market revolution Simultaneously exploiting every politically useful aspect of her femininity and defying every conventional expectation of women in power Thatcher crushed her enemies with a calculated ruthlessness that stunned the British public and without doubt caused immense collateral damage Ultimately however Claire Berlinski agrees with Thatcher There was no alternative Berlinski explains what Thatcher did why it matters and how she got away with it in this vivid and immensely readable portrait of one of the towering figures of the twentieth century The Journal of the Royal Anthropological Institute ,2002 Articles on all aspects of anthropology
