

## 中文体育类核心期刊元分析的选题和方法学问题

徐 恺, 殷明旭, 王 然\*

(上海体育大学 竞技运动学院, 上海 200438)

**摘 要:**目的:探讨中文体育类核心期刊中元分析的选题和方法学问题,进行评价和举例分析,提出相应建议。方法:以中国知网数据库中16本中文体育类核心期刊发表的元分析研究为对象,依据Cochrane手册和经典元分析文献探讨体育科学领域元分析存在的选题问题,并评估所选元分析研究的方法学问题。方法学问题的主要评估指标为:(1)是否存在异常值(效应量 $>3$ );(2)是否将标准误换算成标准差;(3)是否忽略了研究内的相关性;(4)是否忽略了研究内的方差;(5)是否关注研究内而非研究间;(6)报告多个效应量的研究是否仅提取某一个效应量。结果:在选题方面,71.1%的中文元分析的研究主题与既有英文元分析相似,其中27.3%的中文元分析题目名称与英文元分析几乎相同。在方法学方面,82.2%的元分析至少存在1个方法学问题,这些问题可能导致43.8%的元分析结果发生变化。结论:元分析应以解决具有实际意义的研究问题为出发点。在进行元分析时,研究者应仔细检查原始数据的报告形式,并采用多种效应模型、分析方法、合并策略、元分析软件及展示方式,通过团队合作确保元分析结果的稳定性。更重要的是,需在方法部分详细介绍和解释分析过程,以提高研究的透明度和可重复性。

**关键词:**元分析;选题;方法学;效应量;体育

**中图分类号:**G812.6

**文献标识码:**A

1952年,心理学家Hans Jürgen Eysenck发表的一篇论文质疑心理治疗的效果,认为患者在治疗期间的病情改善主要源于自身原因,与治疗方法关系不大,甚至暗示心理治疗可能妨碍患者康复。此观点对心理治疗的信誉造成重大打击。直至1977年,Smith等(1977)开发了元分析技术,综合分析了375项心理治疗研究,涵盖超过4 000名参与者,通过整合跨研究的标准化均数差(standardized mean difference, SMD),最终得出综合效应量达到了0.68。他们根据量化结果有力证明了心理治疗的益处,并有效反驳了Eysenck的观点。因此,元分析是一种解决学术争论的有效统计方法。

在体育科学领域,时间与资源的限制可能导致实验研究存在偏差,如小样本量引起的结果不精确和统计效力不足(张连成等, 2023)。彭凡等(2023)研究认为,约46%的体育科学实验研究样本量不足,结果易受到I型和II型统计错误及抽样误差的影响,依赖于偶然发现的效应,且置信区间较宽。元分析通过整合相似实验研究,不仅增强了统计效力,还能提供更精确的效应量估计和较窄的置信区间(李国春等, 2013; Harrer et al., 2021)。此外,众多实验研究可能得出不一致的结论,体育科研人员和从业者很难从中快速获取有效信息(Higgins et al.,

2019)。作为推动体育科学研究的重要方法,元分析通过明确的排除和纳入标准,最大限度地控制偏见风险,对异质性来源和影响因素进行分析,为理论和实践提供客观、公正的总结与建议(罗杰等, 2013; Higgins et al., 2019)。

然而,元分析的实际意义高度依赖于研究问题的选择以及方法学的严谨性。在查阅体育科学领域元分析研究时发现,部分研究在选题上存在缺陷,如对特定研究主题的重复探讨而未更新结论,过度依赖国外高被引元分析文章的选题,以及选题的2个衍生问题,即原始研究纳入不全或题目不精确,忽视原始研究的质量和数量。元分析的结果受原始研究的质量和数量影响。在元分析重复探讨特定的研究主题时,如果纳入完全相同或相似的原始研究,通常只会得到几乎相同的研究结论。这对研究领域的发展不会起到显著作用,反而会造成研究资源的浪费(Higgins et al., 2019)。此外,Kadlec等(2023)评估体能训练领域被引量排名前20的元分析时发现诸多方

