Nostradamus, Branham and the Little Book Patricia Ann Sunday,2012-11 For 457 years the Prophet Nostradamus has been a MYSTERY Hidden in dark speech he was misunderstood and rejected by the Protestant Christian Church forbidden to be read by the Catholic Church and totally discredited by psychics and worldly interpreters as being in the Occult However it was the occult interpreters that were instrumental in keeping his work alive and mysterious Written from a Christian perspective many questions about this mysterious man Nostradamus and why his work has endured so long are answered in this book Reverend Sunday has discovered the secrets and the intentions of his life s work and you will be amazed to find out WHO Nostradamus really was If you are curious about Planet X Wormwood then you will find out how that ties into these hidden revelations There always comes a time when hidden things are revealed to a Prophet Daniel 2 22 Amos 3 7 The second Prophet William Branham was way ahead of his time in his understanding of supernatural phenomenon and his revelations on the Book of Genesis regarding the apple and its sexual connotations lost him favor with the approved church then and now Prophets are rarely understood in their own age These TWO PROPHETS were brought together to this unknown Sophe Scribe chosen to disclose the hidden amazing information and revelation for our day To GOD be the GLORY Prepare the way for the Lord *The Secrets Of Nostradamus* David Ovason,2012-05-31 Walker argues that previous translations have got it wrong because they have failed to realise that Nostradamus was writing in an esoteric language called the green language Where previous translations have seemed to stretch a point to make a quotation fit an historical event Walker reveals the prophet s true prophecies regarding the American and French revolutions the Franco Prussian First Second and Third world wars earthquakes floods the Antichrist and the end of the world Properly seen Walker argues Nostradamus is the greatest Western prophet to commit his prophecies to writing since the Old Testament

Nostradamus: The Lost Manuscript Ottavio Cesare Ramotti,2002-04-01 Paintings by Nostradamus discovered in 1994 in the Italian National Library provide the key to decoding his prophecies Reveals the chronology of Nostradamus s quatrains

that have been hidden for 400 years Shows how Nostradamus correctly predicted the Nazi Blitzkrieg the assassination attempt on Pope John Paul II and Boris Yeltsin s rise to power Contains prophecies for what the next millennium has in store In 1994 members of the Italian National Library in Rome found buried in their archives an unknown and unpublished manuscript consisting of 80 mysterious paintings by the famed prophet Michel de Nostradamus 1503-566 This manuscript had been handed down to the prophet s son and later donated by him to Pope Urban VIII It confirms the chronology of Nostradamus s quatrains that had been hidden for 400 years and was discovered by the well known Nostradamus scholar Ottavio Cesare Ramotti In both the paintings and accompanying quatrains within Nostradamus correctly predicts such key events as the Nazi Blitzkrieg the assassination attempt on Pope John Paul II the burning of the oil wells of Kuwait by Iraq and Boris Yeltsin s rise to power Knowing the power that his prophecies contained and wary of this power falling into the wrong hands Nostradamus scrambled both the meaning and the order of his quatrains so that humanity would not be able to use them until it had become sophisticated enough to decode them That time is now Using a software program he created Ramotti cracked the code and produced a book that is required reading for those who want to know what the next millennium has in store Nostradamus Ian Wilson,2014-04-01 For the last 500 years the predictions of sixteenth century physician and prophet Michel de Nostredame better known as Nostradamus have been endlessly interpreted Scholars and skeptics have hotly debated whether the 946 quatrains he wrote foretold everything from the discovery of electricity to the birth of Adolph Hitler the death of Princess Diana and the attack on the World Trade Center But while much has been written about Nostradamus s predictions and their validity little is known of the man This definitive biography by bestselling historian Ian Wilson reveals the man behind the legend for the first time Tracing Nostradamus s life from his early years to his skillful treatment of Black Plague sufferers his flight from agents of the Spanish Inquisition and his career as an advisor to the king of France Nostradamus separates fact from fiction and reveals a complex figure who whether or not he could see future events was indelibly marked by those of his own time **Nostradamus: Premonitions of 9/11** John Hogue,2016-10-06 The Nostradamus skeptics got it wrong The 911 Terror attacks were foreseen not a day but years even centuries before it happened Back cover *Nostradamus 2003-2025* Peter Lorie,2002-10-21 Who wouldn t want to know the answer to the question WHAT WILL HAPPEN NEXT For hundreds of years philosophers scientists and mystics have studied the enigmatic writings of the great prognosticator Nostradamus for clues as to what our future holds Drawing upon recent investigations undertaken by government agencies major corporations and noted works by world renowned researchers this book contains never before revealed predictions for the years 2003-2025 including a haunting reference to the September 11 attacks on the Twin Towers in one of Nostradamus s most famous quatrains Arranged in chronological year by year order of events predictions range from the future of science and technology to drastic changes in climate population explosions political upheaval and social and cultural milestones for humanity For all those who wish to know the foretold destiny of our

