The Prophecies of Nostradamus Michel De Nostredame,2020-08-21 Michel de Nostredame 14 December or 21 December 1503 2 July 1566 usually Latinised to Nostradamus was a French apothecary and reputed seer who published collections of prophecies that have since become famous worldwide He is best known for his book Les Propheties The Prophecies the first edition of which appeared in 1555 Since the publication of this book which has rarely been out of print since his death Nostradamus has attracted a following that along with the popular press credits him with predicting many major world events The prophecies have in some cases been assimilated to the results of applying the alleged Bible code as well as to other purported prophetic works Most academic sources maintain that the associations made between world events and Nostradamus s quatrains are largely the result of misinterpretations or mistranslations sometimes deliberate or else are so tenuous as to render them useless as evidence of any genuine predictive power Moreover none of the sources listed offers any evidence that anyone has ever interpreted any of Nostradamus s quatrains specifically enough to allow a clear identification of any event in advance **The Complete Prophecies of Nostradamus** Michel Nostradamus,2025-07-02

Michel de Nostredame better known as Nostradamus was a French astrologer physician and reputed seer who lived from 1503 to 1566 He is best known today for his book Les Proph ties a collection of 942 quatrains four line poems published in 1555 which many believe predict future events His major work Les Proph ties was written in Middle French and Latin It is divided into centuries groups of 100 quatrains though not all are complete Many of these verses are vague and open to multiple interpretations which is part of why they have remained famous Nostradamus allegedly used a form of scrying gazing into a bowl of water or mirror combined with astrological calculations He drew from classical sources like the Bible Livy and Pliny the Elder as well as occult traditions such as Hermeticism and Kabbalah Quatrain I 35 Le lyon jeune le vieux surmontera En champ bellique par singulier duelle Dans cage d or les yeux lui crevera Deux classes une puis mourir mort cruelle The young lion will overcome the older one On the field of combat in a single fight He will pierce his eyes through a golden cage Two wounds made one then he dies a cruel death In 1559 King Henry II of France died in a jousting accident A younger opponent Count Montgomery shattered his lance and a splinter pierced Henry s eye and skull through the visor golden cage of his helmet He died after ten days of suffering NOSTRADAMUS, HISTORIEN ET PROPHETE.
