# Not Many Dead Journal Of A Year In Fleet Street

**Tao Wei**

## **Not Many Dead Journal Of A Year In Fleet Street:**

For the Sake of Argument Christopher Hitchens, 1993 For the sake of argument one must never let a euphemism or a false consolation pass uncontested The truth seldom lies but when it does lie it lies somewhere in between The global turmoil of the last few years has severely tested every analyst and commentator Few have written with such insight as Christopher Hitchens about the large events or with such discernment and with about the small tell tale signs of a disordered culture For the Sake of Argument ranges from the political squalor of Washington as a beleaguered Bush administration seeks desperately to stave off disaster and Clinton prepares for power to the twilight of Stalinism in Prague from the Jewish quarter of Damascus in the aftermath of the Gulf War to the embattled barrios of Central America and the imperishable resistance of Saralevo as a difficult peace is negotiated with ruthless foes Hitchens unsparing account of Western realpolitik in the end shows it to rest on delusion as well as deception The reader will find in these pages outstanding essays on political assassination in America as well as a scathing review of the evisceration of politics by pollsters and spin doctors Hitchens knowledge of the tortuous history of revolutions in the twentieth century helps him to explain both the New York intelligentsia's flirtation with Trotskyism and the frailty of Communist power structures in Eastern Europe Hitchens pointed reassessments of Graham Greene P G Wodehouse and C L R James or his riotous celebration of drinkiness and smoking display an engaging enthusiasm and an acerbic wit Equally entertaining is his unsparing rogues gallery which gives us unforgettable portraits of the lugubrious Dr Kissinger the comprehensively reactionary Mother Teresa the preposterous Paul Johnson and the predictable P J O'Rourke
