Pannonia And Upper Moesia A History Of The Middle Danube

András Mócsy

Pannonia And Upper Moesia A History Of The Middle Danube:

Pannonia and Upper Moesia (Routledge Revivals) András Mócsy, 2014-04-08 In Pannonia and Upper Moesia first published 1974 András Mócsy surveys the Middle Danube Provinces from the latest pre Roman Iron Age up to the beginning of the Great Migrations His primary concern is to develop a general synthesis of the archaeological and historical researches in the Danube Basin which lead to a more detailed knowledge of the Roman culture of the area The economic and social development town and country life culture and religion in the Provinces are all investigated and the local background of the so called Illyrian Predominance during the third century crisis of the Roman Empire is explained as is the eventual breakdown of Danubian Romanisation This volume will appeal to students and teachers of archaeology alike as well as to those interested in the Roman Empire not only the history of Rome itself but also of the far flung areas which together comprised the Empire's frontier for centuries **Nemesis, the Roman State and the Games** Michael B.

Hornum, 2015-08-25 Although Nemesis was already revered in Archaic Greece the main evidence for worship comes from the Roman Principate During this period two important facets of the cult were the association of the goddess with the state and her presence in agonistic contexts Nemesis the Roman State and the Games explores these aspects discerning a possible connection between them The author begins by discussing the origin and background of the goddess He then clarifies the ways in which the goddess was enlisted into the service of the Roman emperor and state Finally he explains the presence of the goddess almost exclusively at the Roman Munus and Venatio as derived from the function of such games to express the proper order of society Nemesis represents a significant re evaluation of the place of Nemesis in the Roman World The book also provides an invaluable corpus of epigraphic literary and iconographic evidence for the goddess **The Western**

Frontiers of Imperial Rome , Discusses Rome's challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR *Beyond the River, Under the Eye of Rome* Timothy C Hart, 2024-09-05 Beyond the River Under the Eye of Rome presents the Danube frontier of the Roman empire as the central stage for many of the most important political and military events of Roman history from Trajan's invasion of Dacia and the Marcomannic Wars to the humbling of the Roman state power at the hands of the Goths and Huns Hart delves into the cultural and political impacts of Rome's interactions with Transdanubian peoples emphasizing the Sarmatians of the Hungarian Plain whose long encounter with the Roman Empire he argues created a problematic template for later dealings with Goths and Huns based on misapplied ethnographic and ecological tropes Beyond the River Under the Eye of Rome explores how Roman stereotypical perceptions of specific Danubian peoples directly influenced some of the most politically

significant events of Roman antiquity Drawing on textual inscriptional and archaeological evidence Hart illustrates how Roman ethnic and ecological stereotypes were employed in the Danubian borderland to support the imperial frontier edifice fundamentally at odds with the region's natural topography Distorted Roman perceptions of these Danubian neighbors resulted in disastrous mismanagement of border wars and migrant crises throughout the first five centuries CE Beyond the River demonstrates how state supported stereotypes when coupled with Roman military and economic power exerted strong influences on the social structures and evolving group identities of the peoples dwelling in the borderland

Theoderic the Great Hans-Ulrich Wiemer, 2023-07-25 The first full scale history of Theoderic and the Goths in more than seventy five years tracing the transformation of a divided kingdom into a great power In the year 493 the leader of a vast confederation of Gothic warriors their wives and children personally cut down Odoacer the man famous for deposing the last Roman emperor in 476 That leader became Theoderic the Great 454-526 This engaging history of his life and reign immerses readers in the world of the warrior king who ushered in decades of peace and stability in Italy as king of Goths and Romans Theoderic transformed his roving warrior nation from the periphery of the Roman world into a standing army that protected his taxpaying Roman subjects with the support of the Roman elite With a ruling strategy of integration through separation Theoderic not only stabilized Italy but also extended his kingdom to the western Balkans southern France and the Iberian Peninsula Using sources as diverse as letters poetry coins and mosaics Hans Ulrich Wiemer brings readers into the world of Theoderic's court from Gothic warriors and their families to the notables artisans and shopkeepers of Rome and Ravenna to the peasants and enslaved people who tilled the soil on grand rural estates This book offers a fascinating history of the leader who brought peace to Italy after the disintegration of the Roman Empire

