Palestinian Problem:

Understanding the Palestinian-Israeli Conflict Phyllis Bennis, 2012-12-28 If you have ever wondered Why is there so much violence in the Middle East Who are the Palestinians What are the occupied territories or What does Israel want then this is the book for you With straightforward language Phyllis Bennis longtime analyst of the region answers basic questions about Israel and Israelis Palestine and Palestinians the US and the Middle East Zionism and anti-Semitism about complex issues ranging from the Oslo peace process to the election of Hamas to the Goldstone Report and the Palestinians UN initiatives Together her answers provide a comprehensive understanding of the longstanding Palestinian Israeli conflict This new edition includes sections on the continuing settlement crisis the UN statehood bid and UNESCO Palestine in the Arab Spring BDS and the Palestinian nonviolent movements the Israeli elections and what's ahead Sections include The Crisis The Other Players The Role of the US the UN the Arab States and Europe Recent History Rising Violence Looking Backward 1900 1991 The Future **The Palestinian Issue**, 1975 The Palestinian Issue in Middle East Peace Efforts United States. Congress.

House. Committee on International Relations. Special Subcommittee on Investigations, 1976 **The Palestinian National Revival** Moshe Shemesh, 2018-09-12 Former Israeli intelligence officer Moshe Shemesh offers a fresh understanding of the complex history and politics of the Middle East in this new analysis of the Palestinian national movement Shemesh looks at the formative years of the movement that emerged following the 1948 War and traces the leaders their objectives and their weaknesses fragmentation and conflicts with their neighbors He follows the formation of the Sons of Nakba the establishment of Fatah the reframing of Jordan as analogous with the Palestinian cause and the creation of the Palestine Liberation Organization and its new expression of nationalism until the 1967 War With unprecedented access to Arabic sources Shemesh provides new perspectives on inter Arab politics and the history of the intractable Arab Israeli conflict

The Core Issues of the Israeli-Palestinian Conflict Moshe Elad, 2024-02-06 The Core Issues of the Israeli Palestinian Conflict goes beyond surface level analysis delving into the root causes and deeply entrenched narratives that have hindered the quest for lasting peace The book explores the territorial disputes identity struggles religious tensions and competing national aspirations that have shaped the conflict's trajectory over the years Moreover it dissects the impact of external influences regional dynamics and international interventions providing a nuanced understanding of the broader context in which the Israeli Palestinian conflict persists This thought provoking and meticulously researched book presents a balanced and comprehensive examination of the core issues at the heart of the Israeli Palestinian conflict By shedding light on the complex historical political and social factors it offers readers a deeper understanding of the conflict's multifaceted nature and offers valuable insights into potential paths toward reconciliation **A History of the Israeli-Palestinian Conflict** Mark Tessler, 2009-03-24 Mark Tessler's highly praised comprehensive and balanced history of the Israeli Palestinian conflict from the earliest times to the present updated through the first years of the 21st century provides a constructive framework

for understanding recent developments and assessing the prospects for future peace Drawing upon a wide array of documents and on research by Palestinians Israelis and others Tessler assesses the conflict on both the Israelis and the Palestinians terms New chapters in this expanded edition elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition *International Law and the Israeli-Palestinian Conflict* Susan M. Akram, Michael Dumper, Michael Lynk, Iain Scobbie, 2010-12-23 The Israeli Palestinian conflict has long been intertwined with and has had a profound influence on the principles of modern international law Placing a rights based approach to the Israeli Palestinian conflict at the centre of discussions over its peaceful resolution this book provides detailed consideration of international law and its application to political issues Through the lens of international law and justice the book debunks the myth that law is not useful to its resolution illustrating through both theory and practice how international law points the way to a just and durable solution to the conflict in the Middle East Contributions from leading scholars in their respective fields give an in depth analysis of key issues that have been marginalized in most mainstream discussions of the Israeli Palestinian conflict Palestinian refugees Jerusalem security legal and political frameworks the future of Palestine Written in a style highly accessible to the non specialist this book is an important addition to the existing literature on the subject The findings of this book will not only be of interest to students and scholars of Middle Eastern politics International Law International Relations and conflict resolution but will be an invaluable resource for human rights researchers NGO employees and embassy personnel policy staffers and negotiators

