

Norwegian Foreign Policy In The 1980s

**Henrik G. Bastiansen, Martin
Klimke, Rolf Werenskjold**

Norwegian Foreign Policy In The 1980s:

Norwegian Foreign Policy in the 1980s Johan Jørgen Holst, 1985 Norway has been able to develop successful security arrangements based on a blend of deterrence and reassurance This book analyzes the factors behind that success through a discussion of Norwegian history political systems and international outlook *Scandinavia in World Politics* Christine Ingebritsen, 2006 This clear and engaging text offers a sustained appraisal of Scandinavia's foreign policy and role in the global economy in the post Cold War period In an era when good citizenship in the global community has become a diplomatic priority for many states Christine Ingebritsen argues that Scandinavia has both the legitimacy and the domestic political attributes to be an important international player She examines how social innovators such as Sweden and Finland seek to influence European integration and how Norway has cultivated a unique and innovative niche in its foreign relations Scandinavia she convincingly shows has become a norm entrepreneur exercising its influence abroad through moral leadership from sponsoring the Nobel Prize and participating in global peacekeeping efforts to providing generous foreign aid and monitoring human rights abuses in the international community Demonstrating how Scandinavia has made its model of the good society viable on a global scale this text offers a fascinating case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world ing case of small state success and individuality in an increasingly globalized world

Nordic Approaches to Peace Operations Peter Viggo Jakobsen, 2006 A new examination of Nordic approaches to peace operations after the Cold War It shows how the Nordic countries Denmark Finland Norway and Sweden remain relevant for the study and practice of post Cold War peace operations This unique study is structured around eleven success conditions derived from an analysis of the lessons learned since the early 1990s ensuring that the results of the case studies are directly comparable These case studies are supplemented by an analysis of Nordics collective efforts to replace their old Cold War peacekeeping model with a new one that meets the requirements of the new era The overall conclusion is that the Nordics have succeeded in meeting the post Cold War requirements for success both individually and collectively and that a new effective model is in the making This book makes several important contributions to the literature on peace operations First it demolishes the widely held view that the Nordic countries remain a bastion of traditional Cold War peacekeeping with little relevance for contemporary operations Second it constitutes the first systematic overview of the reforms undertaken by the four Nordic countries since the end of the Cold War Third it fills a historical gap by providing a comprehensive analysis of the celebrated old Nordic Cold War model explaining how and why it developed and how it functioned Finally the analytical framework is a general tool which can be used to evaluate the approaches to peace operations employed by countries around the world This book will be of great interest to all students of peacekeeping peace studies security studies and IR in general

Media and the Cold War in the 1980s Henrik G. Bastiansen, Martin

Klimke, Rolf Werenskjöld, 2018-11-08 The Cold War was a media phenomenon It was a daily cultural political struggle for the hearts and minds of ordinary people and for government leaders a struggle to undermine their enemies ability to control the domestic public sphere This collection examines how this struggle played out on screen radio and in print from the late 1970s through the early 1990s a time when breaking news stories such as Ronald Reagan s Star Wars program and Mikhail Gorbachev s policy of glasnost captured the world s attention Ranging from the United States to the Soviet Union and China these essays cover photojournalism on both sides of the Iron Curtain Polish punk Norwegian film Soviet magazines and more concluding with a contribution from Stuart Franklin one of the creators of the iconic Tank Man image during the Tiananmen Square protests By investigating an array of media actors and networks as well as narrative and visual frames on a local and transnational level this volume lays the groundwork for writing media into the history of the late Cold War **The Soviet Union and the Nordic Nuclear-Weapons-Free-Zone Proposal** Ingemar Lindahl, 1988-06-18 The Domestic Dimension of Public Diplomacy Katarzyna Pisarska, 2016-10-15 This book explores new grounds that public diplomacy is entering today as domestic publics come to the forefront of the policy acting both as foreign policy constituencies and public diplomacy actors cooperating with their foreign counterparts The author discusses the phenomena of public diplomacy s domestic dimension described as government s ability to engage its own society in foreign policy practices through information cooperation and identity defining By analysing data from over 80 recorded interviews with Australian Norwegian and American public diplomacy practitioners this volume illustrates both successful and unsuccessful models of such cooperation From Norwegian Peace Diplomacy through Australia s ambivalent engagement with Asia to U S Government sponsored exchange programs the author argues that governments around the world are slowly accepting a paradigm shift in diplomatic practice from monological dialogical to a more collaborative public diplomacy This book is an essential resource for students scholars experts and diplomats interested in world s best practices of engaging domestic civil society actors in foreign policy statecraft *Nordic, Central and Southeastern Europe 2012* Wayne C. Thompson, 2012-08 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is broken down into individual chapters on each country dealing with its geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a lengthy bibliography *Nordic, Central, and Southeastern Europe 2020-2022* Wayne C. Thompson, 2021-09-15 The World Today Series Nordic Central and Southeastern Europe is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers

