Northampton Poem Gary Metras,1990 *Life and Remains of John Clare, The "Northamptonshire Peasant Poet"* John Clare,2019-12-16 In *Life and Remains of John Clare The Northamptonshire Peasant Poet* readers are presented with a compelling blend of autobiography and critical reflection showcasing the life of one of England's most significant Romantic poets Clare's narrative is marked by its vivid imagery and deep connection to the rural landscapes of Northamptonshire revealing his profound appreciation for nature amidst the struggles of peasant life The book combines his personal experiences with a nuanced understanding of the social and political contexts of the time illustrating Clare's challenges as a working class artist in a rapidly industrializing society John Clare 1793-1864 emerged from a humble agricultural background which shaped his unique perspective on nature and humanity His intense love for the countryside and acute observations of rural life informed his poetry while his own battles with mental health and societal challenges added layers of complexity to his work Clare's correspondence with other literary figures of the time highlights his aspiration for recognition and understanding beyond his marginalized existence as a peasant This book is an essential read for those interested in English literature and the Romantic movement Clare's unique voice and his poignant reflections on nature and the human condition resonate powerfully today making this collection a vital resource for scholars students and anyone seeking to understand the intersection of art identity and environment **Northamptonshire Folk Tales** Kevan

Ideology in the Poetry of Sylvia Plath Ikram Hili, 2021-06-29 With its distinctive poetic forms and themes Sylvia Plath's poetry patently epitomizes her personal and artistic struggle as a woman writer to be part of a largely male dominated canon In *Ideology in the Poetry of Sylvia Plath: From Manuscript to Published Poem* Ikram Hili examines the difficulties that Plath encountered while drafting her poems as she wrestled with what to reveal to or conceal from the reading public a literary exertion that is even more visible when studying the poet's manuscripts of published and unpublished poems While examining the influence of ideology on Plath's poetics Hili traces different stages of the poet's literary journey as she moves from restriction repression and containment towards a liberating phase during which she carves out her own body of writing Detaching herself from the rigid crippling formalism of her earlier years Plath confronts her own indecisiveness as a poet cleans up her messy drafts and embarks on an aesthetic healing process The literary body that she aims to construct is no longer confined within the great writing tradition that she once perceived as predominantly male nor is it perfect It is a perfected body the

result of a process into which Plath's captivated readers have also entered *Selected Poems* John Clare, 2004-08-03 John Clare produced some of English poetry's most poignant and glorious lyrics Writing not as an observer of nature but from an intimate knowledge of the wheatfields hedgerows and ditches of his village in Northamptonshire he described animals insects trees rivers sunlight and clouds with sublime sensitivity But as enclosures and improvements came in the early nineteenth century dismembering the rural landscape his later poems became infused with a sense of disorientation and loss and scattered with threads of madness Clare's genius has been rediscovered by fellow poets in every generation since his death from Dylan Thomas to Ted Hughes to Seamus Heaney First time in Penguin Classics Landmark edition based on Clare's original manuscripts Includes introduction explanatory notes and glossary **The Works of the English Poets, from Chaucer to Cowper: Glover, Whitehead, Jago, Brooke, Scott, Mickle, Jenys**, 1810 **The Works of the English Poets, from Chaucer to Cowper:: Glover, Whitehead, Jago, Brooke, Scott, Mickle, Jenyns** Samuel Johnson, 1810

inspired him The first part of this study of Clare and community shows how Clare absorbed and responded to his reading of a selection of poets including Chatterton Bloomfield Gray and Keats revealing just how serious the process of self education was to his development The second part shows how he combined this reading with the oral folk culture he was steeped in to create an unrivalled poetic record of a rural culture during the period of enclosure and the painful transition to the modern world In his lifelong engagement with rural and literary life Clare understood the limitations as well as the strengths in communities the pleasures as well as the horrors of isolation **Spenser, and His Poetry** George Lillie Craik, 1845
