The Messiah Code Bob Mitchell,2014-11-19 Did God encode the identity of the Messiah within the names and events recorded in the Old Testament Did he also bypass the understanding of the Old Testament authors and place the identity of the Messiah within the ancient Hebrew Pictographs in such a way that the message could only be accomplished by a Divine hand This book reveals God as the author of the Old Testament with stunning evidence that only the most die hard sceptic will deny

The Messiah Code Michael Cordy,2004-10-26 At the moment of his supreme triumph a man of science dodges an assassin s bullet and loses everything that truly matters in his life Now only a miracle can save Dr Tom Carter s dying daughter the blood of salvation shed twenty centuries ago In the volatile heart of the Middle East amid the devastating secrets of an ancient brotherhood awaiting a new messiah Tom Carter must search for answers to the mysteries that have challenged humankind since the death and resurrection of the greatest Healer who ever walked the Earth Because suddenly Carter s life the life of his little girl and the fate of the world hang in the balance After two thousand years the wait is over

Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshellsets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical expertsResponds directly and accurately to Bible code critics

The Name** George L. Gonzalez, 2021-03-11

Welcome to HaShem The Name a book of ancient discovery Have you ever wondered why God is referred to as God or Lord Or wondered if God has a name a personal name How did our savior Messiah come to have the name known worldwide in assemblies today As children we accept the traditions of our parents and even pass them down to our own children but what is the truth of our savior s name As adults we need to investigate with a fervent heart if we truly want to please our creator In this book the investigation has been completed for you HaShem The Name outlines the model of Moshe Moses who received the first revelation of the name of the Hebrew God He then revealed it to the Israelites who were in bondage in Egypt as well as Pharaoh their captor This name is not to be forgotten but remembered spoken prayed to and worshiped Moshe brought the Israelites to Mount Sinai where our Creator further revealed himself and his instructions written by his own finger on tablets of stone today known as the Ten Commandments Our Creator is holy and looks for holy people to follow his direction Within this book our Savior is introduced who echoes the same path and further clarifies our Creator's instructions with better promises and also happens to be the Jewish Redeemer Today society has wandered and strayed from the Creator This book will bring emphasis concerning the basic tenets of the biblical faith of our forefathers Enemies of the faith tear down these laws from buildings Our Creator's master plan is to place his laws upon our hearts written in like manner by the Spirit of the Most High never to be erased by man **Communion in the Messiah** Lev Gillet, 2013-12-20 There are two main themes in Gillet's challenging book substitution of a dialogue for the one sided mission to the Jews and communion of Jews and Christians in the one Messiah Without compromising the Christian position Gillet shows how much Christians have to learn from Jews before they can hope to communicate their own faith that Jesus is the Christ After a historical analysis of the intellectual relations between Christianity and Judaism Gillet eruditely draws out the common element challenging and correcting misconceptions about Rabbinism and Jewish life and teaching generally which overlook the two millennia of Jewish thought between the Old Testament and modern times He shows how close is this connection and how deeply spiritual is much of Jewish theology There is he claims nothing in Jewish belief that a Jew become Christian ought to reject while Christianity is the completion and fulfilment of Judaism Jesus: God, Man or Party Label? The Dead Sea Scroll's Messiah Code Chris Albert Wells, 2012-03-05 Intrique Politics Lies Power struggle Sound like a thriller It s the Bible In Jesus God Man or Party Label Chris Albert Wells argues that the interpretation of the Gospels we have been taught as Truth ignores a bitter battle of intra community conflicts and strategies To discover the nature of the initial split Wells encourages us to give a new look at the Essene Dead Sea Scroll Messiahs and then to Northern Syria where the first Gospels were written in a community called Essene before being called Christian The reader will discover here the background that ultimately produced the Gospels and what they really meant to those who wrote them Within this community context Jesus will be just as alien to established Church traditions as to modern historical portrayals or mythical castings forwarded by scholarly textual criticism Wells challenges us to question everything we have been told and to understand the story of Jesus