# Methodological Issues In Chinese Studies

**Peter Kien-hong YU**

## **Methodological Issues In Chinese Studies:**

**Methodological Issues in Chinese Studies** Amy Auerbacher Wilson, Sidney L. Greenblatt, Richard W. Wilson, 1983

**Reinventing the Methodology of Studying Contemporary China** Peter Kien-hong YU, 2017-07-03 This book illustrates how the one dot theory which is a dialectical study is well suited to describing explaining and inferring contemporary China's past present and future It argues that since October 1949 the field of contemporary China studies has been dominated by modified and abandoned non dialectical theories and models It also challenges selected non dialectical theories and models which were first generated in the West such as the game theory and rational choice theory With its emphasis on methodology the book offers a valuable resource for academics researchers and practitioners alike with an interest in logically systematically and coherently unraveling Taiwan's and mainland China's contemporary politics and international relations , Western Perspectives on Chinese Higher Education Xiuwu R. Liu, 1996 This book argues that constructivism and realism two prominent theories of scholarly inquiry in a variety of fields both have their strengths and weaknesses as descriptive models of how research is conducted and written up and as normative models for improving inquiry *Researching China in Southeast Asia* Ngeow Chow-Bing, 2019-03-26 This book maps out the state of China Studies in seven Southeast Asian countries from different perspectives It looks at the history current status and characteristics of the study of China in Indonesia the Philippines Thailand Vietnam Malaysia Singapore and Myanmar and what factors shaped the development and prospects of Sinology and Chinese Studies in these countries For the first time China experts from within and outside of this region using a wide range of biographical historical bibliographical and comparative methodologies tell the stories of how intellectuals and scholars in selected Southeast Asian countries understand study and research China Their studies are providing different perspectives and discourses on China Chapters discover and explore common factors such as the presence of sizeable ethnic Chinese communities historical and current interactions between China and Southeast Asia and the diverse intellectual influences in the region A novel insight into the study of China in Southeast Asia this book will be of interest to academics in the fields of China Southeast Asia relations the intellectual history of Southeast Asia the intellectual history of Chinese Studies in the world and the politics of Knowledge production **A Theory and History of Rural-urban Governance in China** Chao Ye, 2021-05-21 This book divides the history of China's rural urban relations into three stages antagonism integration and re antagonism and demonstrates that the two coupled variables i.e policy culture and coast trade are the most crucial to urbanization and rural urban governance in China from ancient times till now From the perspective of a combination of history and geography this book puts forward a new theory which is mainly based on Adam Smith's theory and other theories about rural urban relationship and reinterprets the process and driving forces of evolutionary history of rural urban relationship over 5 000 years in China It is useful for researchers and scholars specialized in such fields as rural and urban studies economics geography management and

planning for reference      An American Pioneer of Chinese Studies in Cross-Cultural Perspective Man Shun Yeung, 2021-10-05 Benjamin Bowen Carter 1771 1831 one of the first Americans to speak and read Chinese studied Chinese in Canton and advocated its use in diplomacy decades before America established a formal relationship with China Drawing on rediscovered manuscripts this book reconstructs Carter s multilingual learning experience reveals how he helped translate a diplomatic document into Chinese describes his interactions with European sinologists and traces his attempts to convince the US government and American academics of the practical and cultural value of Chinese studies The cross cultural perspective employed in this book emphasizes the reciprocal dynamics of Carter s relationships with Chinese and European others while Carter s story itself forces a rewriting of the earliest years of US China relations      **The Formation of Regional Religious Systems in Greater China** Jiang Wu, 2022-04-21 The rise of Spatial Humanities has spurred a digital revolution in the field of Chinese studies especially in the study of religion Based on years of data compilation and analysis of religious sites this book explores the formation of Regional Religious Systems RRS in Greater China in unprecedented scope and depth It addresses quantitatively the enduring historical and contemporary issues of China s deep rooted regionalism and spatially variegated cultural and religious landscape A range of topics are explored theoretical discussions of the concept of RRS case studies of regional and local religious institutions the formation of local cults and pilgrimage network and the spread of religious networks to overseas Chinese communities and the Bon religion in Tibet The book also considers long standing challenges of researching with spatial data for humanities and social science research such as data collection integration spatial analysis and map creation This book will be of interest to students and scholars in Religious Studies Cultural Studies Chinese Studies Digital Humanities Human Geography and Sociology      berliner china hefte ,      *The Nature of Chinese Politics: From Mao to Jiang* Jonathan Unger, 2016-09-16 This book describes and analyzes how politics among the Chinese leadership has operated and evolved from the period of Mao s court up to the present day Part I explores politics under Mao and Deng For this section the five leading western analysts of elite Chinese politics Lowell Dittmer Lucian Pye Frederick Teiwes Andrew Nathan and Tsou Tang have contributed major papers that measure the empirical evidence against political science theory recent Chinese history and Chinese political culture Part II explores and analyzes the ongoing changes in Chinese politics during Jiang s tenure and includes analyzes by almost all the leading English language scholars in the field      China And The Challenge Of The Future Carol Lee Hamrin, 2019-03-04 This book highlights information obtained from formal interviews and informal conversations with knowledgeable Chinese in 1985 1987 It reveals the growing participation in politics of social groups and related changes underway in the patterns of contemporary Chinese political thought and culture      Civilization and the Chinese Body Politic Yongnian Zheng, 2022-11-22 In this important and hugely ambitious book one of the world s leading political scientists working on China demonstrates how Western views of China are flawed because the long tradition of Western scholarship studying China views China from

