Murder On The Lovers Bridge:

Murder on the Lovers' Bridge Ellen Godfrey, 1999-06 Janet Barkin and the Women s Rescue Company decide to protect Nita Monez from her harassing lover Paul Moro When Paul is shot the finger of suspicion is pointed at Janet **Murder on the Lover's Bridge** Godfrey, **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **The Death of a Constant Lover** Lev Raphael, 2000-05-22 Murder erupts in the cutthroat world of academia and Nick Hoffman wonders with his review coming up if it isn't more than his job that's on the line **Bridge's Strangest Hands** Andrew Ward, 2015-03-05 This collection of oddities shows how Contract Bridge has played its part in embezzlement murder suicide kidnapping imprisonment and battle The stories feature similar hands to those of bridge the complete misfit the two way slam and men against women while others like Thirteen Spades and The Raspberry Jam Conundrum are closer to fantasy Adaptations of the game such as Nullo Bridge and Egdirb are also included Every hand in this book is a winner Unless of course you were the player who was dealt thirteen hearts but bid diamonds by mistake

Unlocking the Love-Lock Ceri Houlbrook, 2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow From the introduction I was distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image

forgotten corners of southwest Ohio are haunted by the spirits of those who lived and died there Haunted Cincinnati and Southwest Ohio examines the ghostly history of more than 30 such locations It tells ghost stories and reports historic events from area theaters cemeteries museums parks roads railroad tracks and even a castle through narrative and photographs Perhaps the ghosts are history's way of remembering the past even those dark corners of the past that few would like to relive
