# Northwest History Articles From The Pacific Northwest Quarterly

**Bill Holm**

## **Northwest History Articles From The Pacific Northwest Quarterly:**

*Northwest History* Jerome Peltier,1996      **Washington Historical Quarterly** ,1914      The Pacific Northwest  
Raymond D. Gastil,Barnett Singer,2010-04-23 The Pacific Northwest for the purposes of this book mostly Oregon and Washington has sometimes been seen as lacking significant cultural history Home to idyllic environmental wonders the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California This book describes the Pacific Northwest s search for a regional identity from the first Indian European contacts through the late twentieth century identifying those individuals and groups who at least struggled to give meaning to the Northwest experience It places particular emphasis on writers and other celebrated individuals in the arts detailing how their lives and works both reflected the region and also enhanced its sense of self      **Sources of the River, 2nd Edition** Jack Nisbet,2011-05-03 The awe inspiring story of explorer David Thompson whose expeditions helped shape western North America In this true story of adventure author Jack Nisbet re creates the life and times of David Thompson fur trader explorer surveyor and mapmaker From 1784 to 1812 Thompson explored western North America and his field journals provide the earliest written accounts of the natural history and indigenous cultures of the what is now British Columbia Alberta Montana Idaho Washington and Oregon Thompson was the first person to chart the entire route of the Columbia river and his wilderness expeditions have become the stuff of legend Jack Nisbet tracks the explorer across the continent interweaving his own observations with Thompson s historical writings The result is a fascinating story of two men discovering the Northwest territory almost two hundred years apart      **Indians of the Pacific Northwest** Robert H. Ruby,John Arthur Brown,1988 NORTHWEST      **An Outline of the History of the Pacific Northwest, with Special Reference to Washington** Ceylon Samuel Kingston,James Orin Oliphant,1926 Typescript An Outline of the Pacific Northwest by Ceylon Kingston 90 pp circa 1920 1926 Author s working copy      *Northwest History in Action* Della Gould Emmons,1960      *Olympic National Park* Susan Jankowski,2008-07-01 Learn about Olympic National Park s history and varied attractions as well as its resident wildlife      **The Washington Apple** Amanda L. Van Lanen,2022-09-29 In the nineteenth century most American farms had a small orchard or at least a few fruit bearing trees People grew their own apple trees or purchased apples grown within a few hundred miles of their homes Nowadays in contrast Americans buy mass produced fruit in supermarkets and roughly 70 percent of apples come from Washington State So how did Washington become the leading producer of America s most popular fruit In this enlightening book Amanda L. Van Lanen offers a comprehensive response to this question by tracing the origins evolution and environmental consequences of the state s apple industry Washington s success in producing apples was not a happy accident of nature according to Van Lanen Apples are not native to Washington any more than potatoes are to Idaho or peaches to Georgia In fact Washington apple farmers were late to the game lagging their eastern competitors The author outlines the numerous

challenges early Washington entrepreneurs faced in such areas as irrigation transportation and labor Eventually with crucial help from railroads Washington farmers transformed themselves into growers by embracing new technologies and marketing strategies By the 1920s the state's growers managed not only to innovate the industry but to dominate it Industrial agriculture has its fair share of problems involving the environment consumers and growers themselves In the quest to create the perfect apple early growers did not question the long term environmental effects of chemical sprays Since the late twentieth century consumers have increasingly questioned the environmental safety of industrial apple production Today as this book reveals the apple industry continues to evolve in response to shifting consumer demands and accelerating climate change Yet through it all the Washington apple maintains its iconic status as Washington's most valuable agricultural crop

**Ferenc Morton Szasz: A Celebration and Selected Writings** Mark T. Banker, 2018-09-17 Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico As a one year appointment at the Albuquerque campus evolved into a forty year career Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history's most enduring and elusive traits The connections and consequences along the way forged a truly exceptional life and career A master of the United States history survey Szasz enthralled and inspired tens of thousands of students with energy enthusiasm provocative insights and good will Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses where he offered insights into World War II American religious history and popular culture Szasz's interests he insisted were the ideas of the people and how they shift over time In an era when historical scholarship became increasingly specialized he pursued an eclectic array of research interests and challenged his doctoral students to do the same The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians Szasz's crisp accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity's paradoxical promises and perils Back cover *The Washington Historical*

*Quarterly*, 1915 **The Great Columbia Plain** Donald W. Meinig, 2016-06-01 Dismissed in early years as a wasteland the rolling open country that covers the interior parts of Washington Oregon and Idaho is today one of the richest farmlands in the nation This work is the story of its transformation Meinig traces all of the aspects of its development by combining geographic description with historical narrative **The War on Illahee** Marc James Carpenter, 2025-09-30 How a generation of pioneers and their historians knowingly hid the violent history of Indigenous dispossession in the Pacific Northwest The small mostly forgotten wars of the 1850s in the American Pacific Northwest were part of a broader genocidal war the War on Illahee to seize Native land for Euro Americans Illahee a term for homeland in Chinook was turned into the states of Oregon and Washington through the violence of invading soldiers settlers and serial killers Clashes over the brutality of invasion should it be celebrated isolated or erased left behind accidental archives of atrocity as history writers disagreed over which

stories they should tell and which stories they could sell By the 1920s the War on Illahee had been disappeared Drawing on records from the perpetrators themselves the papers of historians and previously suppressed evidence from Indigenous survivors Marc James Carpenter has written both a new history of pioneer atrocities within and beyond the wars on Native people in the American Pacific Northwest and a new history of how these wars were remembered commemorated and forgotten The overlapping distortions have embedded inaccuracies in our histories and textbooks all the way to the present Beyond reshaping the history of the Pacific Northwest this searing book opens broader conversations about settler colonialism historical memory problematic monuments and the historical profession

**The Secretaries of the Department of the Interior, 1849-1969** Eugene P. Trani, 1975 **Daniel Webster** Harold D. Moser, 2005-03-30 Daniel Webster captured the hearts and imagination of the American people of the first half of the nineteenth century This bibliography on Webster brings together for the first time a comprehensive guide to the vast amount of literature written by and about this extraordinary man who dwarfed most of his contemporaries This bibliography also provides references to materials on slavery the tariff banking Indian affairs legal and constitutional development international affairs western expansion and economic and political developments in general This bibliography is divided into fifteen sections and covers every aspect of Webster's distinguished career Sections I and II deal primarily with Webster's writings and with those of his contemporaries Sections III through X cover the literature dealing with his family background childhood and education his long service in the United States House of Representatives and in the Senate his two stints as secretary of state and his career in law Section X provides guidance in locating materials relating to his associates Finally Sections XI through XV provide coverage of his personal life his death historiographical materials and iconography

**The Journal and Letters of Captain Charles Bishop on the North-West Coast of America, in the Pacific, and in New South Wales, 1794-1799** Michael Roe, 2017-05-15 In 1794 Charles Bishop sailed from Bristol as master of the Ruby a trading ship bound for north west America He had instructions to procure otter furs from the Indians and then to proceed to Canton via Japan and sell the cargo During the years 1794 1802 he rounded South America to reach the Pacific coast then visited the Pacific islands and the coasts of Asia and Australia In the Moluccas he sold the Ruby and purchased the Nautilus correspondingly the text is divided into two sections This narrative is Bishop's journal of his voyages and relates a minor epic of adventure courage and turbulent fortune The records of his letters and financial accounts show something of the ship's general organization and of the seamen who served such expeditions Bishop also describes the various ports and peoples he encountered his experiences typify European contacts in the Pacific and the reaction between trader missionary administrator and local inhabitant Dr Roe's introduction gives the background to the trading voyages of the 18th century and describes Bishop's own history Records of his life continue until 1809 ending tragically in Sydney where he passed some years in poverty and insanity before being returned to England This is a new print on demand hardback edition of the volume first published in 1967 *Harvard Guide*

to *American History* Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others

**Northwest Coast Indian Art** Bill Holm, 2014-12-01 The 50th anniversary edition of this classic work on the art of Northwest Coast Indians now offers color illustrations for a new generation of readers along with reflections from contemporary Northwest Coast artists about the impact of this book The masterworks of Northwest Coast Native artists are admired today as among the great achievements of the world's artists The painted and carved wooden screens chests and boxes rattles crest hats and other artworks display the complex and sophisticated northern Northwest Coast style of art that is the visual language used to illustrate inherited crests and tell family stories In the 1950s Bill Holm a graduate student of Dr Erna Gunther former Director of the Burke Museum began a systematic study of northern Northwest Coast art In 1965 after studying hundreds of bentwood boxes and chests he published *Northwest Coast Indian Art An Analysis of Form* This book is a foundational reference on northern Northwest Coast Native art Through his careful studies Bill Holm described this visual language using new terminology that has become part of the established vocabulary that allows us to talk about works like these and understand changes in style both through time and between individual artists styles Holm examines how these pieces although varied in origin material size and purpose are related to a surprising degree in the organization and form of their two dimensional surface decoration The author presents an incisive analysis of the use of color line and texture the organization of space and such typical forms as ovoids eyelids U forms and hands and feet The evidence upon which he bases his conclusions constitutes a repository of valuable information for all succeeding researchers in the field Replaces ISBN 9780295951027

*Ernest Haycox and the Western* Richard W. Etulain, 2017-09-14 Western fans today may not recognize the name Ernest Haycox 1899 1950 but they know his work John Ford turned one of his stories into the iconic film *Stagecoach* and the whole Western literary genre still follows conventions that Haycox deftly mastered and reshaped In this new book about Haycox's literary career Richard W Etulain tells the engrossing story of his rise through the ranks of popular magazine and serial fiction to become one of the Western's most successful creators After graduating from the University of Oregon in 1923 with a degree in journalism Haycox began his quest to break into New York's pulp magazine scene submitting dozens of stories before he began to make a living from his writing By the end of the 1920s he had become a top writer for *Western Story* *Short Stories* and *Adventure* among other popular weeklies and monthlies Ernest Haycox and the Western traces Haycox's path from rank beginner to crack pulp writer to regular contributor to *Collier's* and the *Saturday Evening Post* Etulain shows how Haycox experimented with techniques to deepen and broaden his Westerns creating more introspective protagonists Hamlet heroes introducing new types of heroines the brunette vixen the blonde Puritan and weaving greater historical realism into his plots After reaching the height of success with his best selling *Custer* novel *Bugles in the Afternoon* 1944 Haycox moved away from the financially rewarding but artistically constricting Western formula only to achieve his final coup with *The Earthbreakers* a historical novel about the end of the Oregon Trail published posthumously

in 1952 Reconstructing the career of a popular literary giant Ernest Haycox and the Western restores Haycox to his rightful place in the history of Western literature      Center for the Study of the Pacific Northwest , The Center for the Study of the Pacific Northwest at the University of Washington located in Seattle Washington provides information for the study of the history of the Pacific Northwest Curriculum materials for secondary school teachers selected articles from the Pacific Northwest Quarterly and a general discussion list on Northwest history are available
