## **Messianic Judaism A Rabbis Journey Through Religious Change In America:**

Messianic Judaism Carol Harris-Shapiro,1998-12-31 Establishment of independent Messianic Jewish communities she recounts their upbringing everyday life of the community and the struggle for legitimacy in the eyes of Christians and Jews alike

Introduction to Messianic Judaism Zondervan,2013-02-05 This book is the go to source for introductory information on Messianic Judaism Editors David Rudolph and Joel Willits have assembled a thorough examination of the ecclesial context and biblical foundations of the diverse Messianic Jewish movement Unique among similar works in its Jew Gentile partnership this book brings together a team of respected Messianic Jewish and Gentile Christian scholars including Mark Kinzer Richard Bauckham Markus Bockmuehl Craig Keener Darrell Bock Scott Hafemann Daniel Harrington R Kendall Soulen Douglas Harink and others Opening essays written by Messianic Jewish scholars and synagogue leaders provide a window into the on the ground reality of the Messianic Jewish community and reveal the challenges questions and issues with which Messianic Jews grapple The following predominantly Gentile Christian discussion explores a number of biblical and theological issues that inform our understanding of the Messianic Jewish ecclesial context Here is a balanced and accessible introduction to the diverse Messianic Jewish movement that both Gentile Christian and Messianic Jewish readers will find informative and fascinating

*Introduction to New and Alternative Religions in America* William M. Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores

the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshipping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

Authentically Jewish Stuart Z. Charmé, 2022-08-12 This book analyzes the different conceptions of authenticity that are behind conflicts over who and what should be recognized as authentically Jewish Although the concept of authenticity has been around for several centuries it became a central focus for Jews since existentialist Jean Paul Sartre raised the question in the 1940s Building on the work of Sartre later Jewish thinkers philosophers anthropologists and cultural theorists the book offers a model of Jewish authenticity that seeks to balance history and tradition creative freedom and innovation and the importance of recognition among different groups within an increasingly multicultural Jewish community Author Stuart Z Charm explores how debates over authenticity and struggles for recognition are a key to understanding a wide range of controversies between Orthodox and liberal Jews Zionist and diaspora Jews white Jews and Jews of color as well as the status of intermarried and messianic Jews and the impact of Jewish genetics In addition it discusses how and when various cultural practices and traditions such as klezmer music Israeli folk dance Jewish yoga and meditation and others are recognized as authentically Jewish or not

**The Nun in the Synagogue** Emma O'Donnell Polyakov, 2020-09-11 The Nun in the Synagogue documents the religious and cultural phenomenon of Judeocentric Catholicism that arose in the wake of the Holocaust fueled by survivors who converted to Catholicism and immigrated to Israel as well as by Catholics determined to address the anti Judaism inherent in the Church Through an ethnographic study of selected nuns and monks Emma O'Donnell Polyakov explores how this Judeocentric Catholic phenomenon began and continues to take shape in Israel This book is a case study in Catholic perceptions of Jews Judaism and the state of Israel during a time of rapidly changing theological and cultural contexts In it Polyakov listens to and analyzes the stories of individuals living on the border between Christian and Jewish identity including Jewish converts to Catholicism who continue to harbor a strong sense of Jewish identity and philosemitic Catholics who attend synagogue services every Shabbat Polyakov traces the societal theological and personal influences that have given rise to this phenomenon and presents a balanced analysis that addresses the hermeneutical

problems of interpreting Jews through Christian frameworks Ultimately she argues that despite its problems this movement signals a pluralistic evolution of Catholic understandings of Judaism and may prove to be a harbinger of future directions in Jewish Christian relations Highly original and methodologically sophisticated The Nun in the Synagogue is a captivating exploration of biographical narratives and reflections on faith conversion Holocaust trauma Zionism and religious identity that lays the groundwork for future research in the field **Awakening the One New Man** Robert F. Wolff, 2011-06-21

Normally discussions about One New Man focus on Jew and Gentile needing to reconcile Usually this conversation breaks down over the place of Israel in the Kingdom and end times People rarely think much less act on the purpose behind the Lord calling us to be the One New Man The fundamental issue of identity has been overlooked When people recognize that their true identity is their Messiah they will be drawn into a closer relationship with God They have been born into a time where biblical prophecy is confirming that the unity between Jew and Gentile is ushering in a new season of outpouring of the Holy Spirit and the Lord is calling them to join in There is a call in this season as confirmed in Ephesians 2 and 3 for Jew and Gentile to come together as One New Man and to walk as joint heirs in the commonwealth of Israel When Jew and Gentile come together as One the Lord has stored up a release of blessing and power that will forever change humanity's destiny

