Palestine Israel And The Politics Of Popular Culture:

Palestine, Israel, and the Politics of Popular Culture Rebecca L. Stein, Ted Swedenburg, 2005-07-13 This important volume rethinks the conventional parameters of Middle East studies through attention to popular cultural forms producers and communities of consumers The volume has a broad historical scope ranging from the late Ottoman period to the second Palestinian uprising with a focus on cultural forms and processes in Israel Palestine and the refugee camps of the Arab Middle East The contributors consider how Palestinian and Israeli popular culture influences and is influenced by political economic social and historical processes in the region At the same time they follow the circulation of Palestinian and Israeli cultural commodities and imaginations across borders and checkpoints and within the global marketplace The volume is interdisciplinary including the work of anthropologists historians sociologists political scientists ethnomusicologists and Americanist and literary studies scholars Contributors examine popular music of the Palestinian resistance ethno racial passing in Israeli cinema Arab Jewish rock Euro Israeli tourism to the Arab Middle East Internet communities in the Palestinian diaspora caf culture in early twentieth century Jerusalem and more Together they suggest new ways of conceptualizing Palestinian and Israeli political culture Contributors Livia Alexander Carol Bardenstein Elliott Colla Amy Horowitz Laleh Khalili Mary Layoun Mark LeVine Joseph Massad Melani McAlister Ilan Papp Rebecca L Stein Ted Swedenburg Salim Tamari *Popular Culture, Crime and Social Control* Mathieu Deflem, 2010-04-21 Contains contributions on the theme of popular culture crime and social control This title includes chapters that tease out various criminologically relevant issues pertaining to crime deviance and or the control thereof on the basis of an analysis of various aspects and manifestations of popular culture including music and movies **Popular Culture in the Middle East and North Africa** Walid El Hamamsy, Mounira Soliman, 2013 This book explores the body and the production process of popular culture in and on the Middle East and North Africa Turkey and Iran in the first decade of the 21st century and up to the current historical moment Essays consider gender racial political and cultural issues in film cartoons music dance photo tattoos graphic novels fiction and advertisements Contributors to the volume span an array of specializations ranging across literary postcolonial gender media and Middle Eastern studies and contextualize their views within a larger historical and political moment analyzing the emergence of a popular expression in the Middle East and North Africa region in recent years and drawing conclusions pertaining to the direction of popular culture within a geopolitical context The importance of this book lies in presenting a fresh perspective on popular culture combining media that are not often combined and offering a topical examination of recent popular production aiming to counter stereotypical representations of Islamophobia and otherness by bringing together the perspectives of scholars from different cultural backgrounds and disciplines The collection shows that popular culture can effect changes and alter perceptions and stereotypes constituting an area where people of different ethnicities genders and orientations can find common grounds for expression and connection Routledge Companion to

the Israeli-Palestinian Conflict Asaf Siniver, 2022-10-27 This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict **Edward Said** Adel Iskandar, Adel Iskander, Hakem Rustom, 2010 This indispensable volume a comprehensive and wide ranging resource on Edward Said's life and work spans his broad legacy both within and beyond the academy The book brings together contributions from 31 luminaries to engage Said's provocative ideas Geographies of Liberation Alex Lubin, 2014-02-01 In this absorbing transnational history Alex Lubin reveals the vital connections between African American political thought and the people and nations of the Middle East Spanning the 1850s through the present and set against a backdrop of major political and cultural shifts around the world the book demonstrates how international geopolitics including the ascendance of liberal internationalism established the conditions within which blacks imagined their freedom and conversely the ways in which various Middle Eastern groups have understood and used the African American freedom struggle to shape their own political movements Lubin extends the framework of the black freedom struggle beyond the familiar geographies of the Atlantic world and sheds new light on the linked political social and intellectual imaginings of African Americans Palestinians Arabs and Israeli Jews This history of intellectual exchange Lubin argues has forged political connections that extend beyond national and racial boundaries **Teaching Religion and Film** Gregory J Watkins, 2008-08-22 In a culture increasingly focused on visual media students have learned not only to embrace multimedia presentations in the classroom but to expect them Such expectations are perhaps more prevalent in a field as dynamic and cross disciplinary as religious studies but the practice nevertheless poses some difficult educational issues the use of movies in academic coursework has far outpaced the scholarship on teaching religion and film What does it mean to utilize film in religious studies and what are the best ways to do it In *Teaching Religion and Film* an interdisciplinary team of scholars thinks about the theoretical and pedagogical concerns involved with the intersection of film and religion in the classroom They examine the use of film to teach specific religious traditions religious theories and perspectives on fundamental human values Some instructors already teach some version of a film and religion course and many have integrated film as an

ancillary to achieving central course goals This collection of essays helps them understand the field better and draws the sharp distinction between merely watching movies in the classroom and comprehending film in an informed and critical way

Palestinian Youth Media and the Pedagogies of Estrangement Sanjay Asthana,Nishan Havandjian,2016-01-26

