Not Exactly A Brahmin:

The Other Brahmins Adelaide Cromwell, 1994-01-01 Adelaide Cromwell's pioneering work explores race and the social caste system in an atypical northern environment over a period of two centuries. Based on scholarly sources, interviews, and questionnaires, the study identifies those blacks in Boston who exercised political, economic, and social leadership from the end of the eighteenth century to the middle of the twentieth. The central focus is a comparison of black and white upper class women in the 1940s. This rare look at a black social microcosm not located in the South is seminal and timely. Because it concludes at a critical period in American history, *The Other Brahmins* paints a colorful backdrop for evaluating subsequent changes in urban sociology and stratification. In a groundbreaking study, Cromwell effectively challenges the simplistic notions of hierarchy as they pertain to race.

The Merry Adventures of Harshabardhan & Gobardhan Shibram Chakraborty, 2014-04-15 Puns and pickles and funny twists of fate pepper the madcap adventures of the two bumbling brothers Harshabardhan and Gobardhan. Mildly dishonest timber merchants, foolhardy adventure buffs, reckless explorers, blundering do-gooders, occasional philosophers, and gullible blokes, the endearing duo creates the most hilarious misunderstandings, commits the silliest mistakes, and falls into the weirdest traps. Whether they are setting off on an elaborate tiger hunt or belling a cat, solving a mysterious burglary, or coming back from the dead, Harshabardhan and Gobardhan are a laugh riot. Joined by the author who writes himself into many a story and a stellar cast of supporting characters, Harshabardhan and Gobardhan's antics will keep you chuckling away. The two brothers are among the best-loved characters created by leading Bengali humorist Shibram Chakraborty. Appearing for the first time in this superb English translation by one of India's foremost translators, Arunava Sinha, these 20 classic comical stories will have you clutching your sides in merriment.

Being Brahmin, Being Modern Ramesh Bairy, 2013-01-11 There is clearly an academic and political obsession with the idea of the Brahmin. There is also simultaneously a near complete absence of engagement with the Brahmin as an embodied person or community. This book addresses this intriguing paradox by making available a sociological description of the Brahmins in today's Karnataka. It pursues three distinct yet enmeshed registers of inquiry: the persona of the Brahmin embodied in the agency of the individual Brahmin; the organised complexes of action such as the caste association and the public culture of print; and finally, taking off from a longer yet modern and contemporary history of non-Brahminical othering of the Brahmin. It argues that we tend to understand the contemporaneity of caste almost exclusively within the twin registers of legitimation, contestation, and dominance resistance. While these facets continue to be salient, there is also a need to push out into hitherto neglected dimensions of caste. The book focuses attention on the many lives of modern caste: its secularisation, the subject positions that it offers, the equivocations by which persons and communities become subjects of caste, their differential investments in the caste self.

The Method of Early Advaita Vedānta Michael Comans, 2000 This is a unique work discussing the teachings of four of the great Advaita Acaryas: Gaudapada, Sankara, and his two disciples.

Suresvara and Padmapada The first three chapters are concerned with the teachings of Gaudapada These chapters refer to most of