Arab Politics, Palestinian Nationalism and the Six Day War Moshe Shemesh, 2007-11-25 The Six Day War was the climax in the deterioration of the Arab Israeli conflict This study deals with such issues as the relevance of the Filastin problem as key to understanding the descent to war the pivotal Syrian water struggle as a key motivating factor and the Hashemite regime s response to Palestinians heightened national awakening *The EU and the Israeli-Palestinian Conflict 1971-2013* Anders Persson, 2014-10-21 Just peace has been much talked about in everyday life but it is less well researched by academics The rationale of this book is therefore to probe what constitutes a just peace both conceptually within the field of peacebuilding and empirically in the context of the EU as a peacebuilder in the Israeli Palestinian conflict The EU has used the term just peace in many of its most important declarations on the Israeli Palestinian conflict throughout the years Defining a just peace is about these declaratory efforts by the EU to articulate a common formula of a just peace in the conflict Securing and building a just peace are about the EU s role in implementing this formula for a just peace in the conflict through the creation of a Palestinian state As the EU enters its fifth decade of involvement in the conflict there can be little doubt that in common with the rest of the international community it has failed in its efforts to establish a just peace between Israelis and Palestinians While this is an inescapable overall conclusion from four decades of EC EU peacebuilding in the conflict it is at the same time possible to draw a number of other conclusions from this book Most importantly it argues

that the EU is a major legitimizing power in the conflict and that it has kept the prospects of a two state solution alive through its support for the Palestinian statebuilding process

[A Social Psychology Perspective on The Israeli-Palestinian Conflict](#) Keren Sharvit,Eran Halperin,2016-01-22 Due to its intensity and extensive effects both locally and globally the Israeli Palestinian conflict has drawn the attention of scholars from numerous disciplines who attempt to explain the causes of the conflict and the reasons for the difficulties in resolving it Among these one can find historians geographers political scientists sociologists and others This volume explores the Israeli Palestinian conflict from a social psychology perspective At the core of the book is a theory of intractable conflicts as developed by Daniel Bar Tal of Tel Aviv University applied to the Israeli Palestinian conflict Opening with an introduction to the Israeli Palestinian conflict situation and a few chapters on the theoretical backgrounds of the creation of a societal ethos of conflict the volume then moves to an analysis of the psycho social underpinnings of the conflict while concluding with a discussion of the possibility of long standing peace in the region Among the topics included in the coverage are Identity formation during conflict The Israeli and Palestinian ethos of conflict The important role of Palestinian and Israeli education An analysis of the leadership in the Israeli Palestinian peace process The challenges and potential towards a road to peace in the region All contributors to the volume are pre eminent scholars of the Israeli Palestinian conflict and many of them have felt the influence of Bar Tal s formulations in their own work A rich resource for those who are followers of Dr Bar Tal s work for those who study intractable conflicts in all its forms and for those who have a particular interest in the Israeli Palestinian conflict

[A Social Psychology Perspective of the Israeli Palestinian Case](#) offers a detailed exploration of the psychological underpinnings of the Israeli Palestinian conflict and the barriers to and opportunities of the peace process

[The Israeli-Palestinian Conflict](#) Dov Waxman,2019-04-01 No conflict in the world has lasted as long generated as many news headlines or incited as much controversy as the Israeli Palestinian conflict Yet despite or perhaps because of the degree of international attention it receives the conflict is still widely misunderstood While Israelis and Palestinians and their respective supporters trade accusations many outside observers remain confused by the conflict s complexity and perplexed by the passion it arouses