practitioners in international development media professionals government officials potential investors and students Now in its 20th edition the content is thorough yet perfect for a one semester introductory course or general library reference

2016-2017 Marek Payerhin,2016-09-02 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 16th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets **American Foreign Policy: 1977-1980** United States. Department of State. Historical Office,1983 Nordic, Central, and Southeastern Europe 2013 Wayne C. Thompson,2013-08-28 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present American Foreign Policy Basic Documents, 1977-1980 United States. Department of State. Office of the Historian,1983 **Profit And The Pursuit Of Energy** Jonathan D Aronson,Peter F Cowhey,2019-06-26 Among the books on the world energy crisis on technological possibilities for self sufficiency and on various energy sources this is one of a very few to address the practicalities of government regulatory responsibilities versus the pursuit of profit in the private sector and to look at the processes logistics and complex interactions among private energy companies financial sectors and national governments The authors provide answers to such questions as How do oil company operations influence government policies What kinds of energy projects can be financed by existing financial institutions How does the availability of insurance affect innovations

in energy They also examine how major investors and governments make decisions about the management of the volatile mix of political economic and technological risks that buffet the energy sector critique the conventional wisdom concerning the major fuels and project the likely evolution of the world energy market over the next decade Arctic Euphoria and International High North Politics Geir Hønneland, 2017-08-02 This pivot describes the ups and downs of Norwegian High North politics since the end of the Cold War It considers how political interest in the Arctic has been growing rapidly in the international community as states stake their claim to areas of the continental shelf in the Arctic Ocean and focuses on Russia's actions as the Arctic state with the longest shoreline and the only one outside NATO The author argues that among the Western countries Norway has the most extensive experience in tackling Russia in the Arctic and the neighbourhood with the Russian Bear invariably shapes foreign policy notably in matters of security and how foreign policy concerns are intertwined with economic motives be that hopes of access to the big Russian market or to the oil and gas fields on the Russian Arctic shelf To achieve the combined goal of security and business the Norwegian Government has regularly orchestrated Arctic waves to direct the attention of local national and international politicians and businesses to the alleged opportunities of the North In this book the author takes us through the Great Barents Awakening of the 1990s the Great High North Enchantment of the early 2000s and recent years Arctic wave in Norwegian foreign policy , *Nordic, Central, and Southeastern Europe 2015-2016* Wayne C. Thompson, 2015-05-28 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country and presents a complete and authoritative overview of each region's geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a comprehensive bibliography The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 14th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets *The Soviet Naval Threat To Europe* Bruce W. Watson, Susan M Watson, 2020-01-09 Originally published in 1989 Given the events of 1987 and 1988 the death of Admiral Sergei G Gorshkov who had served as Commander in Chief of the Soviet Navy from 1956 to 1985 and was so influential in the development of the current Soviet Navy the Soviet policy of glasnost the U S Soviet arms negotiations Secretary Mikhail Gorbachev's visit to Washington President Ronald Reagan's visit to Moscow and the treaty concerning intermediate range nuclear weapons a study of the Soviet naval threat to Europe is particularly timely This study begins by examining Soviet military and naval strategy which provides a view of how the Soviets intend to use their forces Then the book explores Soviet naval capabilities and operations because a full understanding of Soviet naval power provides an

understanding of the isolation that Europeans often feel In the fourth and fifth sections of the book we examine the threat to northern and southern Europe

Reviewing **Norwegian Foreign Policy In The 1980s**: Unlocking the Spellbinding Force of Linguistics
