

PALESTINIAN SELF-DETERMINATION

A Study of the West Bank and Gaza Strip

HASSAN BIN TALAL
CROWN PRINCE OF JORDAN

Palestinian Self Determination A Study Of The West Bank And Gaza Strip

David Kirk

Palestinian Self Determination A Study Of The West Bank And Gaza Strip:

Palestinian Self-determination Hassan bin Talal (Prince of Jordan.),1981 **Palestinian Refugees in International Law** Francesca Albanese, Lex Takkenberg, 2020 The Palestinian conflict has produced one of the most tragic refugee crises since World War II with the number of refugees caused by the violence associated with the creation of the State of Israel numbering around 11 million in 2011 The much lauded first edition in 1998 of *The Status of Palestinian Refugees in International Law* was the first book to comprehensively analyse the legal aspects of the Palestinian refugee crisis yet the last two decades have seen multiple developments New waves of conflict and displacement have affected Palestinian refugees in the Middle East and there has been Israeli encroachment on Palestinian territory Hamas has grown and a schism has formed within the first Palestinian government The so called Arab Spring has impacted the life fate and legal status of thousands of Palestinian refugees In international legal jurisprudence change has been similarly rapid In 2004 the International Court of Justice delivered a crucial advisory opinion on the Separation Wall authoritatively elucidating the international legal framework applicable to the Israeli occupation Numerous international human rights bodies and UN fact finding missions have added their analysis to the mix The possibility of the State of Palestine joining the International Criminal Court has spurred discussion relating to the applicability of international criminal law to Palestinian refugees Clear compelling and authoritative Lex Takkenberg and Francesca Albanese discuss the status quo both on the ground and in the courts and pose future scenarios to come *International Law and the Arab-Israeli Conflict* Robbie Sabel, 2022-04-28 Drawing upon Robbie Sabel s first hand involvement with many legal negotiations in the Arab Israeli conflict *International Law and the Arab Israeli Conflict* examines international law in relation to the conflict by analysing its major events and agreements both historical and contemporary Outlining the role of international law from the collapse of the Ottoman Empire until the present day it considers the legal elements of the various peace treaties that Israel has signed with its neighbouring Arab States Using his expertise as a professor practitioner and ambassador Sabel endeavours to represent both sides of the conflict offering a wealth of counter arguments and adding his own legal interpretations With this valuable resource students and researchers working within a range of disciplines can fully appreciate the role of international law in the Arab Israeli conflict

Research Handbook on International Law and Terrorism Ben Saul, 2020-04-24 This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field including new topics for this edition such as foreign terrorist fighters the nexus between organized crime and terrorism and the prevention of violent extremism **The Legal Case for Palestine** Steven E. Zipperstein, 2024-07-31 This book critically analyzes the Palestinian legal arguments against Israeli occupation and in favor of Palestinian statehood For the past two decades Palestinians have chosen to pursue their claims against the Israeli occupation through litigation at the international courts It is therefore

appropriate the author contends to analyze the merits of the Palestinian legal claims separately from their political claims To do so the book comprises five parts Part I addresses the role of international law in the conflict as well as Palestinian legal framing and lawfare Part II recounts the relevant legal history including the crucial legal implications of the Oslo Accords Part III analyzes Palestinian legal claims regarding the West Bank and the Gaza Strip Part IV assesses the Palestinian legal case for statehood Part V analyzes Palestinian legal claims regarding Jerusalem Ultimately it is argued that the Palestinian legal case is weak even though the two state solution continues to represent the most viable long term political outcome to the conflict Moreover the author suggests that Palestinian leaders have repeatedly opted for conflict perpetuation through lawfare and violence rather than conflict resolution through negotiation Providing fresh insights into the claims and counterclaims of Palestinian legal arguments the book will appeal broadly to anyone interested in the Israeli Palestinian conflict and international law

The Israel-Palestine Conflict Elizabeth Matthews, 2011-03-21 The conflict between the Israelis and the Palestinians is considered intractable by many and is frequently characterised by the violence between the two sides In attempts at peace the starting point for negotiations is a cessation of violence beneath this however lies a plethora of other issues to be addressed This unique text brings together Israeli and Palestinian viewpoints on a number of key issues and topics making clear the points of agreement as well as the views that divide The chapters deal first with three issues that require compromise and resolution for a peace treaty to be realized water refugees and borders territory and settlements and then with three important concepts that can either impede or promote peace democracy human rights and peace culture and education Thus the book provides an invaluable opportunity to understand at least in part the divergent and even convergent interests and understandings of Israelis and Palestinians on issues and concepts important to the peace process As such it will be a valuable resource for courses on conflict resolution the Middle East peace process and political science

King Hussein and the Evolution of Jordan's Perception of a Political Settlement with Israel, 1967-1988 Joseph Nevo, 2006-08-16 Throughout the decade that predated the 1967 war Jordan's declared views regarding Israel and the Arab Israeli conflict were not basically different from those of the Arab consensus namely rejection of Israel's legitimacy This work talks about this conflict