The Recurring Dark Ages Sing C. Chew, 2007 In this modern era of global environmental crisis Sing Chew provides a convincing analysis of the recurring human and environmental crises identified as Dark Ages In this his second of a three volume series concerning world ecological degradation Chew reviews the past 5 000 year history of structural conditions and processes that define the relationship between nature and culture Chew's message about the coming Dark Ages as human communities continue to reorganize to meet the contingencies of ecological scarcity and climate changes is a must read for those concerned with human interactions and environmental changes including environmental anthropologists and historians world historians geographers archaeologists and environmental scientists

Drummond, Lynn Harry Nelson, 1994 Discusses Rome's challenges in governing over different cultures organizing an army made of non Romans inculcating Roman values and religion feeding the army trading urbanizing and industrializing To make this work accessible to readers who lack an extensive background in Roman history all Latin expressions are defined in the course of the discussion a glossary is included and modern as well as contemporary Latin names of places are used Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR

Globalisation and the Roman World Martin

Pitts,Miguel John Versluys,2015 This book applies modern theories of globalisation to the ancient Roman world creating new understandings of Roman archaeology and history This is the first book to intensely scrutinize the subject through a team of international specialists studying a wide range of topics including imperialism economics migration urbanism and art

Handbook to Life in Ancient Rome Lesley Adkins,Roy A. Adkins,Both Professional Archaeologists Roy A Adkins,2014-05-14 Describes the people places and events of Ancient Rome describing travel trade language religion economy industry and more from the days of the Republic through the High Empire period and beyond **The First Millennium AD in Europe and the Mediterranean** Klavs Randsborg,1991-01-25 Modern archaeology with its huge methodological repertoire its interdisciplinary orientation and its rapidly expanding basis in excavations is beginning to rewrite history and to reshape our views of the development of Europe prior to the present millennium Archaeological evidence draws attention to processes on which the written record is silent or which were not fully appreciated by contemporaries in the literate centres This book deals with the rise of medieval western Europe as the Roman Empire crumbled and the integration of hitherto barbarian societies into the new mainstream of European society Archaeological material is the main focus but information derived from written sources especially those illuminating the economic and the associated social circumstances is also taken into account **Economy, Society and Culture** Peter Garnsey,Richard P. Saller,1987-06-12 During the first stable period of the Principate roughly from 27 BC to AD 235 when the empire reached its maximum extent Roman society and culture were radically transformed But how was the vast territory of the empire controlled Did the demands of central government stimulate economic growth or endanger survival What forces of cohesion operated to balance the social and economic inequalities and high mortality rates Why did Roman governments freeze the official religion while allowing the diffusion of alien especially oriental cults Are we to see in their attitude to Christianity a policy of toleration or simply confusion and a failure of nerve These are some of the many questions posed in this book which offers the first overall account of the society economy and culture of the Roman empire Addressed to non specialist readers no less than to scholars it breaks with the traditional historian s preoccupation with narrative and politics As an integrated study of the life and outlook of the ordinary inhabitants of the Roman world it deepens our understanding of the underlying factors in this important formative period of world history Paganism in the Roman Empire Ramsay MacMullen,1981-01-01 MacMullen has published several books in recent years which establish him rightfully as a leading social historian of the Roman Empire The current volume exhibits many of the characteristics of its predecessors the presentation of novel revisionist points of view discrete set pieces of trenchant argument which do not necessarily conform to the boundaries of traditional history and an impressive authoritative and up to date documentation especially rich in primary sources A stimulating and provocative discourse on Roman paganism as a phenomenon worthy of synthetic investigation in its own right and as the fundamental context for the rise of Christianity Richard Brilliant History MacMullen s latest work