world in the next quarter century this is a must have guide for the future **A Liberal Theology for the Twenty-First Century** Michael J. Langford, 2017-03-02 Liberal theology in its typical form represents the attempt to approach religion from a rational perspective without denying or belittling the importance of religious experience and religious commitment Versions of liberal theology can be found in all the great religions This book is primarily concerned with a Christian tradition that goes back to the second century and reached a high point in the seventeenth This tradition includes a method of inquiry which when re evaluated in the light of recent discussions on the nature of rationality and applied to contemporary issues reveals that there are versions of materialism monism and theism that can accord with rationality While liberal theology cannot demonstrate the truth of theism it can present it not only as one of the rational options but as an option that has uniquely attractive characteristics and when the liberal tradition is taken at its best it can support a version of Christianity which continues to refer to God as a transcendent reality and which can continue to support recognizable doctrines of incarnation redemption and Trinity The liberal theology introduced and advanced in this book can be contrasted with many recent radical theologies and could be called liberal orthodoxy Students of philosophy theology and religious studies as well as clergy and interested lay readers will find this an accessible insight into liberal theology and to current debates on materialism atheism and inter faith dialogue Across Centuries McClaine Lee, 2000 This is the edition you have been waiting for A clear detailed explanation of more than 400 prophecies of Nostradamus pertaining to the 20th and 21st centuries The destinies of the European Union the current Russian Commonwealth Asia the Middle East and America are incredibly revealed Not only are the U S presidencies of Kennedy Nixon Reagan Bush and Clinton described but the future of the first president and vice president of the 21st Century Wars past and future inventions and earth shaking events and personalities are unveiled from their former clouded obscurity Perhaps you believe your opinions of the oracles of Nostradamus are quite strong one way or the other Either way Across Centuries Nostradamus will rock your opinions as the former cryptic quatrains are deciphered in time to prepare you to live in the 21st Century New Realities of the Twenty-first Century, Part 1 Prophet Wildman, 2017-02-07 New Realities of the Twenty first Century Part 1 by Prophet Wildman The psychic parapsychic experience in the supernatural is one that is not readily understood or accepted by the masses After enjoying the gift of psychic future predictive awareness for more than fifty years Prophet Wildman had a deep understanding of the psychic and parapsychic experience However it wasn't until 2008 when he began receiving Holy subject Tribulation awareness as a precognitive psychic medium that he really began to delve deeper into this relatively unknown subject and explore psychic and parapsychic experiences as they related to the supernatural and Christianity Prophet Wildman wows his readers with first hand experiences both from the perspective of being Christian and of being a psychic medium while also providing a comprehensive dissection and decoding of the Tribulation event as it relates to the prophecy Wildman's deeply personal experiences along with factual statements and others first hand experiences provide the reader

with a comprehensive read that will strengthen one's faith in Christ and Christianity while opening up rarely explored doors to the supernatural psychic and parapsychic worlds Explore the unknown with Prophet Wildman as he weaves his unwavering Christian beliefs with everything from extraterrestrials and ultraterrestrials to vampires U F Os and government cover ups An open mind and a strong religious conviction are all that's needed to begin searching and discovering some of the biggest mysteries of our time Vortex Harold Reynolds,2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin **Нострадамус.
