Patanjalis Yoga Aphorisms:

The Yoga Aphorisms of Patañjali Patañjali, 1883 *How to Know God: the Yoga Aphorisms of Patanjali* Patañjali, 1953

The Yoga Aphorisms of Patanjali Patañjali, 1889 Aphoristic work on the meditational fundamentals of the Yoga school of Indic philosophy The Yoga Aphorisms of Patanjali William Quan Judge, 2015-06-02 Excerpt from The Yoga Aphorisms of Patanjali This edition of Patanjali s Yoga Aphorisms is not put forth as a new translation nor as a literal rendering into English of the original In the year 1885 an edition was printed at Bombay by Mr Tookeram Tatya a Fellow of the Theosophical Society which has been since widely circulated among its members in all parts of the world But it has been of use only to those who had enough acquaintance with the Indian system of philosophy to enable them to grasp the real meaning of the Aphorisms notwithstanding the great and peculiar obstacles due to the numberless brackets and interpolated sentences with which not only are the Aphorisms crowded but the so called explanatory notes as well For the greater number of readers these difficulties have been an almost insurmountable barrier and such is the consideration that has led to the preparation of this edition which attempts to clear up a work that is thought to be of great value to earnest students It may be said by some captious critics that liberties have been taken with the text and if this were emitted as a textual translation the charge would be true Instead of this being a translation it is offered as an interpretation as the thought of Patanjali clothed in our language No liberties have been taken with the system of the great Sage but the endeavor has been faithfully to interpret it to western minds unfamiliar with Hindu modes of expression and equally unaccustomed to their philosophy and logic About Patanjali s life very little if anything can be said In the Rudra Jamala the Vrihannandikeshwara and the Padma Purana are some meagre statements more or less legendary relating to his birth About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *How to Know God* Swami Prabhavananda, Christopher Isherwood, 2018-12-07 The aphorisms collected in this book first published in 1953 were composed by Patanjali a great Indian sage over 1 500 years ago and here translated into clear English prose The accompanying commentary interprets the sayings for the modern world and in doing so gives a full picture of what yoga is what its aims are and how it can be practised *The Yoga Aphorisms of Patanjali* William Q. Judge, 2011-05 This edition of Patanjali s Yoga Aphorisms is not put forth as a new translation nor as a literal rendering into English of the original In the year 1885 an edition was printed at Bombay by Mr Tookeram Tatya a Fellow of the Theosophical Society which has been since widely circulated among its members in all parts of the world But it has been of use only to those who had enough

acquaintance with the Indian system of philosophy to enable them to grasp the real meaning of the Aphorisms notwithstanding the great and peculiar obstacles due to the numberless brackets and interpolated sentences with which not only are the Aphorisms crowded but the so called explanatory notes as well For the greater number of readers these difficulties have been an almost insurmountable barrier and such is the consideration that has led to the preparation of this edition which attempts to clear up a work that is thought to be of great value to earnest students It may be said by some captious critics that liberties have been taken with the text and if this were emitted as a textual translation the charge would be true Instead of this being a translation it is offered as an interpretation as the thought of Patanjali clothed in our language No liberties have been taken with the system of the great Sage but the endeavor has been faithfully to interpret it to Western minds unfamiliar with the Hindu modes of expression and equally unaccustomed to their philosophy and logic **Yoga**

Philosophy of Patañjali Swāmi Āraṇya Hariharānanda,1984-06-30 The Yoga Sutras of Patajali are universally acknowledged as the fundamental text on yoga and meditation in the Indian classical tradition This English translation of Yoga Philosophy of Patajali is widely regarded as the most authoritative and authentic that has been available in recent times It is a serious and clear presentation of Patajali's sutras and Vyasa's Bhāṣya providing these basic texts both in the original Sanskrit and in readable and accurate English These classical works are augmented by the commentary of Swami Hariharananda Aranya a scholar and yogi of great repute who in his lifetime was the foremost exponent in India of the Sākhya Yoga system of which the Yoga Aphorisms of Patajali are the principal work How to Know God Patanjali,1970-01-01
