Ford,2012-01-23 Would the world be a better place if women were in charge Heads of state and world leaders are now women they have changed the world to be how they want it to be With women in charge they have stopped the days of mail order brides now we live in a world of rental husbands We live in a world where men are secondary used for whatever women want Men are trained to be whatever their owner wants them to be enforcer worker bodyguard or personal slave Sold into slavery when he was a baby Scott Magentas life is to be seen not heard to be touched but never loved His life is filled with death and pain while he is forced to be nothing but a glorified one night stand for the rich and powerful Slaves are treated like show animals they make their owner money and if they misbehave they can be punished by their owner When the whole world doesnt see you as a person how can you be one

*The Invincible Summoner Who Crawled Up from Level 1: Wrecking Reincarnators with My Hidden Dungeon Volume 1* Shiraishi Arata,2024-06-05 It couldn t get any worse for Shinobu Iijima After a terrible house fire consumes his life and puts his sister Megumi on her deathbed Shinobu wakes up in his favorite MMO La Vita Online With all his data deleted and reset back to level 1 the only solace Shinobu has is that his scumbag of a foster father Ayumu died with him only to discover he was reincarnated in the game as well A nightmare reborn Ayumu pledges to get revenge on the siblings biding his time until Megumi eventually dies and reincarnates in La Vita While Megumi struggles through her last breaths in the real world Shinobu does his best to grind his way back up the levels before her reincarnation Armed with a hidden dungeon his hard earned legendary summons and an undefeatable will Shinobu must reach the max level in order to protect his sister from their foster father and the other reincarnators threatening to stop him at all costs      **Walk Through Walls** Marina Abramovic,2018-03-06 I had experienced absolute freedom I had felt that my body was without boundaries limitless that pain didn t matter that nothing mattered at all and it intoxicated me In 2010 more than 750 000 people stood in line at Marina Abramovi s MoMA retrospective for the chance to sit across from her and communicate with her nonverbally in an unprecedented durational performance that lasted more than 700 hours This celebration of nearly fifty years of groundbreaking performance art demonstrated once again that Marina Abramovi is truly a force of nature The child of Communist war hero parents under Tito s regime in postwar Yugoslavia she was raised with a relentless work ethic Even as she was beginning to build an international artistic career Marina lived at home under her mother s abusive control strictly obeying a 10 p m curfew But nothing could quell her insatiable curiosity her desire to connect with people or her distinctly Balkan sense of humor all of which informs her art and her life The beating heart of Walk Through Walls is an operatic love story a twelve year collaboration with fellow performance artist Ulay much of which was spent penniless in a van traveling across Europe a relationship that began to unravel and came to a dramatic end atop the Great Wall of China Marina s story by turns moving epic and dryly funny informs an incomparable artistic career that involves pushing her body past the limits
