The Mindful Way through Anxiety Susan M. Orsillo, Lizabeth Roemer, 2011-08-08 You can't just get over anxiety. In fact, the very things most people do to try to feel better—avoiding feared situations, pushing worry out of mind—only make the problem worse. Leading psychologists Susan M. Orsillo and Lizabeth Roemer present a powerful new alternative that can help you break free of anxiety by fundamentally changing how you relate to it. With clarity and compassion, this book describes clinically tested mindfulness practices specifically tailored for anxiety in its many forms. According to the Bible, the end will come at a time when no one expects it. Will it be for all to see, or will it happen at night when fewer are awake? Can we place a specific date or time on it, or is it going to be random? There are many signs of prophecy that have already been fulfilled to allow us to understand the time is getting closer. Let's take a deeper look into the subject and find out what we need to know to prepare for this world-altering event. It is definitely a time for celebration. The second coming of Christ is nearer than you may think. Don't worry; just have faith in Him. Jesus himself said, "Who of you by worrying can add a single hour to his life?" **Children's Books in Print, 2007**, 2006

The man spent an hour physically and sexually assaulting Wendy, leaving her changed forever. After this terrifying experience, she lived for years cocooned in a prison of fear, despair, and hopelessness. Finally, after years of searching and believing she had nowhere else to turn, she fell on her knees before God and poured out her tears, anger, and questions to Him. Wendy's story is one of transformation from trauma to rebirth through the power of the Word of God. Through *Hidden Joy in a Dark Corner*, the reader will experience hope and the encouragement necessary to press forward to healing and restoration.
