**Reading Globally, K-8** Barbara A. Lehman, Evelyn B. Freeman, Patricia L. Scharer, 2010-09-20 In *Reading Globally K-8* the authors make the case for why it is necessary to be globally literate and multiculturally aware in today's shrinking world and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms. By using books from or about other countries teachers empower students to view the world in a more positive manner, enriching and broadening their students' lives and ultimately preparing them for life in a global economy and culture. This reader-friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms, incorporating global literature into different content areas and facilitating the discussions that follow. Practical guidance is provided on how to integrate the reading of global texts across the curriculum with specific application to language arts, social studies, science, maths and the arts. Locate and evaluate the authenticity and literary merit of potential books, avoiding those that depict stereotypes. Get started with an annotated list of children's books, samples of student work and classroom vignettes from teachers.

**The Oxford Companion to Children's Literature** Daniel Hahn, 2015-03-26 The last thirty years have witnessed one of the most fertile periods in the history of children's books: the flowering of imaginative illustration and writing, the Harry Potter phenomenon, the rise of young adult and crossover fiction, and books that tackle extraordinarily difficult subjects. *The Oxford Companion to Children's Literature* provides an indispensable and fascinating reference guide to the world of children's literature. Its 3,500 entries cover every genre, from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. Originally published in 1983, the Companion has been comprehensively revised and updated by Daniel Hahn. Over 900 new entries bring the book right up to date. A whole generation of new authors and illustrators are showcased, with books like *Dogger*, *The Hunger Games* and *Twilight* making their first appearance. There are articles on developments such as manga, fan fiction and non-print publishing, and there is additional information on prizes and prizewinners. This accessible A to Z is the first place to look for information about the authors, illustrators, printers, publishers, educationalists and others who have influenced the development of children's literature, as well as the stories and characters at their centre. Written both to entertain and to instruct, the highly acclaimed *Oxford Companion to Children's Literature* is a reference work that no one interested in the world of children's books should be without.

*National Character in South African English Children's Literature* Elwyn Jenkins, 2006 This is the first full length study of South African English youth literature to cover the entire period of its publication from the late nineteenth century to the early twenty first century What gives this

book particular strength is its coverage of literature up to the 1960s which has until now received almost no scholarly attention Not only is this earlier literature a rewarding subject for study in itself but it also throws light on subsequent literary developments Jenkins also makes comparisons with American Canadian and Australian children's literature This book is essential reading for anyone seeking to understand children's literature in the context of adult South African literature and South African cultural history **BOOK JACKET**      **Instructional Models in Reading** Steven A. Stahl, David A.

Hayes, 2013-04-03 This book started with a simple idea examine models of reading instruction that have emerged during the past 20 years These models span a wide range of instruction representing a continuum from highly structured task analytic instruction to child centered and holistic instruction Each model has its own epistemology or views on how reading and instruction are to be defined The different epistemologies indicate different principles of instruction which in turn indicate different practices in the classroom Each model is also supported by a different research base In this volume leading proponents of these different models discuss their ideas about reading instruction thereby encouraging readers to make their own comparisons and contrasts The chapter authors seem to adopt the editors eclectic approach to some greater or lesser extent incorporating aspects of other models into their instruction as they see other goals Thus models of reading instruction are complex Complicating matters further is the fact that teachers hold their own models of reading which may or may not be congruent with those discussed here Although academically developed models influence college preservice and in service instruction teachers own models of reading filter the information that they take from what they learn from these perspectives By carefully examining these variables this book makes a firm contribution toward disciplined inquiry into what it means to teach reading      **Pretty Salma** Niki Daly, 2007 In this version of Little Red Riding Hood set in Ghana a young girl fails to heed Granny's warning about the dangers of talking to strangers
