The National Review ,1926 *The Story of My Campaign* Francis T. Moore,2011-09-01 In 1861 Francis Moore appeared to be a perfectly ordinary twenty three year old man a carriage maker in the bustling Mississippi River town of Quincy Illinois And there he might well have lived out his life in unadventurous comfort But then the Civil War burst out and Moore along with most of his friends like young men North and South rushed to enlist in the army His cavalry regiment soon set off for what proved to be four years of warfare plunging him into harrowing experiences of battle that would have been unimaginable back in his small hometown and that uprooted him body and soul for the remainder of his life Enter *The Story of My Campaign* the remarkable Civil War memoir of Captain Francis T Moore which historian Thomas Bahde here offers in an original edition to contemporary readers for the first time Moore began the war as a private in Company L of the

Second Illinois Volunteer Cavalry and was soon promoted to lieutenant and then captain of his company He spent most of the war fighting guerillas in Missouri Kentucky Tennessee Mississippi and Louisiana He fought at the battle of Belmont Kentucky in 1861 and raided Mississippi with General Benjamin Grierson in 1864 He also battled Confederate leaders such as Nathan Bedford Forrest and Leonidas Polk His unflinching chronicle of small scale and irregular warfare combined with his intimate account of military life make his memoir as absorbing as it is historically valuable Moore was also an unusually articulate young man with strong opinions about the war the preservation of the Union the institution of slavery African Americans the people of the South and the Confederacy his wartime observations and his postwar reflections on these themes provide not only a captivating narrative they also provide readers with an opportunity to examine how the conflict endured in the memory of its veterans and the nation they served The enormous social upheaval and staggering loss of human life during the Civil War cannot be overstated the estimated 2 percent of Americans or 620 000 people who died in the conflict would be the equivalent of 6 000 000 people today The Story of My Campaign offers an indelible account of this conflagration from the perspective of one of its survivors It is evidence of a hard war fought and the long hard life that followed *The National and English Review* ,1926 [My Rebellion: The War of 1861-5](#) W.H. Morgan, From the perspective of almost half a century W H Morgan was still an unreconstructed rebel when he wrote these memoirs While there is little new to be learned from his Lost Cause arguments his experiences of camp battle and famous people of the war do nevertheless provide a fascinating look into Confederate life in the American Civil War Though not a member of the famous Morgan family of John Hunt Morgan whom he never mentions in his memoir W H of the 11th Virginia was on the front lines and eventually a prisoner of the hated Yankees He provides a report of conditions prior to his release Like many old soldiers he also has tales of the humorous side of soldiering In addition he provides a view of important battles in which he was engaged from the Confederate side For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample
