Norways Relation To Scandinavian Unioni:

Norway's Relation to Scandinavian Unionism, 1815-1871 Theodore Jorgenson, 1935 **The Union Between Sweden and Norway** Sweden. Riksdagen, 1905 **North Atlantic Treaty** United States. Congress. Senate. Committee on Foreign Relations, 1949 *The Nordic Countries and the European Union* Caroline Grøn, Peter Nedergaard, Anders Wivel, 2015-02-20

In European policy making the Nordic countries are often viewed as a relatively coherent bloc in international and European affairs the Nordic position has traditionally been conditioned on being different from and better than Europe This book offers a coherent original and systematic comparative analysis of the relationship between the Nordic countries and the European Union over the past two decades It looks at the historical frame institutions and policy areas addressing both traditional EU areas such as agriculture and more nascent areas affecting the domestic and foreign policies of the Nordic countries In doing so it examines how the Nordic approach to European policy making has developed and explains why the Nordic countries are similar in some respects while differing in others when engaging with EU institutions In highlighting the similarities and differences between the Nordic countries it explores what lessons positive and negative may be drawn from this approach for the Nordic countries and other small states This book will be of interest to scholars students and practitioners engaged with the Nordic Countries EU politics and policy making European politics and comparative politics **The Swedish-Norwegian Union Crisis** Karl Nordlund, 1905 **Scandinavia and the Great Powers 1890-1940** Patrick Salmon, 2002-04-11 At the beginning of the twentieth century Scandinavia lay on the margin of European power politics but with the polarisation of international relations in the era of the two world wars Denmark Finland Norway and Sweden became the point where the spheres of influence of three great powers Great Britain Germany and Russia intersected In this book Patrick Salmon uses his extensive research in British German and Scandinavian archives to examine the position of the Nordic countries in the great power rivalries and conflicts of the period 1890 1940 However it does not treat the Nordic countries merely as passive victims It seeks to show that despite the disparity in strength between the great powers and the small states of northern Europe the latter had means of adapting to great power pressures and even influencing the policies of their formidable neighbours **The European Union and the Nordic Countries** Lee Miles, 2005-06-28 The team of authors including academics from all five main Nordic countries provides an authoritative assessment of the intricate relationship between the EU and the Nordic countries **Norway Outside the European Union** Clive Archer, 2004-06-01 In November 1994 the Norwegian electorate rejected membership of the European Union Professor Archer examines the background to this decision both in terms of an expression of interests within Norway and in terms of national feeling He then investigates the subsequent interaction between Norway and the EU through the European Economic Area EEA which allowed Norway access to the EU's markets the Schengen agreement dealing with justice and border matters and the Common Foreign and Security Policy It includes discussion of policies that have had a particular effect on Norway such as those of the gas

directive fisheries and the sale of alcohol and looks at how Norway has adapted itself to EU policy noting the cases where the country has dug in its heels and when it has been acquiescent This book will appeal to students and researchers with an interest in European integration and Nordic studies in general **North Atlantic Treaty** United States. Congress. Senate.

Committee on Foreign Relations,1949 *The European Union and the Arctic* Nengye Liu,Elizabeth A. Kirk,Tore Henriksen,2017-09-11 The European Union and the Arctic brings together academics from a range of disciplines to discuss the EU's potential roles in shaping Arctic governance The book is divided into three parts The first part examines the EU's current Arctic policy framework The second part focuses on the EU's engagement with Arctic governance at the regional level and encompasses the EU's engagement with the so called Arctic Five five coastal States of the Arctic Ocean providing examples of some of those relationships The third part takes a sectoral approach analysing the EU's potential contribution to regulation of key human activities in the Arctic including shipping fisheries oil and gas operations and marine mammals

Scandinavia and Bismarck Rasmus Glenthøj,Morten Nordhagen Ottosen,2024-05-13 This book accounts for Scandinavian unification efforts in a time of great upheaval The ideological repercussions of the European revolutions of 1848 1849 and the Crimean War 1853 1856 transformed both the international political system and nationalism into more realist types The First Schleswig War 1848 1851 having nearly turned into one of Scandinavian unification the influence of Scandinavianism extended into the Danish Swedish and Norwegian courts cabinets and parliaments attracting interest from the great powers The Crimean War offered another window of opportunity for Scandinavian unification before the Danish German conflict over the duchies of Schleswig and Holstein nearly united Scandinavia upon the outbreak of the Second Schleswig War in 1864 The ultimate failure of Scandinavianism in its unification efforts was not predetermined although historiography has made it appear as such Napoleon III Cavour and Bismarck all actively contributed to plans for Scandinavian unification the latter even declaring himself as very strongly Scandinavian **The English Historical Review** Mandell Creighton,Justin Winsor,Samuel Rawson Gardiner,Reginald Lane Poole,Sir John Goronwy Edwards,1922 **Experiences of War and**

NATO in the Post-Cold War Era S. Papascoma, M. Heiss, 2016-04-30 Established in 1949 the North Atlantic Treaty Organization NATO performed its assigned mission exceedingly well as it secured peace for its member states and avoided military confrontation between the superpowers during the remaining four decades of the Cold War But with the dramatic changes that began in 1989 an identity crisis has plagued NATO Whereas the Cold War years had essentially defined who would be fighting whom in a future conflict the uncertain post 1989 years are introducing new and possibly calamitous variables Despite the fact that hardly a voice has been heard calling for its dissolution and that states from the former Warsaw Pact are seeking membership NATO s members face the demanding task of defining the new strategic challenges and formulating appropriate policies and responses The articles in this volume combine to present a comprehensive investigation of the diverse problems confronting NATO The contributions each provide relevant historical background before analyzing current conditions and

projecting into the future An opening essay offers an overview of NATO after forty five years and is followed by others dealing with NATO s structural changes for the 1990s NATO s shifting strategy and NATO s developing connections with other international organizations such as the United Nations CSCE and the European Community The concluding part of the volume includes essays focusing on NATO s associations with the United States the Anglo American special relationship the Balkans the former Warsaw Pact states and the Middle East The Commercial and Financial Chronicle ,1905