**Why the Jews Rejected Jesus** David Klinghoffer, 2007-12-18 Why did the Jews reject Jesus Was he really the son of God Were the Jews culpable in his death These ancient questions have been debated for almost two thousand years most recently with the release of Mel Gibson's explosive The Passion of the Christ The controversy was never merely academic The legal status and security of Jews often their very lives depended on the answer In WHY THE JEWS REJECTED JESUS David Klinghoffer reveals that the Jews since ancient times accepted not only the historical existence of Jesus but the role of certain Jews in bringing about his crucifixion and death But he also argues that they had every reason to be skeptical of claims for his divinity For one thing Palestine under Roman occupation had numerous charismatic would be messiahs so Jesus would not have been unique nor was his following the largest of its kind For another the biblical prophecies about the coming of the Messiah were never fulfilled by Jesus including an ingathering of exiles the rise of a Davidic king who would defeat Israel's enemies the building of a new Temple and recognition of God by the gentiles Above all the Jews understood their biblically commanded way of life from which Jesus's followers sought to free them as precious immutable and eternal Jews have long been blamed for Jesus's death and stigmatized for rejecting him But Jesus lived and died a relatively obscure figure at the margins of Jewish society Indeed it is difficult to argue that the Jews of his day rejected Jesus at all since most Jews had never heard of him The figure they really rejected often violently was Paul who convinced the Jerusalem church led by Jesus's brother to jettison the observance of Jewish law Paul thus founded a new religion If not for him Christianity would likely have remained a Jewish movement and the course of history itself would have been changed Had the Jews accepted Jesus Klinghoffer speculates Christianity would not have conquered Europe and there would be no Western civilization as we know

it WHY THE JEWS REJECTED JESUS tells the story of this long acrimonious and occasionally deadly debate between Christians and Jews It is thoroughly engaging lucidly written and in many ways highly original Though written from a Jewish point of view it is also profoundly respectful of Christian sensibilities Coming at a time when Christians and Jews are in some ways moving closer than ever before this thoughtful and provocative book represents a genuine effort to heal the ancient rift between these two great faith traditions *Judaizing Christianity and Christian Zionism in Northern Ireland* Véronique Altglas,2025-04-22 This book explores the contemporary Judaization of evangelical Christianity through the ethnography of a Messianic congregation in Northern Ireland A constellation of Messianic congregations have expanded worldwide over recent years combining Jewish liturgy symbols and artifacts with prophecies about the End Times and the return of Jesus Increasingly recognized as a legitimate subdivision within evangelicalism the Messianic movement has facilitated a popularization of Jewish practices and symbolism beyond its own congregations The author considers What insights do these congregations offer about the deregulation of religions Is there any logic to the combinations of Christian and Jewish sources in Messianic beliefs and practices How can we understand this fascination with Jews and Judaism Finally what is the political significance of Messianic relationship with Jewish people the state of Israel and Christian Zionism The book will be of particular interest to scholars of the sociology and anthropology of religion religion and politics and Jewish Christian relations *Jewish Rhetorics* Michael Bernard-Donals,Janice W. Fernheimer,2014-12-02 This volume the first of its kind establishes and clarifies the significance of Jewish rhetorics as its own field and as a field within rhetoric studies Diverse essays illuminate and complicate the editors definition of a Jewish rhetorical stance as allowing speakers to maintain a resolute sense of engagement with their fellows and their community while also remaining aware of the dislocation from the members of those communities Topics include the historical and theoretical foundations of Jewish rhetorics cultural variants and modes of cultural expression and intersections with Greco Roman Christian Islamic and contemporary rhetorical theory and practice In addition the contributors examine gender and Yiddish and evaluate the actual and potential effect of Jewish rhetorics on contemporary scholarship and on the ways we understand and teach language and writing The contributors include some of the world s leading scholars of rhetoric writing and Jewish studies *A Profile of Jewish Believers in the UK Church* Jonathan Allen,2018-03-02 Given that mission agencies have been reporting for the last two hundred years or more the number of Jewish people coming to faith in Christ this book asks the question where are they and their descendants now Using a multidisciplinary approach covering social identity theory social memory theory and translation theory this book constructs a profile of Jewish believers in the UK church based upon interviews carried out with church members and leaders who are Jewish or have experience working with Jewish believers After examining both theory and data the conclusion is that church is a hostile environment for Jewish identity Unlike Chinese Ghanaian and Korean churches whose members are encouraged to retain their traditions as diaspora communities reaching out to their own people the church has a strongly