the Western philosophical and intellectual perspective rather than viewing China on its own terms through the lens of China's own long established and reputable philosophical and intellectual tradition Providing a deep analysis of Western scholarship on China including work from Leibniz to Marx to Weber and then to Wittfogel and a thorough account of the evolution of China's own thinking about governance as expressed in the practices of successive Chinese dynasties the book goes on to examine how the current Chinese body politic fits with and is the natural outcome of China's own long well thought through and well practiced intellectual consideration of what the nature of civilized governance should be By focusing on philosophical and intellectual approaches rather than on theoretical or methodological ones the book shows how the huge and increasing disconnect between non Chinese views of China and Chinese ones has come about

**China's Economic Culture** Carsten Herrmann-Pillath,2016-10-04 China's spectacular rise challenges established economic moulds both at the national level with the concept of state capitalism and at the firm level with the notion of indigenous Chinese management practices However both Chinese and Western observers emphasise the transitional nature of the reforms thereby leaving open the question as to whether China's reform process is really a fast catch up process with ultimate convergence to global standards or something different This book by a leading economist and sinologist argues that culture is an exceptionally useful tool to help understand fully the current picture of the Chinese economy Drawing on a range of disciplines including social psychology cognitive sciences institutional economics and Chinese studies the book examines long run path dependencies and cultural legacies and shows how these contribute crucially to the current cultural construction of economic systems business organisations and patterns of embedding the economy into society and politics

*Financing China's Rural Enterprises* Dr Jun Li,Jun Li,2003-08-29 An analysis of the financing of China's rural enterprises over the past two decades Discusses key aspects of rural enterprise development in China including the role of state policy rural financial institutions and local government

**China Exchange News** ,1983

**Studies on a Global History of Music** Reinhard Strohm,2018-04-09 The idea of a global history of music may be traced back to the Enlightenment and today the question of a conceptual framework for a history of music that pays due attention to global relationships in music is often raised But how might a historical interpretation of those relationships proceed How should it position or justify itself What would Western music look like in an account of music history that aspires to be truly global The studies presented in this volume aim to promote post European historical thinking They are based on the idea that a global history of music cannot be one single hegemonic history They rather explore the paradigms and terminologies that might describe a history of many different voices The chapters address historical practices and interpretations of music in different parts of the world from Japan to Argentina and from Mexico to India Many of these narratives are about relations between these cultures and the Western tradition several also consider socio political and historical circumstances that have affected music in the various regions The book addresses aspects that Western musical historiography has tended to neglect even when looking at its own

culture performance dance nostalgia topicality enlightenment the relationships between traditional classical and pop musics and the regards cross between European Asian or Latin American interpretations of each other's musical traditions These studies have been derived from the Balzan Musicology Project Towards a Global History of Music 2013-2016 which was funded by the International Balzan Foundation through the award of the Balzan Prize in Musicology to the editor and designed by music historians and ethnomusicologists together A global history of music may never be written in its entirety but will rather be realised through interaction practice and discussion in all parts of the world **Debating Regime**

**Legitimacy in Contemporary China** Suisheng Zhao, 2018-10-11 This comprehensive volume is a three part study of whether the Chinese political system has maintained a significant degree of regime legitimacy in the context of rising domestic discontent in particular the popular protests against socio economic inequality and environment degradation Part I presents the scholarly debate on the theoretical refinement and empirical measurement of regime legitimacy in contemporary China Part II focuses on the challenges to regime legitimacy of the increasingly widespread popular protests and civil activism Part III examines the regime's responses to these challenges including coercive repression adaptation and economic performance This book finds that while repression can hardly stop popular protests and often backfires economic performance legitimacy is increasingly difficult to be maintained The only way out is the adaptation to the changing domestic and international environment The chapters in this collection were originally published in the Journal of Contemporary China

Political Science and Chinese Political Studies Sujian Guo, 2012-07-25 We have witnessed the substantial transformation of China studies particularly Chinese political studies in the past 30 years due to changes in China and its rising status in the world as well as changes in our ways of conducting research As area studies specialists we are no longer isolated from the larger disciplines of Political Science and International Relations IR but an integral part of them This book contains theoretically innovative contributions by distinguished political scientists from inside and outside China who together offer up to date overviews of the state of the field of Chinese political studies combines empirical and normative researches as well as theoretical exploration and case studies explore the relationship between Western political science scholarship and contemporary Chinese political studies examine the logic and methods of political science and their scholarly application and most recent developments in the study of Chinese politics and discuss the hotly contested and debated issues in Chinese political studies such as universality and particularity regularity and diversity scientification and indigenization main problems challenges opportunities and directions for the disciplinary and intellectual development of Chinese political studies in the context of rising China *Sinologism* Ming Dong Gu, 2013 Why for centuries have the West and the world continuously produced China knowledge that deviates from Chinese realities Why since the mid nineteenth century have Chinese intellectuals oscillated between commendation and condemnation of their own culture and between fetishization and demonization of all things Western And why have some of the world's wisest thinkers expressed opinions on Chinese culture

