Nostradamus: The Lost Manuscript Ottavio Cesare Ramotti,2002-04-01 Paintings by Nostradamus discovered in 1994 in the Italian National Library provide the key to decoding his prophecies Reveals the chronology of Nostradamus's quatrains that have been hidden for 400 years Shows how Nostradamus correctly predicted the Nazi Blitzkrieg the assassination attempt on Pope John Paul II and Boris Yeltsin's rise to power Contains prophecies for what the next millennium has in store In 1994 members of the Italian National Library in Rome found buried in their archives an unknown and unpublished manuscript consisting of 80 mysterious paintings by the famed prophet Michel de Nostradamus 1503-566 This manuscript had been handed down to the prophet's son and later donated by him to Pope Urban VIII It confirms the chronology of Nostradamus's quatrains that had been hidden for 400 years and was discovered by the well known Nostradamus scholar Ottavio Cesare Ramotti In both the paintings and accompanying quatrains within Nostradamus correctly predicts such key events as the Nazi Blitzkrieg the assassination attempt on Pope John Paul II the burning of the oil wells of Kuwait by Iraq and Boris Yeltsin's rise to power Knowing the power that his prophecies contained and wary of this power falling into the wrong hands Nostradamus scrambled both the meaning and the order of his quatrains so that humanity would not be able to use them until it had become sophisticated enough to decode them That time is now Using a software program he created Ramotti cracked the code and produced a book that is required reading for those who want to know what the next millennium has in store

The End Times Kurt B. Bakley,2016-01-20 In this book we will read the ancient prophecies for the next

1000 years and beyond It quite different then any other works on this subject but I feel this is the correct one I could be wrong We will read the dates and time periods of Daniel and Revelation all the Bible Nostradamus and ancient Egyptian art to see what will happen and when All prophecies in all books will be fulfilled if true during this time span Se read on and see your future Be sure to read my other books entitled Predictions for 2015 Revised Edition The Experiment at Philadelphia Revised Edition End Time Signs II and The End Times Prophecies dont always happen the way we think they will and many times give more than one date event and time Some preachers call this secondary fulfillment For the prophecies of this book to come true the events of September 24 28 and or October 15 17 December 31 29 24 25 14 7 November 10 11 22 2016 or 2017 must come to pass or else another type of future will happen I explain this in this book and document how other books predicts four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted She said when she was dead she saw four or five futures unfold before her She came back to life and forgot about them and one day in her kitchen she notice it was the exact copy of one of her futures she saw long ago when she was dead One comes true out of four or five If the people remain sinning the good prophecy could fail This book was finished on December 14 2015 leave in *Forthcoming Books* Rose Arny,2003 **Nostradamus** Bill Anderton,1998

definition of time and adopt a natural harmonic calendar based on the 13 moon 28 day cycle Until the creation of the Gregorian calendar and the 60 minute hour most of humanity lived by the 28 day cycle of natural time The adoption of artificial time has subjected us to a 12 60 time frequency that governs the entire global industrialized civilization the technosphere With the collapse of the Twin Towers on September 11 a fissure was created in this artificial technosphere opening up the noosphere Earth's mental envelope Humanity has a golden opportunity to leave the strife of the past and enter a time of peace by adopting a harmonious natural calendar that will repair the damages caused by the irregular tempo of technospheric time Our last best chance to adopt this natural time and step into the bright new future promised by the galactic shift of 2012 is the Great Calendar Change of 2004 a new discovery based on the author's mathematical research into the Mayan calendar first begun in his landmark work *The Mayan Factor In Time and the Technosphere* Argelles reveals the clear distinction between third dimensional astronomical time and the fourth dimensional synchronic order of the Law of Time which holds enormous potential for the future of humanity *Bibliographic Guide to Psychology* New York Public Library. technological achievement and the affluence of some that actually was dominated by violence and a widening of wealth gaps
