Not the Marrying Kind is a new and comprehensive exploration of the contemporary same sex marriage debates in several jurisdictions including Australia Canada South Africa the United Kingdom and the United States It departs from much of the existing scholarship on same sex marriage which argues either for or against marriage for same sex couples Instead this book begins from a critical analysis of the institution of marriage itself as well as separate forms of relationship recognition such as civil partnership PaCS domestic partnership and asks whether and how feminist critiques of marriage might be applied specifically to same sex marriage In doing this the author combines the theories of second wave feminism with insights from contemporary queer theory Not the Marrying Kind Helen Dalzell, 1983-01-01 **Not the Marrying Kind** Julie Particka, 2016-03-04
