**The Christian's Confidence** Nate Saint, 2020-07-01  
Can a Christian go to Hell? Can a Christian lose their salvation? Can a Christian sin? No study of soteriology, the doctrine of salvation, could be complete without thoroughly answering these important questions. As we dive into God's Word and examine the truth about eternal security, we'll discover the answer to these questions and more. The Christian's Confidence is written with the same depth of information as those written by John Maxwell, David Jeremiah, John MacArthur, Charles Stanley, Warren Wiersbe, and other leading Christian authors. This book will give you an in-depth look at an essential Bible doctrine. Inside, you'll find an analysis of what the Bible teaches about eternal security and a careful examination of the passages that seem to contradict that truth. I sincerely hope that you will end up with a solid understanding of the truth that is clearly taught in the Bible and that you will be equipped to defend that truth in the face of those who would attack it. Jesus said in John 8:32, "And ye shall know the truth, and the truth shall make you free." When you understand the truth of eternal security, you will be free—free from the bondage of religion and free from fear. When you know what the Bible says about salvation, you can be truly free in Christ.

*The Castle of Otranto and The Old English Baron - Gothic Stories* Horace Walpole, Clara Reeve, 2023-11-20  
From the eerie corridors of ancient strongholds to the depths of ancestral secrets, *The Castle of Otranto* and *The Old English Baron* are captivating works of classic horror with significant influence in the history of gothic fiction. Esteemed and highly influential, Horace Walpole's *The Castle of Otranto* (1764) was England's first gothic horror novel, but when Clara Reeve rewrote the story as *The Old English Baron* (1778) over thirty years later, her work was received with heavy criticism. With looming curses and familial treachery, both works are set in the medieval era with atmospheres steeped in relentless suspense. Yet where Walpole's prolific work blurs the line between realism and the supernatural, Reeve rewrote the fantastical story with features of naturalism for the modern reader. Discover the origins of gothic fiction in these two prolific novels and read their comparisons and critiques in this volume's featured excerpts by H.P. Lovecraft and Montague Summers.
