Not Ashamed Of The Gospel Confessions Of A Liberal Charismatic:

Not Ashamed of the Gospel Henry E Neufeld, 2005-03-28 How can we be both rooted in scripture and also conscious of God's voice as God continues to speak to each one of us today [Not Ashamed of the Gospel](#) Henry E Neufeld, 2005-03-28 What is the good news If the gospel that Jesus taught is so good why are Christians so bad How can Christians relate to people of other faiths or of no faith at all Bible teacher Henry Neufeld wrestles with these issues in this book This is not a book of theology It is his personal testimony of what Jesus means in his life and how one can be both a serious committed Christian and a strong proponent of diversity and dialogue In fact he finds in the gospel not just permission to be tolerant but a command to be open honest and clear in his convictions and yet non judgmental of the views of others Henry's understanding of Christianity is built around the incarnation If God can cross the gap between the infinite and the finite to experience life with us surely we can cross the gap between ourselves and our fellow human beings You are never more God like than when you open your heart's door to another person The more different they are the more God like that action is he says in describing how Christians should seek to build relationships *I'm Right and You're Wrong* Steve Kindle, 2015-02-27 Why do well meaning intelligent people disagree about the Bible What should I do when people disagree How can I use disagreement to help me understand the Bible more clearly If I can't agree with someone on how to read the Bible does it mean the end of fellowship How many times have you had a conversation with someone that involved a disagreement over the Bible And how many times have these conversations led to interruptions of friendships or even extended family disputes Some of these disputes have split congregations Even the more mild disagreements can leave us perplexed Why is it that something so plain to one is so obviously unconvincing to others This often leads us to search for ways to convince others through honing our interpretive skills doing elaborate word studies consulting scholarly commentaries and the like In the end however people don't easily change their minds and we are left to wonder why This book differs from most in that rather than looking at how to interpret the Bible properly we'll examine the sources of disagreement among interpreters We all have our own ways of trying to understand the Bible and they are close to our hearts Many of us think our way is superior to most if not all But we will not venture into who is right and who is wrong in our interpretations What concerns us here is why we interpret the way we do and what our attitude should be toward those with whom we disagree **Identifying Your Gifts and Service** Henry Neufeld, 2005-03 This book provides a process for discovering and activating spiritual gifts in your congregation It is not a typical scientific survey designed to discover what kind of personality you have what you feel like doing or even what your talents are Instead it is a process designed to help a church congregation discover God's gifts and leading in their lives In going through this process you will be invited to shake off some of the walls and limitations you have placed on yourself and open yourself up to the full call that God has on your life Discovering and using your Spiritual Gifts is an adventure **When People Speak for God** Henry E. Neufeld, 2007-06-15 People with faith have always struggled with

whether to believe someone who claims to have a message from God Those with special interpretations of Scripture often claim just as much authority as those who claim to be prophets Writer and Bible teacher Henry Neufeld wrestles with the question of how to know what to believe Christian **The New York Times Index** ,2006 *The Gospel According to Jerry* Jerry G. A. Rodgers,2004-10-04 The testimony of this book reaffirms the original New Testament witness that the Christians separation from the world is so radical that in the eyes of the unbaptized worldling he is quite literally out of his mind Acts 26 24 Pauls description of the Christian gospel as folly 1 Cor 1 18 therefore is seen to be no mere literary device but a deep penetration to the root of the Christians alienation from the world The basic proclamation of that gospel_ that God was in Christ who died for our sins rose from the grave ascended into heaven and will some day return to judge both the living and the dead_ is at best hard to believe Mark 16 9 14 and at worst has been placed in the same category of delusional psychology of which those with experience in caring for the mentally ill can give numerous examples Albert Schweitzer The Psychiatric Study of Jesus My own experience of the gospel having run this gamut from best to worst has been for me a brilliant illumination of the depth of the riches of the wisdom and knowledge of God Rom 11 33 I believe it cannot but result in enlightenment for others also and therefore I publicly make this confession ___from the authors Foreword **I Am Not Ashamed** ,2024-08-07 Why I Am Not Ashamed of the Gospel of Christ Kenneth L. Cummings,1982