represents many features of paganism in its social context more vividly and clearly than ever before Fergus Millar *American Historical Review* The major cults are examined from a social and cultural perspective and with the aid of many recently published specialized studies Students of the Roman Empire should read this book Robert J Penella *Classical World* A distinguished book with much exact observation An indispensable mine of erudition on a grand theme Henry Chadwick *Times Literary Supplement* Ramsay MacMullen is Dunham Professor of History and Classics at Yale University and the author of *Roman Government's Response to Crisis A D 235-337* and *Roman Social Relations 50 B C to A D 284* *Barbarian Tides* Walter Goffart, 2010-11-25 The Migration Age is still envisioned as an onrush of expansionary Germans pouring unwanted into the Roman Empire and subjecting it to pressures so great that its western parts collapsed under the weight Further developing the themes set forth in his classic *Barbarians and Romans* Walter Goffart dismantles this grand narrative shaking the barbarians of late antiquity out of this Germanic setting and reimagining the role of foreigners in the Later Roman Empire The Empire was not swamped by a migratory Germanic flood for the simple reason that there was no single ancient Germanic civilization to be transplanted onto ex Roman soil Since the sixteenth century the belief that purposeful Germans existed in parallel with the Romans has been a fixed point in European history Goffart uncovers the origins of this historical untruth and argues that any projection of a modern Germany out of an ancient one is illusory Rather the multiplicity of northern peoples once living on the edges of the Empire participated with the Romans in the larger stirrings of late antiquity Most relevant among these was the long militarization that gripped late Roman society concurrently with its Christianization If the fragmented foreign peoples with which the Empire dealt gave Rome an advantage in maintaining its ascendancy the readiness to admit military talents of any social origin to positions of leadership opened the door of imperial service to immigrants from beyond its frontiers Many barbarians were settled in the provinces without dislodging the Roman residents or destabilizing landownership some were even incorporated into the ruling families of the Empire The outcome of this process Goffart argues was a society headed by elites of soldiers and Christian clergy one we have come to call medieval

The Avars Walter Pohl, 2018-12-15 Though the book was first published in German in 1988 this English version includes many revisions and updates and will be the definitive English language study of the Avar empire for years to come It will be invaluable for those interested in medieval history or in the impact of nomadic steppe empires on sedentary civilizations Choice The Avars arrived in Europe from the Central Asian steppes in the mid sixth century CE and dominated much of Central and Eastern Europe for almost 250 years Fierce warriors and canny power brokers the Avars were more influential and durable than Attila's Huns yet have remained hidden in history Walter Pohl's epic narrative translated into English for the first time restores them to their rightful place in the story of early medieval Europe The Avars offers a comprehensive overview of their history tracing the Avars from the construction of their steppe empire in the center of Europe their wars and alliances with the Byzantines Slavs Lombards and others their apex as the first so called barbarian power to besiege

Constantinople in 626 to their fall under the Frankish armies of Charlemagne and subsequent disappearance as a distinct cultural group Pohl uncovers the secrets of their society synthesizing the rich archaeological record recovered from more than 60 000 graves of the period as well as accounts of the Avars by Byzantine and other chroniclers In recovering the story of the fascinating encounter between Eurasian nomads who established an empire in the heart of Europe and the post Roman Christian cultures of Europe this book provides a new perspective on the origins of medieval Europe itself *The Making of Christian Moravia (858-882)* Maddalena Betti,2013-10-24 In *The Making of Christian Moravia* Maddalena Betti examines the creation of the Moravian archdiocese of which St Methodius was the first incumbent in the context of ninth century papal policy in central and south eastern Europe In the nineteenth and twentieth century religious and nationalistic concerns widely influenced the reconstruction of the history of the archdiocese of Methodius Offering a new reading of already widely used sources both Slavonic and Latin Maddalena Betti turns attention upon the jurisdictional conflict between Rome the Bavarian churches and Byzantium in order to uncover the strategies and the languages adopted by the Apostolic See to gain jurisdiction over the new territories in central and south eastern Europe **Rome and the Enemy** Susan P.

