Northbound Poems Selected:

Northbound Leona Gom,1984 **Selected Poems** Theodore Russell Weiss,1995 This new selection of poems by one of America's most distinguished and original writers recovers work that is immensely contemporary and at the same time reaches back to the roots of his remarkable generation of poets. In highly wrought and passionately felt lines Weiss explores paradox, history and love. His distinctive idiosyncratic poems, noted for their syntactic compression, linguistic playfulness and characteristic linking of intimate experience and historic incident, are a major accomplishment. This volume is the definitive selection of his work. **Journal of Canadian Poetry**,1995 *Canada and the Idea of North* Sherrill E Grace,2002-04-15

Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature, art, music, drama, history, geography, politics and popular culture. From the Franklin Mystery to the comic book superheroine Nelvana, Glenn Gould's documentaries, the paintings of Lawren Harris and Molson beer ads, the idea of the north has been central to the Canadian imagination. Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity. In a penultimate chapter, *The North Writes Back*, Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists, artists and scholars. With the recent creation of Nunavut, increasing concern about northern ecosystems and social challenges, and renewed attention to Canada's role as a circumpolar nation, *Canada and the Idea of North* shows that nordicity still plays an urgent and central role in Canada at the start of the twenty-first century. **Selected Poems** Kendrick Smithyman,2013-11-01 Described as the sly old fox of New Zealand verse, Kendrick Smithyman is a major New Zealand poet. In *Selected Poems*, his passionate commitment to the craft of language and to a sense of place stamp the 100 poems selected by Peter Simpson. Thick with wry wit, unexpected imagery and astonishing fluency, *Selected Poems* demonstrates Kendrick Smithyman's skill and achievement. *Selected Poems* A. Poulin (Jr.),2001 *Selected Poems* includes ample offerings from A. Poulin Jr.'s eight books, now out of print. Known for his imagination and deft intelligence, Poulin's poems balance philosophical inquiry with emotional intensity, calling us to a spiritual awakening beyond that of traditional religion. Edited by Michael Waters with a preface by prize-winning poet Gerald Stern, the release of the book coincides with the 25th anniversary of BOA Editions, founded by Poulin in 1976. Poet, translator and publisher, A. Poulin Jr. was the contributing editor of *Contemporary American Poetry*, published by Houghton Mifflin. The founder of BOA Editions, Poulin died in 1996. *Selected Poems* Louis Johnson,2000 Louis Johnson, 1924-1988, published many volumes of verse over 45 years. This selection comes from all phases of his career, with reprints of many difficult-to-obtain works. Includes a biographical introduction and many of Johnson's own comments on the origins and inspirations of his poems. Terry Sturm is Professor of English at the University of Auckland, a friend and colleague of Johnson. *Cascade Experiment: Selected Poems* Alice Fulton,2010-02-15 Highlights from each of Alice Fulton's groundbreaking prize-winning poetry books. Over the past twenty

years Alice Fulton has emerged as one of the most brilliant and honored poets of her generation She is also among the most thrillingly inventive compassionate and necessary Cascade Experiment charts the evolution of a poetics that revises the limits of language emotion and thought