The A to Z of the Arab-Israeli Conflict P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing

readers to draw conclusions for themselves **American-Arab Affairs** ,1982 **Islamic State Practices, International Law and the Threat from Terrorism** Javaid Rehman,2005-05-31 In the post 9 11 legal and political environment Islam and Muslims have been associated with terrorism Islamic civilization has increasingly been characterized as backward insular stagnant and unable to deal with the demands of the twenty first century and differences and schisms between Islam and the west are being perceived as monumental and insurmountable 9 11 terrorist attacks have unfortunately provided vital ammunition to the critics of Islam and those who champion a clash of civilizations In this original and incisive study the author investigates the relationship between Islamic law States practices and International terrorism It presents a detailed analysis of the sources of Islamic law and reviews the concepts of Jihad religious freedom and minority rights within Sharia and Siyar In eradicating existing misconceptions the book provides a thorough commentary of the contributions made by Islamic States in the development of international law including norms on the prohibition of terrorism It presents a lucid debate on such key issues within classical and modern Islamic State practices as diplomatic immunities prohibitions on hostage taking aerial and maritime terrorism and the financing of terrorism The book surveys the unfairness and injustices within international law a legal system dominated and operated at the behest of a select band of powerful States It forewarns that unilateralism and the undermining of human rights values in the name of the war on terrorism is producing powerful reactions within Muslim States the new world order presents a dangerous prognosis of the self fulfilling prophecy of an inevitable clash of civilizations between the Islamic world and the west **Jordan, the United States and the Middle East Peace Process, 1974-1991** Madiha Rashid al Madfai,1993-03-25 Madiha Madfai explores Jordan s role in the USA s peacemaking efforts during the Carter Reagan and Bush administrations **The Reconstruction of Palestinian Nationalism** Helena Lindholm Schulz,1999 This text deals with the task of shedding light in the creation of Palestinian nationalism s and national identity It will be of interest to students and specialists concerned with the politics of nationalism and the politics of identity **Jordan** Beverley Milton-Edwards,Peter Hinchcliffe,2001 This volume offers an overview of the history politics and economics of this fascinating country it s main focus being on King Hussein s reign his quest to modernise his internal struggle with the Palestinians and his pursuit of peace in the area *Palestine and the Palestinians* Samih K. Farsoun,2018-05-04 Palestine and the Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions Postcolonial Studies Pramod K. Nayar,2015-09-28 This new anthology brings together the most diverse and recent voices in postcolonial theory to emerge since 9 11 alongside classic texts in established areas of postcolonial studies Brings fresh insight and renewed political energy to established domains such as nation history

literature and gender Engages with contemporary concerns such as globalization digital cultures neo colonialism and language debates Includes wide geographical coverage from Ireland and India to Israel and Palestine Provides uniquely broad coverage offering a full sense of the tradition including significant essays on science technology and development education and literacy digital cultures and transnationalism Edited by a distinguished postcolonial scholar this insightful volume serves scholars and students across multiple disciplines from literary and cultural studies to anthropology and digital studies

The Palestinian National Movement Amal Jamal, 2005-06-08 A comprehensive up to date account of the dynamics in the Palestinian political arena Ann M Lesch Villanova University This innovative study examines the internal dynamics of the Palestinian political elite and their impact on the struggle to establish a Palestinian state The PLO leadership has sought to prevent the rise of any alternative in the West Bank and Gaza Strip that can challenge its authority to represent Palestinian aspirations for self determination Drawing on Palestinian sources and interviews with Palestinian political leaders Jamal argues that the Fatah leadership has attempted to mobilize new social forces local secular nationalist and Islamist movements while undermining their ability to develop independent power structures This policy has served to radicalize the younger local elites contributing to the tensions that precipitated the first and second intifadas Israel s policies have undermined the legitimacy of the national elite while enhancing the Islamist opposition s ideological legitimacy In this way internal elite disunity and growing political differentiation have worked against development of a common Palestinian strategy of state building

Where Now for Palestine? Jamil Hilal, 2008-02-29 Where Now for Palestine marks a turning point for the Middle East Since 2000 the attacks of 9 11 the death of Arafat and the elections of Hamas and Kadima have meant that the Israel Palestine two state solution now seems illusory This collection critically revisits the concept of the two state solution and maps the effects of local and global political changes on both Palestinian people and politics The authors discuss the changing face of Fateh Israeli perceptions of Palestine and the influence of the Palestinian diaspora The book also analyzes the environmental destruction of Gaza and the West bank the economic viability of a Palestinian state and the impact of US foreign policy in the region This authoritative and up to date guide to the impasse facing the region is required reading for anyone wishing to understand a conflict entrenched at the heart of global politics

The boundaries of international law Hilary Charlesworth, Christine Chinkin, 2022-04-19 In the first book length treatment of the application of feminist theories of international law Charlesworth and Chinkin argue that the absence of women in the development of international law has produced a narrow and inadequate jurisprudence that has legitimated the unequal position of women worldwide rather than confronting it The boundaries of international law provides a feminist perspective on the structure processes and substance of international law shedding new light on treaty law the concept of statehood and the right of self determination the role of international institutions and the law of human rights Concluding with a consideration of whether the inclusion of women in the jurisdiction of international war crimes tribunals represents a significant shift in the

boundaries of international law the book encourages a dramatic rethinking of the discipline of international law With a new introduction that reflects on the profound changes in international law since the book s first publication in 2000 this provocative volume is essential reading for scholars practitioners and students alike

Israel and the Palestinians: Prospects for a Two-State Solution Jim Zanotti,2010 Contents 1 Overview 2 Evaluating the Annapolis Process Signs of Progress or of Setbacks Debate Over the Urgency of Reaching a 2 State Solution Windows of Opportunity for Consensus on the Peace Process Going Forward from Annapolis 3 Changes Since Oslo Middle East Geopolitics Demographic Concerns Arabs to Outnumber Jews Violence and Palestinian Factionalism Impediments to Palestinian Territorial Contiguity and Movement 4 Alternatives to a 2 State Solution 1 State Solution Israeli Unilateralism Jordanian or Regional Option Status Quo 5 The U S Approach The Role of Hamas Capacity Building for Palestinian Moderates Israeli Settlements in the West Bank and East Jerusalem Maps

Palestine and Israel David McDowall,1991-07-01 In this thoroughly researched and highly topical book David McDowall considers the Palestinian uprising from a historical social and political perspective and carefully reassesses the prospects for a settlement of the Arab Israeli conflict