Mattern,2023-04-28 How did the Romans build and maintain one of the most powerful and stable empires in the history of the world This illuminating book draws on the literature especially the historiography composed by the members of the elite who conducted Roman foreign affairs From this evidence Susan P Mattern reevaluates the roots motivations and goals of Roman imperial foreign policy especially as that policy related to warfare In a major reinterpretation of the sources *Rome and the Enemy* shows that concepts of national honor fierce competition for status and revenge drove Roman foreign policy and though different from the highly rationalizing strategies often attributed to the Romans dictated patterns of response that remained consistent over centuries Mattern reconstructs the world view of the Roman decision makers the emperors and the elite from which they drew their advisers She discusses Roman conceptions of geography strategy economics and the influence of traditional Roman values on the conduct of military campaigns She shows that these leaders were more strongly influenced by a traditional stereotyped perception of the enemy and a drive to avenge insults to their national honor than by concepts of defensible borders In fact the desire to enforce an image of Roman power was a major policy goal behind many of their most brutal and aggressive campaigns *Rome and the Enemy* provides a fascinating look into the Roman mind in addition to a compelling reexamination of Roman conceptions of warfare and national honor The resulting picture creates a new understanding of Rome's long mastery of the Mediterranean world How did the Romans build and maintain one of the most powerful and stable empires in the history of the world This illuminating book draws on the literature especially the historiography composed by the members of the elite who conducted Roman foreign *Comparative Archaeologies* Ludomir R Lozny,2011-04-06 Archaeology as with all of the social sciences has always been characterized by competing theoretical propositions based on diverse bodies of locally acquired data In order to fulfill local regional expectations different goals

have been assigned to the practitioners of Archaeology in different regions These goals might be entrenched in local politics or social expectations behind cultural heritage research This comprehensive book explores regional archaeologies from a sociological perspective to identify and explain regional differences in archaeological practice as well as their existing similarities This work covers not only the currently dominant Anglo American archaeological paradigm but also Latin America Western and Eastern Europe Asia and Africa all of which have developed their own unique archaeological traditions The contributions in this work cover these alternative archaeologies in the context of their own geographical political and socio economic settings as well as the context of the currently accepted mainstream approaches **Rome's Empire** Patricia Southern,2023-06-15 With parallels to today a significant new account of the Roman empire as a place of migration diversity and commerce as well as its traditional image as a military power Gardens of the Roman Empire Wilhelmina F. Jashemski,Kathryn L. Gleason,Kim J. Hartswick,Amina-Aïcha Malek,2017-12-28 In Gardens of the Roman Empire the pioneering archaeologist Wilhelmina F Jashemski sets out to examine the role of ancient Roman gardens in daily life throughout the empire This study therefore includes for the first time archaeological literary and artistic evidence about ancient Roman gardens across the entire Roman Empire from Britain to Arabia Through well illustrated essays by leading scholars in the field various types of gardens are examined from how Romans actually created their gardens to the experience of gardens as revealed in literature and art Demonstrating the central role and value of gardens in Roman civilization Jashemski and a distinguished international team of contributors have created a landmark reference work that will serve as the foundation for future scholarship on this topic An accompanying digital catalogue will be made available at www.gardensoftheromanempire.org **A Handbook to Classical Reception in Eastern and Central Europe** Zara Martirosova Torlone,Dana LaCourse Munteanu,Dorota Dutsch,2017-02-06 A Handbook to Classical Reception in Eastern and Central Europe is the first comprehensive English language study of the reception of classical antiquity in Eastern and Central Europe This groundbreaking work offers detailed case studies of thirteen countries that are fully contextualized historically locally and regionally The first English language collection of research and scholarship on Greco Roman heritage in Eastern and Central Europe Written and edited by an international group of seasoned and up and coming scholars with vast subject matter experience and expertise Essays from leading scholars in the field provide broad insight into the reception of the classical world within specific cultural and geographical areas Discusses the reception of many aspects of Greco Roman heritage such as prose philosophy poetry material culture Offers broad and significant insights into the complicated engagement many countries of Eastern and Central Europe have had and continue to have with Greco Roman antiquity

Pannonia And Upper Moesia A History Of The Middle Danube Introduction

In the digital age, access to information has become easier than ever before. The ability to download Pannonia And Upper Moesia A History Of The Middle Danube has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Pannonia And Upper Moesia A History Of The Middle Danube has opened up a world of possibilities. Downloading Pannonia And Upper Moesia A History Of The Middle Danube provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Pannonia And Upper Moesia A History Of The Middle Danube has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Pannonia And Upper Moesia A History Of The Middle Danube. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Pannonia And Upper Moesia A History Of The Middle Danube. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Pannonia And Upper Moesia A History Of The Middle Danube, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Pannonia And Upper Moesia A History Of The Middle Danube has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Pannonia And Upper Moesia A History Of The Middle Danube Books
