**Northern Kentucky Area Planning
Commission, James E. Price**

Northern Kentucky:

The Encyclopedia of Northern Kentucky Paul A. Tenkotte, James C. Claypool, 2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people places history and rich heritage of the Northern Kentucky region The encyclopedia defines an overlooked region of more than 450 000 residents and celebrates its contributions to agriculture art architecture commerce education entertainment literature medicine military science and sports Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville Northern Kentucky is made up of eleven counties along the Ohio River Boone Bracken Campbell Carroll Gallatin Grant Kenton Mason Owen Pendleton and Robertson With more than 2 000 entries 170 images and 13 maps this encyclopedia will help readers appreciate the region s unique history and culture as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation Describes the Golden Triangle of Kentucky an economically prosperous area with high employment investment and job creation rates Contains entries on institutions of higher learning including Northern Kentucky University Thomas More College and three community and technical colleges Details the historic cities of Covington Newport Bellevue Dayton and Ludlow and their renaissance along the shore of the Ohio River Illustrates the importance of the Cincinnati Northern Kentucky International Airport as well as major corporations such as Ashland Fidelity Investments Omnicare Toyota North America and United States Playing Card [Cincinnati/Northern Kentucky International Airport, Section 303c Evaluation](#) ,2001 [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1986](#) ,1988 [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) ,2003 **Publication** ,1991 [Northern Kentucky's Future](#) Northern Kentucky Area Planning Commission,1972

Northern Kentucky Eric R. Jackson,2005 Along the picturesque southern banks of the Ohio River the African American communities of Boone Campbell and Kenton Counties have provided laborers and entrepreneurs to aid in the economic growth of the region from the earliest settlements to today Despite numerous obstacles and against seemingly insurmountable odds African Americans in Northern Kentucky made significant contributions in many fields ranging from music medicine and literature to performing arts poetry education and athletics **Kentucky Government, Politics, and Public Policy** James C. Clinger, Michael W. Hail, 2013-10-08 The cornerstone of the American republic is an educated active and engaged citizenry however the multifaceted inner workings of government and the political forces that shape it are incredibly complex Kentucky Government Politics and Public Policy is the first book in nearly three decades to provide a comprehensive overview of the commonwealth s major governing and political institutions and the public policy issues that profoundly affect Kentuckians daily lives In this groundbreaking volume editors James C Clinger and Michael W Hail have assembled respected scholars from across the state to inform citizens about their governing institutions the consequences of their policy choices and the intricacies of the political process They provide clear and authoritative information on Kentucky s

government and explain significant trends and patterns exploring the legacy of the state's political history and illuminating the contributions of influential Kentucky politicians such as Henry Clay Abraham Lincoln and Jefferson Davis The contributors also address essential topics such as the structure and function of the three branches of government the constitution and federalism and intergovernmental relations as well as administration budgeting and finance They analyze key issues in education policy economic and community development and health care in great detail explaining persistently controversial topics such as campaign finance the cost of elections ethics and the oversight of regulatory agencies From the executive branch to the legislature from the court system to political parties there is no better primer on government in the commonwealth

Northern Kentucky's Natural Resources Northern Kentucky Area Planning Commission, James E. Price, 1964 *Kentucky's Covered Bridges* Robert W. M. Laughlin, Melissa C. Jurgensen, 2007 Kentucky is well recognized for bourbon bluegrass and the Kentucky Derby When thinking of covered bridges the commonwealth is not the state that readily comes to mind Many of Kentucky's covered bridges were built by such men as Wernwag Bower Carothers Day Stone and Long but many of the names were never recorded or have been lost to time Kentucky once was home to the longest single span wooden bridge in the world and to a covered bridge through which a Civil War battle was fought Time arson progress neglect and misguided maintenance have spelled the demise of the majority of these structures Readers of this volume might be surprised to learn that Kentucky once claimed more than 700 timbered tunnels and that over 50 of these survived well into the 1950s Equally surprising the commonwealth is still home to 13 of these structures **Cincinnati Magazine**, 1976-10 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *Mental Health Directory*, 1990 *Cincinnati Magazine*, 1988-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Pleistocene of Northern Kentucky* Frank Leverett, 1929
