Not Alone Out Here:

Alone Out Here Riley Redgate, 2022-04-05 What do you stand for when you're one of the last left standing The year is 2072 Soon a volcanic eruption will trigger catastrophic devastation and the only way out is up While the world's leaders scientists and engineers oversee the frantic production of a space fleet meant to save humankind their children are brought in for a weekend of touring the Lazarus a high tech prototype spaceship But when the apocalypse arrives months ahead of schedule First Daughter Leigh Chen and a handful of teens from the tour are the only ones to escape the planet This is the new world a starship loaded with a catalog of human artifacts a frozen menagerie of animal DNA and fifty three terrified survivors From the panic arises a coalition of leaders spearheaded by the pilot's enigmatic daughter Eli who takes the wheel in their hunt for a habitable planet But as isolation presses in their uneasy peace begins to fracture The struggle for control will mean the difference between survival and oblivion and Leigh must decide whether to stand on the side of the mission or of her own humanity With aching poignancy and tense heart in your mouth action this enthralling saga will stay with readers long after the final page *Left, but Not Alone* De'Monica N. Cooper, 2011-10-26 Life isn't easy for Brooklyn Rideaux Growing up in the ward in Houston Texas Brooklyn feels like her family is always evolving First her mother Mama Betty takes in a newborn whose mother couldn't care for her anymore and then Brooklyn's three cousins come to live with her And to top it off Brooklyn's sister Pearl just had a baby of her own Add in Brooklyn's elderly live in grandmother and Brooklyn feels like she's lost in the shuffle After Brooklyn's father Tommy Boy is sent to prison Mama Betty does what she can to keep the family together But the more Brooklyn feels pushed to the side and unwanted the more she feels pressured to look for love in other places often resulting in harsh consequences and a life full of drama It's not until after a failed suicide attempt that Brooklyn realizes she needs to change and then accepts the Lord into her life as her Savior It is only through God's help and love that Brooklyn will be able to overcome life's obstacles and seek His ultimate plan for her Will she rely on God's help to free herself from the obstacles keeping her from His plan for her life "They Are All Red Out Here" Jeffrey A. Johnson, 2014-10-20 One of early twentieth century America's most fertile grounds for political radicalism the Pacific Northwest produced some of the most dedicated and successful socialists the country has ever seen As a radicalized labor force emerged in mining logging and other extractive industries socialists employed intensive organizational and logistical skills to become an almost permanent third party that won elections and shook the confidence of establishment rivals At the height of Socialist Party influence just before World War I a Montana member declared They are all red out here In this first book to fully examine the development of the American Socialist Party in the Northwest Jeffrey A Johnson draws a sharp picture of one of the most vigorous left wing organizations of this era Relying on party newspapers pamphlets and correspondence he allows socialists to reveal their own strategies as they pursued their agendas in Washington Oregon Idaho and Montana And he explores how the party gained sizable support in Butte Spokane and other cities seldom associated

today with left wing radicalism They Are All Red Out Here employs recent approaches to labor history by restoring rank and file workers and party organizers as active participants in shaping local history The book marks a major contribution to the ongoing debate over why socialism never grew deep roots in American soil and no longer thrives here It is a work of political and labor history that uncovers alternative social and political visions in the American West *Of Flesh and Blood* N.L.
