

The background of the cover is a detailed illustration of Nostradamus. He is depicted as an elderly man with a long, flowing white beard and hair, wearing a dark, patterned robe. He is looking down at a large, glowing crystal ball he is holding in his hands. The crystal ball shows a fiery, apocalyptic scene with a large orange and red sun or planet dominating the sky over a dark, smoky landscape. Above the crystal ball, a golden phoenix is shown in flight, its wings spread wide, as if rising from the ashes. The overall lighting is dramatic, with the crystal ball and the phoenix being the primary light sources against a dark background.

Nostradamus Nostradamus,1972 **Three Temporal Kings** Michal Deschausses,2012-06 This modern rendition of the quatrains of Nostradamus is offered after more than three decades of research This clarification of the enigmatic verse of Nostradamus is the most comprehensive to date that brings forth the first true understanding a connection and meaning for the verses not heretofore seen Each of the verses of the quatrains of Nostradamus speaks about the rampant strategies of one of three Antichrists Two of these Antichrists would dominate the human race culminating spiritual forces into the Third Antichrist the One who would fully incarnate the supernatural forces of Satan ultimately torturing humanity in the great and final war against God bringing the End of Days and the cataclysmic changes ushering in a new age The prophecies of Nostradamus have been in print for almost five hundred years longer than any book except the Holy Bible His prophecies are biblically sound In each new generation people in nearly every nation have continued to pour over the verses of Nostradamus seeking higher truth and understanding Nostradamus wrote poetic prophecy in the form of quatrains four line stanzas filled with a medley of perplexing symbols and rhetoric Each original chapter called Centuries contained one hundred quatrains Even as John in Revelation Nostradamus did not understand in high detail all the future modalities that he envisioned and the use of symbolism allowed him to portray his visions without the limitation of mere words In Century III Verse 94 Nostradamus explained the fate of his work He stated that for five centuries his verses would be shrouded in mystery Then in the twentieth century an interpreter would bring them to light and understanding The quatrains of Nostradamus relay an important divine message to humankind and contain highly moralistic philosophical and spiritual wisdom which cannot be ignored Nostradamus was a prophetic messenger of the Divine Plan The social economic political and spiritual rewards make it evident that the Nostradamus verses are a divine gift in severe servitude to humanity The primary purpose for Nostradamus quatrains has always been to shed light upon written prophecies that were offered to the world in an effort to educate mankind in reference to human iniquities and the effects thereof rendered upon the world in which we live But even

more the verses were intended to help people reconnect to the Divine seeing that the spiritual world is a reality that we cannot ignore Nostradamus wrote exclusively and specifically about Three Temporal Kings who would rise to power resulting from political events beginning in about 1700 A D These Antichrists would change the course of history and life on earth for beyond three hundred years until the biblical end of the world when the entire cosmic order would change into a new age This message of the old prophet coincides directly with the messages of the honored biblical prophecies Not even taking into account the fact of strong evidence that the quatrains are divine and intended to educate humans in reference to a higher evolutionary path they have remained in print since the sixteenth century are a vital part of literature today and more than likely will be around for a very long time
