Zipes,2013-02-01 Can fairy tales subvert consumerism Can fantasy and children s literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children s literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children s literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In Relentless Progress Zipes looks at the surprising ways that stories have influenced people within contemporary culture and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren t exposed to more non western fairy tales From picture books to graphic novels from children s films to video games from Grimm s fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children s stories have changed greatly in recent years much about these stories have remained the same despite their contemporary high tech repackaging Relentless Progress offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today s digital culture *Anyway** Arthur Salm,2013-05-07 At summer camp twelve year old Max reinvents himself as daring and fearless Mad Max and although he regrets some of his behavior among strangers he tries to keep some of that fearlessness when he returns home to his friends Caught Margaret Peterson Haddix,2013-04-30 When Jonah and Katherine travel to early 1900s Switzerland and Serbia to return Albert Einstein s daughter Lieserl to history her mother Mileva grasps entirely too much about time travel and has no intention of letting her daughter go The Forbidden Castle Edward Packard,2013-04-30 The reader s decisions control the course of an adventure set in Europe during the Middle Ages as kings and knights seek to gain riches and power by finding and conquering the Forbidden Castle Wooden Bones Scott William Carter,2013-08-06 Pino and his father Gepetto face grave danger when they are forced to go on the run after villagers learn that a puppet made by Pino to represent Gepetto s dead wife can move as Pino himself did before becoming a real boy The Black Paw Heather Vogel Frederick,2013-04-02 In this tale of mice and menace young Oz Levinson gets his chance to become a spy when he meets Glory Goldenleaf a spy mouse with a huge problem the evil rat Roquefort DuPont has stolen Glory s secret weapon Illustrations **Of Giants and Ice** Shelby Bach,2012-07-24 When Rory realizes fairy tales are the real deal at Ever After School she embarks on a classic quest to fulfill her destiny in this fast paced combination of middle school realism and fairy tale fantasy Kirkus Reviews Rory Landon has spent her whole life being known as the daughter of a famous movie star mom and director dad So when she begins a new after school program and no one knows who her family is Rory realizes something is different After she ends up fighting a fire breathing dragon on her first day she realizes the
