The Bible and Colonialism Michael Prior,1997-05-01 The biblical claim of the divine promise of land is integrally linked with a divine mandate to exterminate the indigenous people The narrative has supported virtually all Western colonizing enterprises e g in Latin America South Africa Palestine resulting in the suffering of millions of people and loss of respect for the Bible According to modern secular standards of human and political rights what the biblical narrative calls for are war crimes and crimes against humanity In this provocative and compelling study Prior protests at the neglect of the moral question in conventional biblical studies and attempts to rescue the Bible from being a blunt instrument in the oppression of people

Management of Shared Groundwater Resources Eran Feitelson,Marwan Haddad,2012-12-06 Most of the world s freshwater resources in the liquid state i e not in glaciers and polar caps are underground As the population grows and demand for water rises reliance on groundwater increases In many cases the groundwater underlies boundaries or is part of a hydraulic system that crosses boundaries In such cases there is always the danger that the prisoner s dilemma will run its course and all parties will compete over who will pump the most water ultimately destroying the storage potential to the detriment of future generations of all parties reliant on the groundwater This book explores the options and means for averting this all too realistic scenario by managing these shared groundwater resources Nowhere is the likelihood of excessive use of groundwater greater than in the water scarce Middle East and especially in the Israeli Palestinian case Here both sides are heavily reliant on a shared aquifer the Mountain aquifer This book is the outcome of a seven year effort to find ways to manage the Mountain aquifer perhaps the most important resource shared by Israelis and Palestinians As part of this cooperative study four workshops were held in which a selected number of Palestinian Israeli and foreign experts were invited The chapters in this book were originally presented in one of these workshops To these papers introductory and concluding chapters were added

The Minority Voice Robert Tobin,2012-01-05 The first full length study of essayist and controversialist Hubert Butler offers a comprehensive account of a literary and social figure whose importance in twentieth century Irish culture is increasingly recognised

The Israel-Palestine Conflict Neil Caplan,2019-09-11 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps

readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers

Jordan, the United States and the Middle East Peace Process, 1974-1991 Madiha Rashid al Madfai, 1993-03-25 Madiha Madfai explores Jordan's role in the USA's peacemaking efforts during the Carter Reagan and Bush administrations

Philosophical Perspectives on the Israeli-Palestinian Conflict Tomis Kapitan, 2015-06-11 This volume addresses a number of philosophical problems that arise in consideration of the century old conflict between Israeli Jews and Palestinian Arabs Consisting of essays by fifteen contributors including both Israeli and Palestinian philosophers and a lengthy introduction by the editor it deals with rights to land sovereignty self determination the existence and legitimacy of states cultural prejudice national identity intercommunal violence and religious intransigence

Unsettled Labors Rachel H. Brown, 2024-06-24 In *Unsettled Labors* Rachel H Brown explores the overlooked labor of migrant workers in Israel's eldercare industry Brown argues that life in eldercare in Palestine Israel which is primarily done by migrant workers is an often invisible area where settler colonialism is reproduced culturally economically and biologically Situating Israeli labor markets within a longer history of imperialism and dispossession of Palestinian land Brown positions migrant eldercare within the resulting tangle of Israeli laws policies and social discourses She draws from interviews with caretakers public statements court documents and first hand fieldwork to uncover the inherently contradictory nature of elder care work the intimate presence of South and Southeast Asian workers in the home unsettles the idea of the Israeli home as an exclusively Jewish space By paying close attention to the comparative racialization of migrant workers Palestinians asylum seekers and Mizrahi and Ashkenazi settlers Brown raises important questions of labor social reproduction displacement and citizenship told through the stories of collective care provided by migrant workers in a settler colonial state

Resisting Domination in Palestine Alaa Tartir, Timothy Seidel, Tariq Dana, 2024-04-04 This meticulously curated edited volume presents an assemblage of insightful critical and contemporary perspectives on how Israeli domination has been sustained and

reproduced in new forms and means using various mechanisms and techniques of control coloniality and settler colonialism Based on original empirical fieldwork the contributors to this book adopt interdisciplinary and decolonial approaches in their examination of the intricate functions and structures of domination that permeate Palestinian life by illuminating the power dynamics at play and revealing the mechanisms that sustain the settler colonial regime This book identifies sites of colonial control and domination exerted on Palestine by Israel and demonstrates how these sites of control are also sites of Palestinian resistance The first section explores the political sites of control by focusing on governmentality institutions and technologies and mechanisms of control including how Israel manages access to health life and death The second section examines the economic mechanisms of exploitation dispossession and development including banking taxation and the relationships between finance capital aid and military occupation The third section turns attention to environmental sites of control focusing on land indigeneity space and racial capitalism Finally section four scrutinizes the intellectual sites of control highlighting how norms narratives and knowledge production perpetuate domination