Through an investigation on how Palestinian youth appropriate low end information and communication technologies ICTs and digital media forms Sanjay Asthana and Nishan Havandjian analyze how certain developments in globalization and media convergence enable young people to create new civic spaces *Politics and Palestinian Literature in Exile* Joseph

Farag,Joseph R. Farag,2016-11-14 Despite or even because of their tumultuous history Palestinians are renowned for being prolific cultural producers creating many of the Arab world s most iconic works of literature In particular the Palestinian short story stands out for its unique interplay between literary texts and the political and historical contexts from which they emerge Palestinian Literature in Exile is the first English language study to explore this unique genre Joseph Farag employs an interdisciplinary approach to examine the political function of literary texts and the manner in which cultural production responds to crucial moments in Palestinian history Drawing from the works of Samira Azzam Ghassan Kanafani and Ibrahim Nasrallah Farag traces developments in the short story as they relate to the pivotal events of what the Palestinians call the Nakba catastrophe Naksa defeat and First Intifada uprising In analysing several as yet un translated works Farag makes an original contribution to the subject of exilic identity and subjectivity in Palestinian literature This book offers the opportunity to engage with literary works as well to learn from a literary account of history It is a subject of interest for students and scholars of both Arabic literature and Middle East studies *Music, Politics, and Violence* Susan Fast,Kip Pegley,2012-11-16

Music and violence have been linked since antiquity in ritual myth and art Considered together they raise fundamental questions about creativity discourse and music s role in society The essays in this collection investigate a wealth of issues surrounding music and violence issues that cross political boundaries time periods and media and provide cross cultural case studies of musical practices ranging from large scale events to regionally specific histories Following the editors substantive introduction which lays the groundwork for conceptualizing new ways of thinking about music as it relates to violence three broad themes are followed the first set of essays examines how music participates in both overt and covert forms of violence the second section explores violence and reconciliation and the third addresses healing post memorials and memory Music Politics and Violence affords space to look at music as an active agent rather than as a passive art and to explore how music and violence are closely and often uncomfortably entwined CONTRIBUTORS include Nicholas Attfield Catherine Baker Christina Baade J Martin Daughtry James Deaville David A McDonald Kevin C Miller Jonathan Ritter Victor A Vicente and Amy Lynn Wlodarski **Itineraries in Conflict** Rebecca L. Stein,2008-08-26 An anthropological study of the relationship of tourism to Israeli identities politics and nation making *At the Crossroads of Music and Social Justice* Brenda M.

Romero,Susan M. Asai,David A. McDonald,Andrew G. Snyder,Katelyn E. Best,2023-02-07 Music is powerful and

transformational but can it spur actual social change A strong collection of essays At the Crossroads of Music and Social Justice studies the meaning of music within a community to investigate the intersections of sound and race ethnicity religion gender sexual orientation and differing abilities Ethnographic work from a range of theoretical frameworks uncovers and analyzes the successes and limitations of music s efficacies in resolving conflicts easing tensions reconciling groups promoting unity and healing communities This volume is rooted in the Crossroads Section for Difference and Representation of the Society for Ethnomusicology whose mandate is to address issues of diversity difference and underrepresentation in the society and its members professional spheres Activist scholars who contribute to this volume illuminate possible pathways and directions to support musical diversity and representation At the Crossroads of Music and Social Justice is an excellent resource for readers interested in real world examples of how folklore ethnomusicology and activism can together create a more just and inclusive world

Insurgent Aesthetics Ronak K. Kapadia,2019-10-25 In *Insurgent Aesthetics* Ronak K Kapadia theorizes the world making power of contemporary art responses to US militarism in the Greater Middle East He traces how new forms of remote killing torture confinement and surveillance have created a distinctive post 9 11 infrastructure of racialized state violence Linking these new forms of violence to the history of American imperialism and conquest Kapadia shows how Arab Muslim and South Asian diasporic multimedia artists force a reckoning with the US war on terror s violent destruction and its impacts on immigrant and refugee communities Drawing on an eclectic range of visual installation and performance works Kapadia reveals queer feminist decolonial critiques of the US security state that visualize subjugated histories of US militarism and make palpable what he terms the sensorial life of empire In this way these artists forge new aesthetic and social alliances that sustain critical opposition to the global war machine and create alternative ways of knowing and feeling beyond the forever war

Middle Eastern Belongings Diane E. King,2013-09-13 This book features chapters that examine the various ways of belonging in the Middle East Belonging can mean fitting in feeling at home feeling a part this kind of belonging is profoundly social Belongings can be possessions objects closely associated with one s deepest notions of identity Both kinds of belongings pertain to people and the kindreds ethnic groups and nations and or states they call their own Belongings of both kinds are more often than not emplaced and territorialized All of the chapters treat Middle Eastern collectivities as sites of anguished cultural projects All use metaphor national territory as woman national resolve as cactus and so on None is reductionistic belonging is rendered in its complexity with its agonies as well as its joys All could be identified with a growing genre of work on belonging At the heart of each are the bonds that comprise belonging Each one conveys both belonging s messiness and its joys and touches as much as it argues and elaborates This book was published as a special issue of *Identities Global Studies in Culture and Power*

