## **Pandoras Curse:**

**Pandora's Curse** Jack Du Brul, 2001 A deadly fifty year old secret from World War II hidden away at a top secret Nazi submarine base could spell disaster for the modern world when a ruthless corporate mercenary plans to hold the entire world hostage unless geologist Philip Mercer and his colleague Anika Klein can stop him Original **Pandora's Daughter** Iris Johansen, 2007-10-16 Thriller **Gender and Desire** Polly Young-Eisendrath, 1997 Also available in an open access full text edition at <http://oaktrust.library.tamu.edu/handle/1969.1/146844> Contradictory and provocative pathways crisscross the terrain of gender among contemporary psychologists and psychoanalysts Clearing a path through this terrain Polly Young-Eisendrath describes and illustrates issues of gender and desire among women and men Young-Eisendrath introduces three world views premodern modern and postmodern Then she calls our attention to how we shape reality and clearly explains how a lived postmodern philosophy is essential for us to understand ourselves and how we can change Next she discusses gender and sex differences in terms of how the former are flexible and the latter are not The division of the human community into the two exclusive groups of male and female has important psychological implications on both conscious and unconscious levels Most depth psychological theories of gender and sex have been androcentric taking males as the norm for health and have failed to develop a full understanding of desire opposition and idealization between the sexes One major theme in a depth psychology of gender is that of Woman as the object of desire The Greek myth of Pandora deftly illustrates the problem of female beauty as the desire awakening maiden Pandora is powerful but empty The link between female beauty power and evil teaches us about the consequences of female appearance as a commodity to be used among men Zeus placed the curse of Pandora on humankind as a punishment for the theft of fire from the gods and we are still living with the effects of this patriarchal curse The double bind of female beauty damned if you engage it and damned if you don't must be lifted from the male-female relationships in this time of growing equality and reciprocity between the sexes For women and men to reach their full potential of development as individuals and in relationships they must break Pandora's curse and free themselves from the myth of the power of female beauty In working to liberate us from the curse of Pandora Young-Eisendrath has developed a theory of desire desire contains within it a primordial absence a sense that something is missing When we come to understand the nature of desire itself we can be liberated from its domination Drawing on experiences from culture everyday life and psychotherapy Polly Young-Eisendrath's *Gender and Desire: Uncursing Pandora* provides a full engagement with the intricacies and complexities of gender desire and liberation for women and men in a postmodern world
