**Nostradamus** Peter Lemesurier, 1998 Dramatic and exciting yet at the same time practical down to earth and remarkably convincing Peter Lemesurier takes a year by year look at what might lie ahead He compares the verse predictions of Nostradamus against the predictions of other major seers and prophets and sets them all against a definite timescale The future of the Popes the coming Islamic invasion and the virtual destruction of southern and western Europe the seige of Britain the long delayed Western counter attack the ensuing age of peace and plenty the era of renewed cataclysm and decline the eventual extraterrestrial saviours and the ultimate transformation of humanity all are spelt out Lemesurier cites the actual predictions from Nostradamus and the other sources so that the reader can assess how likely they are to happen and measure them against actual events as they unfold

know how truth impacts survival in an uncertain world nearing the vastly misunderstood prophesied year of 2012 The highest difficulty remains in determining truth The past helps develop understanding of what led to current conditions Without emotional physical mental and spiritual elements to fulfill the record of history the wealth of our past and the understanding of our future remains impotent Nostradamus a divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the Divine His prophecies have been in print for approximately 500 years which is longer than any book except the Holy Bible The prophecies of Nostradamus are biblically sound coinciding directly with the honored messages of biblical prophets from Abraham through the Apostle John Each new generation of people has continued to pour over the verses of Nostradamus seeking higher truth and understanding A critical new understanding reveals that Nostradamus prophesied and wrote specifically about three Antichrists reigning from the year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities
