Panama For Those Who Remember:

Panama Kenneth A Trader, 2002-02 **Ten Minutes from Normal** Karen Hughes, 2004-12-28 A New York Times bestseller from President George W Bush's most essential advisor ABC News An inside look at the life of Bush's most respected aide and confidante as she balanced her role as one of the most influential women ever to set foot in the White House against her role as a wife and mother The rule of thumb in any White House is that nobody is indispensable except the president said The New York Times But Karen Hughes has come as close to that description as any recent presidential aide Ten Minutes from Normal is the often humorous disarmingly down to earth and politically fascinating journey of her time in Bush's inner circle As Counselor to the President for his first eighteen months in the White House and as his communications director since he first ran for Governor of Texas in 1994 Hughes was a crucial influence When he first moved to Washington Bush told members of the White House staff that he wanted Karen in the room whenever any major decisions were made Being a journalist she was fascinated by politics and inspired by people who sought elective office to improve their communities When she married and became the instant mother of a nine year old stepdaughter she realized her priorities had changed Family mattered and she didn't want to live as if it didn't Thus her life became one of balancing her career ambitions and her deeply felt sense of service and duty with her responsibilities and love for her family In various Republican campaigns in Texas she worked from home with her young son Robert beside her She planned the 1990 Republican State Convention from her driveway while Robert played in the dirt at her feet Karen tried to bring the perspective of a working mom to the White House often asking the question she first learned as a reporter What does this mean to the average person Her exhilarating life in Washington was unlike anything she had experienced before yet the lack of balance between her service to the President and country and her service to her family was a daily struggle By the spring of 2002 Karen found herself in turmoil She knew the president needed her but her family needed her too Her son was not happy in Washington neither was her husband After much soul searching she concluded that she could do a better job of serving the president from Texas than of serving her family from Washington I love you Mr President she told him but I have to move my family back to Texas She continued to serve Bush from her home in Austin and laughed about the so called balance she found When she looked at the wall calendar in her kitchen she found the State of the Union address side by side with her son's orthodontist appointments Panama Marc Rigole, Claude-Victor Langlois, 2003-02 Memories of Winter Ball Lou Hernández, 2013-05-04 This is an oral history of the Latin American baseball leagues of the mid 20th century Interviews with dozens of former major league players who participated in the winter leagues of Cuba the Dominican Republic Mexico Nicaragua Panama Puerto Rico and Venezuela provide a fascinating view of life in all of these countries during the most nostalgic era of baseball For the majority of the players it was the first time in their lives living in a foreign country some of the more fortunate made trips to the Caribbean Series The players recollections range from their experiences on and off the
