Messianic Ethics Jesus Proclamation Of The Kingdom Of God And The Church In Response:

Messianic Ethics Ben Wiebe, 1992 Ben Wiebe analyzes the century long quest for the relation between the kingdom of God and Jesus ethics Wiebe shows Jesus to be the messianic leader who proclaims the advent of the kingdom calls disciples eats with sinners and forgives them heals the sick and anticipates a destiny of suffering and death *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg's award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **Jesus and the Gospels, Third Edition** Craig L.

Blomberg, 2009 This second edition of *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association and this updated version factoring in new scholarship debate critical methods and the ongoing quest of the historical Jesus ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament A New Vision for Israel Scot

McKnight, 1999 The most important development in historical Jesus studies is the recent attempt to understand the ministry of Jesus in political terms In calling the nation of Israel to repentance Jesus served as a national prophet concerned with the salvation of Israel This excellent study by Scot McKnight furthers this line of inquiry by showing how Jesus teachings are to be understood in relation to his role as a political figure McKnight looks closely at Jesus teachings on God the Kingdom and ethics demonstrating in each case how Jesus mission to restore Israel brings these teachings into a bold new light Book

Promises Allan J. McNicol, 2017-12-28 Using a thorough integrated biblical theology to make sense of the master story of

Scripture Allan J McNicol explores the nature and importance of the Bible's abiding narrative of the persistence of God's promises to his people and their hope of final triumph. Special attention is given to the often contentious claim that these early followers of Jesus presumed that they stood in full continuity with Israel, the historic people of God, and were claiming that many of God's promises were coming to fulfilment among them. McNicol presents a closer analysis of the texts as he shows how the theme of the people of God fits into the wider literary productions of these major New Testament writers.

The Word Became Flesh David Graham Griffin, 2016-05-16. Is following Jesus natural? Many would say no, but this book argues yes. Saying no suggests that grace and human nature are alternate moral categories. Saying yes implies that our humanity is gracious in origin, capacity, and intent. Much of this discussion hangs on what is meant by nature and natural, and this book explores these ideas creationally and christologically. Part One considers natural law as commonly found in the classical Christian tradition. Part Two explores the radical christological tradition of Anabaptism. Part Three then proposes the two-nature christology of the Chalcedonian definition as a theological resource enabling their reconciliation. The Chalcedonianism of the modern Barth and the ancient Maximus the Confessor are appropriated along with scientific theology of T. F. Torrance and Nancey Murphy. If Chalcedon correctly affirms Jesus's humanity as being homoousios, one nature with our humanity created like Adam's through the eternal Spirit, then Jesus's life was natural proper to its created intent. And as his divine nature was homoousios with the Father's nature, he is the human expression of the divine Word, which gives creation its contingent moral rationality. As such, the life of Jesus, Anabaptists concern, is morally normative for all humanity; natural law's concern.

Jesus and Christian Origins Ben Wiebe, 2019-02-26. There has been a varied range of studies on Jesus. Though now it seems there is a pause and perhaps opening to new orientation with the aim not simply to cover old ground or repeat past mistakes. This is a study of Jesus and Christian origins with a primary focus on the Gospels. There have been comprehensive and important contributions like N. T. Wright's *The New Testament and the People of God*. At the same time, more defined studies have appeared. The purpose here is not to develop particular New Testament themes as such. Rather, in this volume, the writers take up Gospel-related topics in the context of the early church in order to illuminate specific baselines for New Testament interpretation and to discern directions toward a new paradigm. There is much to do. The need to take account of reception history and so of the external evidence for the New Testament documents, also eyewitness and oral tradition as embodied in the Gospel accounts. The genre of the Gospels with reference to biography or history has its own importance. The reception and authority of the Gospels in the early church marks another baseline. Jesus in his Jewish context and in relation to emerging Christianity is also a critical baseline for interpretation.

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16. The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades, particularly within Pentecostal scholarship. Pentecostalism is regarded ideally as both an eschatological and egalitarian movement. However, many Pentecostals have lamented the inconsistency between the early

egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

The Church as Polis Arne Rasmusson, 2025-02-15 Political theology is one of the most influential theological movements of the latter part of the twentieth century and yet as Arne Rasmusson argues here the field suffers from deep inherent tensions in its attempt to mediate the Christian tradition and the modern emancipatory tradition Rasmusson contributes to political theology through an innovative discussion of the relationship between church and society and an exposition of the thought and work of political theology s influential representative Jürgen Moltmann Rasmusson further refines his argument by filtering Moltmann s theology through an exploration of Stanley Hauerwas s theological positions

Disavowing Constantine Nigel G. Wright, 2007-01-01 Disavowing Constantine draws upon the work of two highly influential modern theologians Jürgen Moltmann and John Howard Yoder to develop an independent and constructive understanding of the relation of the church to the state Its aim is to restate for modern understanding the insights of the Believers Church tradition and to work out their implications for Christian participation in the civil order In this complex realm positive insights are located in traditions usually regarded as incompatible but the thesis of the book concerns disavowing Constantine renouncing the reliance of the church upon coercive power to further its mission in order to rediscover how a faithful church might nonetheless participate as a witness within the power structures of human society

The Christian Torah C. V. White, 2015-09-21 Matthew 4 17 Repent for the kingdom of heaven is at hand The fact that the kingdom has come indicates that there is a KING and His kingdom We know of the KING but what do we know of His kingdom What does

the KING expect What are the rules of the kingdom How do we identify the subjects of the kingdom The answers to these questions and many more are found in this book Isn't it time you found out the rules of the kingdom where you reside

Beyond 400 David J. Cohen, Michael Parsons, 2011-01-01 Baptists worldwide recently celebrated 400 years of history and witness This volume is a collection of papers presented at the Beyond 400 conference held in Perth Western Australia as part of these celebrations Contributors have written from a broad range of perspectives reflecting biblically and theologically on the thinking and practice of Baptists in the past and present These reflections form a basis for exploring how Baptists can function more effectively in our contemporary world situation and imagine themselves in the future Chapters range from providing historical perspectives to biblical and theological reflections on issues that have been critical to Baptist belief and ministry They examine the core values that historically have distinguished Baptists within the broader context of the church and explore how these values might both underpin and play out in Baptist churches today Contributions reflect a firm belief among both the presenters and attendees at the Beyond 400 conference that Baptists not only have a future but also offer a necessary voice to our world This voice is firmly based on the issues that first precipitated the Baptist movement some 400 years ago and the continuing relevance of these issues as they are reimagined for our contemporary situation **Covenant**

of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace *Luke*

Mary H. Schertz, 2023-06-27 *Luke* is a gospel of joy amazement and warmth From the jubilant birth narrative and Magnificat at the beginning to the wonder of the ascension at the end Luke offers a matchless portrait of Jesus Christ of Nazareth and those who followed him In the 36th volume in the Believers Church Bible Commentary series New Testament scholar Mary H Schertz helps readers inhabit the pages of the third gospel replete with parables and paradoxes and ministries of mercy In vibrant writing and with careful exegesis Schertz invites readers to investigate for themselves the surprise light and awe of the kingdom of God in which people find healing the marginalized find welcome and the poor find flourishing Schertz traces the motifs of holy warrior and suffering servant that confronted every first century Jew including Jesus and that still shape the church today Through it all Luke demonstrates both the cost of the kingdom and the exuberance of a life lived in loyalty to Jesus and the strength of the Spirit About the Believers Church Bible Commentary series This readable commentary series
