Diagnosis of Disease It is a matter of common knowledge among mystics that the evolutionary career of mankind is indissolubly bound up with the divine hierarchies who rule the planets and the signs of the Zodiac and that the passage of the Sun and the planets through the twelve signs of the Zodiac marks man's progress in time and in space Therefore it is not to be wondered at that in the course of their investigations into the spiritual development of mankind the writers have also encountered much that deals with the Zodiac which is the boundary of our evolutionary sphere at the present time So much has been perceived in the memory of nature that sheds light upon obscure passages of the Bible and notes have been made from time to time of different points but how to collect and collate these dissociated writings into a united whole has been a great problem for a long time Even now the writers know and feel that what they have to bring forth is only a very very weak attempt to set before the students that great body of facts which have come to them through the memory of nature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Soul's Destiny** Thelma Jane, 2022-03-25 *The Soul's Destiny Discoveries of an Ordinary Christian* combines sound biblical

research with spiritual autobiography in order to unveil God's living laws of love for a prosperous life here on earth and for the soul in eternity. In her lively style, Thelma Jane shares the principles of faith and prayer by which she manifested a successful and happy life. These principles will help you to do the same. By careful theological reasoning supported by a wealth of scriptures, Thelma Jane goes on to discuss theological issues including methods of biblical interpretation, the plan of the fall and redemption from Adam to Christ, and revelations concerning God's justice and mercy. The book offers a bold and convincing hypothesis concerning the soul's destiny. The hypothesis transcends the usual division between conservative and liberal doctrine. As an evangelical, Thelma Jane believes that a personal relationship with Jesus Christ is the center and goal of our life of faith. So that all may come to Christ, God's plan of salvation may include the possibility of reincarnation. Furthermore, salvation may involve not just the individual but also the collective, not just the person but also soul groups, e.g., families. *The Soul's Destiny* Discoveries of an Ordinary Christian is far-ranging, intellectually stimulating, personally engaging, warm, inspiring, and uplifting. Thelma Jane gives hope for all who fervently seek to know God through Jesus Christ. Anyone curious about God's laws of love and the soul's destiny will benefit from this book.

**Book Review 1: *The Soul's Destiny* by Thelma Jane** is a stunning journey of faith and discovery of self through God's word. Thelma Jane uses her personal experience as a basis for exploring God's spiritual laws and scripture to understand what is expected of us. Her writing is inspirational as her honesty does not hold back from what she believes and even challenges other perspectives on religion. The conversational style makes for an interactive tone and serves as a resource for personal study or conversation by speaking to readers directly. Topics include self-healing and the principles of faith. Salvation is explored deeper in the last part of the book as the focus shifts to include reincarnation, which includes scripture and explanation. *The Soul's Destiny* explores spiritual growth and discovery through the perspective of someone who has experienced loss, struggle, and obstacles in her journey to understand faith, salvation, reincarnation, and purpose.

**Liz Konkel for Readers Favorite Book Review 2:** Author Thelma Jane has lovingly crafted a deeply personal account of her journey and her encounters with God's spiritual laws, which results in a deeply enriching experience that provides valuable insights into the complexities of Christian theology and spirituality. Jane's meticulous exploration of theological concepts, supported by a wealth of scriptures, offers a comprehensive perspective on challenging topics such as the nature of God, the fall of Adam, and the possibility of postmortem salvation. The organization of ideas is well done with accessibility to the work, no matter how familiar or unfamiliar you are with the Bible. I also appreciated Jane's balanced approach to reconciling differing perspectives within Christianity while remaining steadfast in her faith. Overall, *The Soul's Destiny* is a compelling and enlightening read that invites readers to engage deeply with fundamental questions of faith and spirituality. I would certainly recommend it to spiritual readers everywhere seeking strength and reassurance.

**K C Finn for Readers Favorite Book Review 3:** Does God's justice and mercy demand extra time for some souls to come to spiritual maturity and a saving knowledge of the Lord Jesus Christ? According to Thelma Jane in *The*

Soul's Destiny Discoveries of an Ordinary Christian the answer is yes Thelma states that even though the Bible does not implicitly state there is reincarnation the omission does not preclude the possibility What do you know about a Christian form of reincarnation If you are like me you probably figured they are mutually exclusive however Thelma Jane tries to reach a balance between the two philosophies in The Soul's Destiny This book may be hard for traditional Christians to accept However this book is interesting and opens the door to an alternative interpretation of the Bible Read and ponder on it and decide for yourself what you believe Philip Van Heusen for Readers Favorite Book Review 4 Thelma Jane considers herself an ordinary Christian but her visions and observations are extraordinary Using scriptural studies and spiritual reflection she clears up common misconceptions discussing how she has led others to Christ through her testimonies or by simply asking them to a religious service Using true and fictional stories to anchor her points she relates how she believes we may help determine the spiritual fate of our ancestors The author has a conversational style that pulls you in making you feel you're receiving the information from a dear friend Thelma raises some thought provoking questions and she answers them by using her scriptural knowledge and visions The Soul's Destiny may change the way you interpret death and the possibility of reincarnation Courtnee Turner Hoyle for Readers Favorite Book Review 5 The Soul's Destiny is a well detailed book that covers various aspects of the spiritual Christian journey Thelma Jane does a great job of explaining the scriptures and gives helpful insights into her understanding I appreciate that she is honest about not knowing everything and does not seek to force her teachings on anyone Instead she encourages readers to seek their spiritual path and come to their own understanding This humble and open approach makes the book more relatable allowing readers to connect with the message on a personal level The book provides a platform for discussions on topics like horoscopes and reincarnation that may be considered unconventional within traditional Christian teachings which adds a layer of depth and thought for readers The book is well organized and written in a casual conversational tone making it easy to follow and understand The Soul's Destiny is an enriching read that offers valuable insights for those seeking a deeper connection with their faith and God Luwi