which are simply wrong In order to answer these questions this book explores the process of knowledge production about China and the Chinese civilization and in turn provides a critique of the ways in which this knowledge is formed Ming Dong Gu argues that the misperceptions and misinterpretations surrounding China and the Chinese civilisation do not simply come from misinformation biases prejudices or political interference but follow certain taken for granted principles that have evolved into a cultural unconscious Indeed Gu argues that the conflicting accounts in China West studies are the inevitable outcome of this cultural unconscious which constitutes the inner logic of a comprehensive knowledge system which he terms Sinologism This book explores Sinologism s origin development characteristics and inner logic and critiques its manifestations in the writings of Chinese Western and non Western thinkers and scholars including Montesquieu Herder Hegel Marx Weber Russell Pound Wang Guowei Guo Moruo Gu Jiegang Wen Yiduo and many others in diverse disciplines from arts and humanities to social sciences In doing so Gu demonstrates why the existing critical models are inadequate for Chinese materials and makes an attempt to construct an alternative theory to Orientalism and postcolonialism for China West studies and cross cultural studies Sinologism crosses over the subjects of history thought literature language art archaeology religion aesthetics and cultural theory and will appeal to students and scholars of East West studies with a particular focus on China as well as those interested in cultural theory more broadly

*Principles and Practice of Geriatric Psychiatry*  
Mohammed T. Abou-Saleh, Cornelius L. E. Katona, Anand Kumar, 2011-01-04 The renowned *Principles and Practice of Geriatric Psychiatry* now in its third edition addresses the social and biological concepts of geriatric mental health from an international perspective Featuring contributions by distinguished authors from around the world the book offers a distinctive angle on issues in this continually developing discipline *Principles and Practice of Geriatric Psychiatry* provides a comprehensive review of geriatric psychiatry spanning both psychiatric and non psychiatric disorders scientific advances in service development specific clinical dilemmas New chapters on genetics of aging somatoform disorders epidemiology of substance abuse somatoform disorders care of the dying patient Continuing the practice of earlier editions the major sections of the book address aging diagnosis and assessment and clinical conditions incorporating an engaging discussion on substance abuse and schizophrenic disorders Shorter sections include the presentation of mental illness in elderly people from different cultures one of the most popular sections in previous editions Learning and behavioural studies as well as models of geriatric psychiatry practice are covered extensively This book provides a detailed overview of the entire range of mental illness in old age presented within an accessible format *Principles and Practice of Geriatric Psychiatry* is an essential read for psychiatrists geriatricians neurologists and psychologists It is of particular use for instructors of general psychiatry programs and their residents

When people should go to the books stores, search foundation by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the ebook compilations in this website. It will extremely ease you to look guide **Methodological Issues In Chinese Studies** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you set sights on to download and install the Methodological Issues In Chinese Studies, it is categorically easy then, before currently we extend the colleague to purchase and create bargains to download and install Methodological Issues In Chinese Studies thus simple!

## Methodological Issues In Chinese Studies Introduction

In today's digital age, the availability of Methodological Issues In Chinese Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Methodological Issues In Chinese Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Methodological Issues In Chinese Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Methodological Issues In Chinese Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Methodological Issues In Chinese Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Methodological Issues In Chinese Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Methodological Issues In Chinese Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Methodological Issues In Chinese Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Methodological Issues In Chinese Studies books and manuals for download and embark on your journey of knowledge?

### **FAQs About Methodological Issues In Chinese Studies Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Methodological Issues In Chinese Studies is one of the best book in our library for free trial. We provide copy of Methodological Issues In Chinese Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Methodological Issues In Chinese Studies. Where to download Methodological Issues In Chinese Studies online for free? Are you looking for Methodological Issues In Chinese Studies PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and

many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Methodological Issues In Chinese Studies. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Methodological Issues In Chinese Studies are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Methodological Issues In Chinese Studies. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Methodological Issues In Chinese Studies To get started finding Methodological Issues In Chinese Studies, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Methodological Issues In Chinese Studies So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Methodological Issues In Chinese Studies. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Methodological Issues In Chinese Studies, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Methodological Issues In Chinese Studies is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Methodological Issues In Chinese Studies is universally compatible with any devices to read.
