Food Kathlyn Gay,2017-01-01 Did you know starvation kills more people every year than AIDS malaria and tuberculosis combined Around the world millions of people go to bed hungry every night Farmers and ranchers produce enough food to feed everyone but much of that food does not get to the people who need it most In some places food has become a precious commodity almost like gold In this book author Kathlyn Gay explores the complicated interaction between food business politics and the environment She examines the international food aid system giant factory farms which grow

and slaughter animals using assembly line techniques and the genetic engineering of seeds plants and animals These systems and practices promise to get more food to the people who need it but the promises don't always pan out Worse many modern agricultural practices are harmful to the environment to workers who produce the food and even to consumers who eat it Gay explains that food politics will only become more complicated as Earth's climate grows warmer bringing rising sea levels shifting growing seasons and shrinking freshwater supplies

The Destructionists Dana Milbank, 2023-10-31 NEW YORK TIMES BEST SELLER A scalding history of twenty five years of Republican attempts to hold on to political power by any means necessary by a hugely popular Washington Post political columnist In 1994 more than 300 Republicans under the command of obstructionist and rabble rouser Congressman Newt Gingrich stood outside the U S Capitol to sign the Contract with America and put bipartisanship on notice Twenty five years later on January 6 2021 a bloodthirsty mob incited by President Trump invaded the Capitol Dana Milbank sees a clear line from the Contract with America to the coup attempt In the quarter century in between Americans have witnessed the crackup of the party of Lincoln and Reagan to its current iteration as a haven for white supremacists political violence conspiracy theories and authoritarianism Following the questionable careers of party heavyweights Newt Gingrich Karl Rove Mitch McConnell and Rudy Giuliani and those of many lesser known lowlights Milbank recounts the shocking lengths the Republican Party has gone to to maintain its grip on the American people
