sought after speaker and writer The papers reveal her positions on reform challenges while illuminating her strategies successes and responses to failures At the same time the collection brings to light Addams s private life Letters and other documents trace how many of her Hull House and reform alliances evolved into deep lasting friendships and also explore the challenges she faced as her role in her own family life became more complex Fully annotated and packed with illustrations The Selected Papers of Jane Addams Volume 3 is a portrait of a woman as she changed and as she changed history
