerging While much interest has been generated by the recent politicization of public art until now no single book has looked at how artists committed to reclaiming art for the public have addressed the role of the body This book which presents projects by seven artists is an important document on

the changing perception of the body in contemporary public art      *Censorship and Silencing* Robert Post, 1998 Censorship was once a predictable topic dividing liberals and conservatives down the middle on issues like obscenity and national security Today the debate over the regulation of speech offers no such easy dichotomy with feminists joining forces with religious fundamentalists to control pornography and abortion rights advocates seeking to restrict clinic demonstrations while prolife groups defend their freedom to picket Underlying this trend is a fundamental intellectual shift exemplified by the work of Michel Foucault that holds that the state is not the only agent of censorship The thirteen contributors here explore the topic of censorship from the viewpoint of numerous disciplines and viewpoints