Migrating Music Jason Toynbee, Byron Dueck, 2011-03-31 Migrating Music considers the issues around music and cosmopolitanism in new ways Whilst much of the existing literature on world music questions the apparently world disclosing nature of this genre but says relatively little about migration and mobility diaspora studies have much to say about the latter yet little about the significance of music In this context this book affirms the centrality of music as a mode of translation and cosmopolitan mediation whilst also pointing out the complexity of the processes at stake within it Migrating music it argues represents perhaps the most salient mode of performance of otherness to mutual others and as such its significance in socio cultural change rivals and even exceeds literature film and other language and image based cultural forms This book will serve as a valuable reference tool for undergraduate and postgraduate students with research interests in cultural studies sociology of culture music globalization migration and human geography

Practicing Transnationalism Eileen T. Lundy, Edward J. Lundy, 2016-09-06 Practicing Transnationalism explores the challenges of teaching American studies in the Middle East during a time of tension and conflict between the United States and the region In the first decade of the twenty first century American studies programs began to spread in the Middle East During a time of rising anti American sentiment ten major programs were established in the region What impulses propelled universities in the Middle East to establish these centers and programs What motivated students to take courses and pursue degrees in American studies In part American studies programs developed as a way to know the enemy to better understand America s ubiquitous influence in foreign relations technology and culture however some programs grew because residents admired the ideals set forth as American including democracy and free speech Practicing Transnationalism investigates these issues and others using the experiences and research of the editors and contributors who worked either directly in these programs or as adjunct to them These scholars seek to understand what American power means to people in the Middle East They examine the challenge of developing American studies programs in a transnational paradigm striving to build programs that are

separate from and critical of American imperialism without simply becoming anti American In the essays the contributors provide context for how the field of American studies has grown and developed and they offer views of cultural interactions and classroom situations demonstrating the problems instructors faced and how they worked to address them The Routledge Handbook of Contemporary Jewish Cultures Nadia Valman, Laurence Roth, 2017-07-14 The Routledge Handbook to Contemporary Jewish Cultures explores the diversity of Jewish cultures and ways of investigating them presenting the different methodologies arguments and challenges within the discipline Divided into themed sections this book considers in turn How the individual terms Jewish and culture are defined looking at perspectives from Anthropology Music Literary Studies Sociology Religious Studies History Art History and Film Television and New Media Studies How Jewish cultures are theorized looking at key themes regarding power textuality religion secularity memory bodies space and place and networks Case studies in contemporary Jewish cultures With essays by leading scholars in Jewish culture this book offers a clear overview of the field and offers exciting new directions for the future *Death of a Holy Land* Rose L. Levinson, 2013-06-20 *Death of a Holy Land* Reflections in Contemporary Israeli Fiction by Rose Levinson uses the work of four contemporary Israeli authors as a lens into present day Israel Discussing the novels of Orly Castel Bloom Michal Govrin Zeruya Shalev and Yoram Kaniuk the book argues for a new understanding of today's Israel Crucial to renewed awareness is a view of the country that jettisons the notion of Israel as an exceptional sacred state immune from 21st century discontents Attention is focused on ways in which many of Israel's most pressing problems are linked to long standing issues of Jewish identity Continual reference to the novels gives weight and substance to *Death of a Holy Land's* underlying insistence on the need for a critical view of Israel as a country deeply ill at ease with itself *Bringing Zion Home* Emily Alice Katz, 2015-01-08 Demonstrates how American Jews used culture art dance music fashion literature to win the hearts and minds of postwar Americans to the cause of Israel *Bringing Zion Home* examines the role of culture in the establishment of the special relationship between the United States and Israel in the immediate postwar decades Many American Jews first encountered Israel through their roles as tastemakers consumers and cultural impresarios that is by writing and reading about Israel dancing Israeli folk dances promoting and purchasing Israeli goods and presenting Israeli art and music It was precisely by means of these cultural practices argues Emily Alice Katz that American Jews insisted on Israel's natural place in American culture a phenomenon that continues to shape America's relationship with Israel today Katz shows that American Jews promotion and consumption of Israel in the cultural realm was bound up with multiple agendas including the quest for Jewish authenticity in a postimmigrant milieu and the desire of upwardly mobile Jews to polish their status in American society And crucially as influential cultural and political elites positioned culture as both an engine of American dominance and as a purveyor of peace in the Cold War many of Israel's American Jewish impresarios proclaimed publicly that cultural patronage of and exchange with Israel advanced America's interests in the Middle East and helped spread the American way in the

postwar world Bringing Zion Home is the first book to shine a light squarely upon the role and importance of Israel in the arts popular culture and material culture of postwar America