[The Israeli Palestinian Conflict What Everyone Needs to Know](#) offers an even handed and judicious guide to the world s most intractable dispute Writing in an engaging jargon free Q A format Dov Waxman provides clear and concise answers to common questions from the most basic to the most contentious Covering the conflict from its nineteenth century origins to the latest developments of the twenty first century this book explains the key events examines the core issues and presents the competing claims and narratives of both sides Readers will learn what the Israeli Palestinian conflict is all about how it has evolved over time and why it continues to defy diplomatic efforts at a resolution

[Americans and the Palestinian Question](#) Marianne van Leeuwen,2024-09-02

Justice and Peace in the Israeli-Palestinian Conflict Yaacov Bar Siman Tov,2014-09-19 In this book the late Prof Yaacov Bar Siman Tov argues that the failure of the Israeli Palestinian peace process so far has been

mainly the result of the inability of both sides to reach an agreed formula for linking justice to peace The issues of justice and injustice are focused mainly on the outcomes of the 1947 1949 first Arab Israeli War and specifically in the creation of the Palestinian refugee problem The conflicting historical narratives of the two sides regarding the question of responsibility for the injustice done to the Palestinians turn the Israeli Palestinian conflict into a classic case of linking the issues of justice and peace Yaacov Bar Siman Tov maintains that the narratives of justice and injustice in the Israeli Palestinian conflict have proved to be formidable barriers to peace Hence he recommends that justice should be compromised for the sake of peace The link between justice and peace is an important issue requiring both sides attention but given the wide and currently unbridgeable gap separating the two sides it should be postponed to the phase of reconciliation rather than being included in the process of conflict resolution The two state solution is endorsed as the best and practical solution and as a first step for a just peace in this conflict to be followed by reconciliation Highly topical this book is essential reading for scholars and researchers of International Relations Peace Studies and the Arab Israeli conflict

Diasporic Activism in the Israeli-Palestinian Conflict Svenja Gertheiss, 2015-12-14 With their homelands at war can Diasporas lead the way to peace or do they present an obstacle to conflict resolution nurturing hate far away from those who actually fall victim to violence And which of these roles do the Jewish and Palestinian diaspora communities play in the Israeli Palestinian conflict Particularly since the Oslo peace process the search for a solution to the Israeli Palestinian conflict has been strongly contested among Jewish and Arab Palestinian Organizations in the United States Through an analysis of the activities of Arab Palestinian and Jewish organizations on behalf of and towards their conflict ridden homelands Diasporic Activism in the Israeli Palestinian Conflict provides both a detailed picture of diasporic activism in the Middle East as well as advancing theory building on the roles of diasporas in helping or hindering peace Drawing on research into transnational social movements diaspora studies and constructivist International Relations theory this book retraces how this process of diversification occurred and explains why neither the Jewish nor the Arab Diaspora community hold a unified position in the Israeli Palestinian conflict but are each comprised of both hawks and doves Combining theoretical depth and practical orientation this book is a key resource for those working in the fields of Middle Eastern studies Peace and Conflict Studies and Diapora Studies as well as specialists on the ground in Israel Palestine and other conflict settings in which Diaspora communities play a prominent role

The Israeli-Palestinian Conflict Yehuda Lukacs, 1992 A collection of documents and statements of the position of the parties involved in attempts to resolve the Israeli Palestinian conflict

The Palestinian Entity 1959-1974 Moshe Shemesh, 2012-11-12 This book traces the development of the Palestinian national movement especially in the West Bank and Gaza Strip between 1968 and 1974 under the leadership of the Fatah which has become the PLO s backbone

