Norwegian Literature in Medieval and Early Modern Times Theodore Jorgenson, 1978-03-09      *Norwegian Literature in Medieval and Early Modern Times* Theodore Jorgenson, 1978-03-09      A History of Norwegian Literature Harald S. N•ss, 1993-01-01 Volume 2      **The Norwegian Domination and the Norse World, C. 1100-c. 1400** Steinar Imsen, 2010

This book is the first of four planned volumes on the Norwegian realm and its dependencies in the central Middle Ages As with future volumes the underlying theme of this book is the transformation of Norway and parts of the Norse world into a monarchic state in the 12th and 13th centuries The collection provides a presentation of the Norse world the Norse community the Norgesvelde the Norwegian domination along with highlights of geographical political and cultural aspects Series ROSTRA Books Trondheim Studies in History No 3      *Gunnar's Daughter* Sigrid Undset, 1998-04-01 The first historical novel by the Nobel Prize winning author of Kristin Lavransdatter A Penguin Classic More than a decade before writing Kristin Lavransdatter the trilogy about fourteenth century Norway that won her the Nobel Prize Sigrid Undset published Gunnar s Daughter a brief swiftly moving tale about a more violent period of her country s history the Saga Age Set in Norway and Iceland at the beginning of the eleventh century Gunnar s Daughter is the story of the beautiful spoiled Vigdis Gunnarsdatter who is raped by the man she had wanted to love A woman of courage and intelligence Vigdis is toughened by adversity Alone she raises the child conceived in violence repeatedly defending her autonomy in a world governed by men Alone she rebuilds her life and restores her family s honor until an unrelenting social code propels her to take the action that again destroys her happiness First published in 1909 Gunnar s Daughter was in part a response to the rise of nationalism and Norway s search for a national identity in its Viking past But unlike most of the Viking inspired art of its period Gunnar s Daughter is not a historical romance It is a skillful conversation between two historical moments about questions as troublesome in Undset s own time and in ours as they were in the Saga Age rape and revenge civil and domestic violence troubled marriages and children made victims of their parents problems      Early European History: Medieval and early modern times Hutton Webster, 1917      *Norway in English; Books on Norway and by Norwegians in English, 1936-1959* Erling Grønland, 1961      Death in the Middle Ages and Early Modern Times Albrecht Classen, 2016-04-11 Death is not only the final moment of life it also casts a huge shadow on human society at large People throughout time have had to cope with death as an existential experience and this also of course in the premodern world The contributors to the present volume examine the material and spiritual conditions of the culture of death studying specific buildings and spaces literary works and art objects theatrical performances and medical tracts from the early Middle Ages to the late eighteenth century Death has always evoked fear terror and awe it has puzzled and troubled people forcing theologians and philosophers to respond and provide answers for questions that seem to evade real explanations The more we learn about the culture of death the more we can comprehend the culture of life As this volume demonstrates the approaches to death varied widely also in the

Middle Ages and the early modern age This volume hence adds a significant number of new facets to the critical examination of this ever present phenomenon of death exploring poetic responses to the Black Death types of execution of a female murderess death as the springboard for major political changes and death reflected in morality plays and art Catalog of Copyright Entries.
