Journal of the Fortean Research Center Paperbound Ray Boeche,2012-07-01 The Fortean Research Center was founded in Lincoln Nebraska in 1982 During the two decades of its existence this volunteer group of researchers and investigators delved deep into the unexplained Exploring events in Nebraska and far beyond that included ghosts UFOs Bigfoot encounters animal mutilations government cover ups alleged alien abductions psychic phenomena cult activity and even a sighting of a blob like mystery creature the Fortean Research Center became recognized among members of the Fortean paranormal and UFO research communities around the world as a reliable and trusted source of information Here is the entire collection of the Journal of the Fortean Research Center 23 issues in all These publications are a reflection of their time and demonstrate in many cases the beginning steps into subjects familiar to the public today alleged UFO crashes and landings at government installations alien abductions cryptozoology and more Random Wisdom Russell Gerald Johnston,2012-06 Random Wisdom is a collection of thoughts and insights from some of the greatest minds of modern and ancient times painstakingly collected and compiled by one man in his unquenchable thirst for knowledge This collection of literary tidbits will educate inspire and entertain the reader with its wide range of subjects wit and timeless anecdotes As the title suggests the information presented is randomly organized and is meant to serve as an inspirational reference book The thousands of entries are designed to inspire deeper thinking and inward reflection with many offering a healthy dose of wit and humor as well

*Birth of a New Consciousness* Jaap van Etten,2015-03-01 Contribute to the Birth of a New Consciousness We usually base our perception of reality on what our five senses receive particularly sight The majority of people believe that our visual interpretation of the world is real However the world we live in actually consists of many different worlds most of which are invisible for us All these worlds are part of Gaia and make up the reality we live in This book contains dialogues with the Sidhe a race of human like beings who are our direct relatives They are invisible to our five senses and occupy one of the subtle worlds that are an integrated part of Gaia In the discourses presented in this book the Sidhe and the author share how they view their respective worlds Exploring the similarities and differences between our worlds can help us to see our human world in a different perspective The Sidhe also share aspects of the subtle worlds that we are part of but are hardly aware of The dialogues help the Sidhe and us to see our respective gifts and self induced limitations These conversations strongly invite us to look at ourselves and indicate the need for a more inclusive more expanded new consciousness By collaborating with the Sidhe and other beings from the subtle realms such as nature spirits and unicorns this new consciousness can be created and a new world can be born To achieve this we need to raise our vibrations and expand our views of reality This book invites you to embark on a journey This journey is actually the journey of every soul who comes to Earth The book stimulates you to raise your vibration and expand your view of reality by giving many suggestions how to do so It truly can be called the start of a new consciousness **Atlantis** Shirley Andrews,2018-02-07 You know of it through song and legend the golden civilization of Atlantis which sank into the cold depths of the sea ages ago But few know the truth about Atlantis or the

geological and metaphysical evidences that suggest it really existed What have scholars unearthed of Atlantiss society and history How about its mystical and religious beliefs art and architecture and its peoples knowledge of science and healing Is it possible that the tremendous achievements of the Atlanteans were aided by extraterrestrial contact Shirley Andrews uncovers the living legacy in Atlantis Insights from a Lost Civilization a compelling new look at a legendary country once situated on the Atlantic Ridge The author has traveled extensively to conduct her own comprehensive research which she synthesizes with the work of hundreds of other Atlantis researchers classical and modern scholars scientists and respected psychics like Edgar Cayce Survivors of this fabled land have made their mark on cultures all over the world and their descendants walk the earth today Learn how the legacy of Atlantis can help us bring our own world into a new age of peace and enlightenment