The Origins of the Crisis Between Israel and the Palestinians Ismail Rifaat, 2015-06-15 A Word from the Author The text of this book was first published in 2015 shortly after the US invasion of Iraq under the title The Crisis of Islamism I wrote the book at the time

to express my criticism of the invasion of Iraq and to explain the events that led to the emergence and actions of Isis which I abhorred In 2016 the book was awarded the Bronze Medal in the category of Current Events I by the Independent Publisher Book Awards I am exasperated by Hamas s action and Israel s response in 2003 Instead of trying to cover these developments which are unfolding as I write now and since the narrative of my book is historical in nature and remains to be valid I decided to republish the original text without modification in an effort to address the underlying issues of decades long conflicts between Israel and the Palestinians In the Preface of the book I express great praise for the military s takeover of the government from the Moslem Brotherhood in Egypt years ago Believing that religious fanaticism lies at the roots of many global problems I remain steadfast in taking this position albeit with less enthusiasm in what I wrote in the case of Egypt due to the more recent negative economic developments there

Routledge Handbook on the Israeli-Palestinian Conflict Joel Peters, David Newman, 2013-03-05 The Israeli Palestinian conflict is one of the most prominent issues in world politics today Few other issues have dominated the world s headlines and have attracted such attention from policy makers the academic community political analysts and the world s media The Routledge Handbook on the Israeli Palestinian Conflict offers a comprehensive and accessible overview of the most contentious and protracted political issue in the Middle East Bringing together a range of top experts from Israel Palestine Europe and North America the Handbook tackles a range of topics including The historical background to the conflict peace efforts domestic politics critical issues such as displacement Jerusalem and settler movements the role of outside players such as the Arab states the US and the EU This Handbook provides the reader with an understanding of the complexity of the issues that need to be addressed in order to resolve the conflict and a detailed examination of the varied interests of the actors involved In depth analysis of the conflict is supplemented by a chronology of the conflict key documents and a range of maps The contributors are all leading authorities in their field and have published extensively on the Israeli Palestinian conflict peace process Many have played a leading role in various Track II initiatives accompanying the peace process

The Palestinian-Arab Minority in Israel, 1948-2000 As'ad Ghanem, 2012-02-01 2001 CHOICE Outstanding Academic Title As ad Ghanem provides a comprehensive description of the political development of the Palestinian Arab minority in Israel and also discusses their social cultural and economic experiences Covering two main aspects of politics the different manifestations of politics and the dilemmas created by these politics he presents the predicament of the Palestinian Arab minority in Israel which derives from the ethnic character of the State of Israel and their isolation from other Palestinians and proposes the Israeli Palestinian bi national state as a suitable resolution not only for this problem but also for the main Palestinian Israeli conflict

Overcoming the Retributive Nature of the Israeli-Palestinian Conflict Thomas L. Saaty, H. J. Zoffer, Luis G. Vargas, Amos Guiora, 2021-10-29 This book presents an interdisciplinary approach to conflict solution focusing on a very specific type of conflict retributive conflicts It is unique in the treatment of these and how relative measurement is used to find equilibrium solutions The authors present an alternative

process to address the Israeli Palestinian conflict They do so in two ways that are different from past efforts The first is by formally structuring the conflict and the second is the manner in which discussions were conducted and conclusions drawn The approach will help create a solution and provide negotiators with a unique pathway to consider the thorny issues and corresponding concessions underlying the deliberations together with their implementation The Analytic Hierarchy Process AHP provides a way to conflict solution with the participation of negotiators for the parties It is a positive approach that makes it possible to reason and express feelings and judgments with numerical intensities to derive priorities With the assistance of panels of Israeli participants and Palestinian participants brought together in 2006 to 2017 AHP was applied for the first time in a group setting to the Palestinian Israeli conflict The process makes it clear that moderation in different degrees by both sides is essential to arrive at acceptable agreements on concessions proposed and agreed upon by both sides

Palestinian Problem Introduction

In today's digital age, the availability of Palestinian Problem books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Palestinian Problem books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Palestinian Problem books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Palestinian Problem versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Palestinian Problem books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Palestinian Problem books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Palestinian Problem books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Palestinian Problem books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Palestinian Problem books and manuals for download and embark on your journey of knowledge?
