Messages Miracles Visions And Dreams:

Tell Them I'm Ok Phil Schultz,Tina Schultz,2017-11-02 Many people have told us that we should write a book specifically speaking of the miracles visions dreams and messages God has given us personally and through our friends and family following our youngest daughter Christy s tragic auto accident and death at the age of 20 Including a visit by our daughter Christy from heaven not to us but to a woman that walked away from her faith many years earlier But God chose to give her 3 dreams incredible dreams with details that she could have never known The dreams ended in a message for us from Christy a message that included an answer to a private prayer that I prayed on the night of her dreams We can now see that God s miracles began early in our lives but before going further we want to be emphatically clear the dreams visions messages miracles and Godly inspired events provided to us personally and for us through those that God has brought to us are assembled in this book for you to encourage you as you make your way through this life which is nothing less than a march through enemy territory To help you take heart and to give you strength as God s word says in JOS 1 05 No one will be able to stand against you all the days of your life As I was with Moses so I will be with you I will never leave you nor forsake you As you read you too will see that many of these occurrences are incredible Nothing less than God s hand in action can explain what we have seen with our own eyes and what has occurred

On Magic & Miracles Marian A. Jacobs,2025-07-01 From classic fantasy like The Lord of the Rings and The Chronicles of Narnia to modern stories like Harry Potter Christians have been debating the issue of fictional magic for decades Some believers read and write fantasy as an expression of their God given creativity while others feel this is dangerous and ignorant of the growing threat of the occult Deuteronomy 18 says spells and other forms of magic are an abomination but how does that apply to fantasy magic Is there a difference between the Deep Magic of Aslan at the Stone Table and the spells in Harry Potter Is it possible for fictional magic to lead someone into the occult Adults and children alike have wrestled with these questions as the fantasy genre exploded into one of the most popular book and film genres on the market In this guidebook Marian A Jacobs explores the theology of magic gleaned contextual clues surrounding supernatural events in the Bible These scriptural principles can assist readers movie lovers gamers and parents in discerning how fantasy can both edify and honor God On Magic and Miracles aims to answer the following questions What is the difference between magic and miracles in the Bible Is magic real And if so does it pose a genuine threat Could books like Harry Potter lead someone into the occult What is the importance of fantasy for Christians How can I discern fantasy books films and games for myself and my children
