Not All Israel Is Israel:

The Gospel and Israel Paul F. Morris, 2014-04-07 The mission of the church to the Jews is a unique one The biblical theological and practical issues differ from those with other groups because Israel was and is the people to whom God gave his promises However the unbelief of many Jewish people and the persecution of Jewish people in the name of Jesus makes mission to the Jews uniquely difficult requiring considerable sensitivity But it is also full of hope for there is promise of both a remnant and a fullness coming to faith in Jesus the Messiah The lectures in this book were part of a series organized by Christian Witness to Israel in Australia to explore this unique challenge and to encourage an intelligent heartfelt and persevering interest in mission to the Jewish people The studies focus on Biblical theological historical and current issues They were named the Edersheim Lectures after Alfred Edersheim the well known nineteenth century Jewish Christian scholar and author who served in Romania as a missionary and in the United Kingdom as a pastor Following in his example *The Gospel and Israel* engages in an in depth examination of themes relating to the Jewish people and the Christian faith

God's Saved Israel Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel In this study the way in which Paul uses the terms Israel Israelite and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul the approach in this book is the other way around These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting Rom 11:26 and Gal 6:16 with a larger understanding of identity in Paul at hand

Israel in the New Testament David Pawson, 2015-04-15 Now including a new chapter Israel in Galatians Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled It is a simple matter of faith in God's faithfulness to believe that he means what he says and will do what he says he will do This study reveals that both the people and the place called Israel have a significant role in God's future plans for world redemption

Election of the Lesser Son David R. Wallace, 2014-09-01 Chapter 9:11 of Romans remains one of the most contested biblical texts in scholarship today Theological discussions often limit the focus of this passage to God's sovereignty or to Paul's defense of God's faithfulness but less attention has been devoted to the form and style Wallace demonstrates how Paul weaves two distinct Jewish literary forms together lament and midrash into a logical narrative concerning Israel's salvation Attention is given to Paul's poetical structures key literary terms and use of Old Testament contexts

Exposition of The Whole Bible G. Campbell Morgan, 2010-05-01 G Campbell Morgan Reprint

Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11 The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America No longer did the inscription say *Ne Plus Ultra* nothing more beyond but *Plus Ultra* more beyond It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture The Morgan Trust Richard L Morgan Howard C Morgan John C Morgan *The Interlinear NASB-NIV Parallel New Testament in Greek and English*, 1993 Includes Greek text and literal interlinear English translation of the New Testament **The Right-aim School Bible**, 1834 *The New Testament*, 1909 [The Louisville Debate](#) Lanceford Bramblet Wilkes, 1871 *A Critical Commentary and Paraphrase on the Old and New Testament and the Apocrypha* Simon Patrick, William Lowth, Richard Arnauld, Daniel Whitby, Moses Lowman, 1846 **An Exposition of the Prophet Ezekiel** William Greenhill, 1839 *Ephesians* Ernest Best, 1998-01-01 A major introduction translation and verse by verse commentary Professor Best provides an overall view of Ephesians which demonstrates the power and consistency of its author's work Among the many important elements in this commentary Ernest Best explores for example the relationship between the primarily theological aspects of Ephesians which concentrate on the nature of the church and the primarily ethical aspects which concentrate on the behaviour of members of

Christian communities towards one another An indispensable reference for scholars students and clergy KJV, Thompson Chain-Reference Bible Zondervan,2022-11-01 An easy to learn easy to use tool for in depth Bible study Beloved and acclaimed for more than five generations the Thompson Chain Reference Bible is unparalleled in its ability to enrich personal devotions topical study and sermon preparation This unique reference Bible enables you to search the breadth of Scripture s teachings on thousands of topics and allows you to follow those topics throughout the entire Bible With over 100 000 references covering over 8 000 topics the chain reference system is an ideal tool for comprehensive topical study The Thompson Chain Reference Bible also offers a library of additional study resources that allows readers to interpret the Bible using related scripture passages rather than consulting a commentary The KJV Thompson Chain Reference Bible features a fresh two color design that preserves the original look of the chain reference system while making each page cleaner and easier to read Features Complete text of the King James Version KJV Easy to understand chain reference system with over 100 000 references Alphabetical and numerical indexes highlight study materials for over 8 000 topics each with its own topic number for exhaustive topical study An extensive study resource section includes biographical sketches illustrated studies of the Bible a concordance Bible harmonies and many other helpful study tools Fresh two color page design 66 book introductions 16 page full color map section with map index Words of Jesus in red *Anecdota Oxoniensia. Semitic Series* ,1889 Revelation in Context Irene Belyeu,2006 *Divine Election* Gerrit Cornelis Berkouwer,1960 A discussion of election in a perspective and spirit that will be quite novel to most theologians and ministers The author contends that election can be understood only within faith and within a spirit of doxology for election takes place in Christ Hence election must be understood and employed in terms of the Gospel He then repudiates theological usage which employs election and reprobation as a principle of interpretation for theology with the usual consequence of deducing from this truth a nice logical system of theology Another powerful feature of this book is its criticism of the conception of the sovereignty of God and then makes it into a mere principle of naked absolute power and ethically neutral principle of brute force Book jacket **NKJV, Faithlife Illustrated Study Bible, Hardcover, Red Letter Edition** John D. C. HUNTINGTON (A.M. of Shelbyville, Texas.),1875 **The Prophetic Call to Love and Justice** Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