assimilationist policy toward Jewish believers who are encouraged even pressured to forget their Jewish traditions customs and practices in favor of blending into Gentile church and disappearing Jewish believers are at best an oxymoron at worst an anathema not to be trusted or tolerated unless as in the days of the early church from the third century onwards they renounce their previous lives families and communities

**A Liminal Space** Ernest Rubinstein, 2021-09-24 This book takes one step further the long standing debate among scholars of religious antiquity over when and why a parting of the ways happened between Judaism and Christianity in the early centuries of the Common Era It explores three interrelated questions what might have happened to prevent that split how might Western religion have looked had the split not occurred and how might features of that religion which never existed nonetheless manifest in some of the literature and artworks of the past half millennium The book envisions a religion that stands between historical Judaism and Christianity a counterfactual construction that challenges Jews and Christians to rethink their actual identities today

**The Road to God** Steven S. Hendin, 2003-06

**Acts: An Exegetical Commentary : Volume 3** Craig S. Keener, 2014-09-30 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the third of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries

*Jewish Scholarship on the Resurrection of Jesus* David Mishkin, 2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship

*Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an

academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

**Acts: An Exegetical Commentary : Volume 4** Craig S. Keener,2015-10-06 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary ever written Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the last of four Keener finishes his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries The complete four volume set is available at a special price

**Becoming Jewish, Believing in Jesus** Manoela Carpenedo,2021-04-16 This book is the first in depth ethnography to investigate why some Charismatic Evangelical groups are gradually embracing Orthodox Jewish rituals and lifestyles while still preserving Christian symbols and practices Drawing upon extensive fieldwork in Brazil the book theorizes the reasons behind this emerging Judaizing trend in World Christianity The book also considers broader questions regarding contemporary women s attraction to gender traditional religions

**The Rabbi as a Surrogate Priest** Stuart Dauermann,2009-05-01 There are many aspects to this task of rabbinic training but four closely related questions rise to the surface as requiring primary attention The first is a question of description What ought to be the functions performed by a messianic Jewish rabbi The second is a question of legitimacy What similarities exist between the functions performed by messianic Jewish rabbis and rabbis in the wider Jewish context such that the rabbinate in both contexts may legitimately be seen to be variations on the same theme and the messianic Jewish rabbinate therefore legitimately a rabbinate The third is a question of differentiation How and why are the functions performed by a messianic Jewish rabbi contextually particularistic and therefore different from those performed by Christian clergy In other words how is a messianic rabbi more than just a Protestant Pastor with switched labels The fourth is a question of biblicity Is there biblical justification or precedent for the proposed paradigm of the rabbi as a surrogate priest Each of these questions emerges from messianic Judaism s interaction with different but overlapping audiences The question of description is addressed primarily to the messianic Jewish context The question of legitimacy is addressed primarily to the

wider Jewish world The question of differentiation is addressed primarily to the church world The question of biblicity is addressed both to the messianic Jewish context and the church world And in all cases looking over our shoulder is the general public from the Prologue

**Acts: An Exegetical Commentary : Volume 2** Craig S. Keener, 2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the second of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries

**Comprehending Mission: The Questions, Methods, Themes, Problems, and Prospects of Missiology** Stanley H. Skreslet (II.), 2012 Stanley H Skreslet offers an inviting new proposal for conceptualizing the field of missiology Comprehending Mission includes a concise overview of the development of missiology of the last century introducing its characteristic methodologies and offering insight into the kinds of questions missiologists typically ask In the last hundred years missiology has moved from emphasizing the practical challenges of foreign mission service to highlighting the intercultural aspects of Christian outreach Today missiology is less a form of practical theology than a field of study where theological concerns intersect with critical studies undertaken by anthropologists historians and other scholars
